ESA History Study Reports

HSR-#	Date	Title	Author
1	July 1992	The Prehistory of ESRO, 1959/60	J. Krige
2	October 1992	ESRO's First Scientific Satellite Programme, 1961-1966	A. Russo
3	November 1992	Choosing ESRO's First Scientific Satellites	A. Russo
4	January 1993	The Early Activities of COPERS and the Drafting of the ESRO Convention (1961/62)	J. Krige
5	March 1993	Europe in Space: Edoardo Amaldi and the Inception of ESRO	M. de Maria
6	March 1993	The Definition of a Scientific Policy: ESRO's Satellite Programme in 1969 - 1973	A. Russo
7	March 1993	The Launch of ELDO	J. Krige
8	May 1993	Europe into Space: The Auger Years (1959 - 1967)	J. Krige
9	May 1993	The Early Development of the Telecommunications Satellite Programme in ESRO (1965 - 1971)	A. Russo
10	September 1993	The History of ELDO Part 1: 1961 - 1964	M. de Maria
11	January 1994	Reflections on Europe in Space	J. Krige & A. Russo
12	January 1994	The Origins of the Federal Republic of Germany's Space Policy, 1959 - 1965 — European and National Dimensions	P. Fischer
13	February 1994	ESRO's Telecommunications Programme and the OTS Project (1970 - 1974)	A. Russo
14	July 1994	United States - European Cooperation in Space During the Sixties	L. Sebesta
15	February 1995	United States - European Cooperation in the Post-Apollo Programme	L. Sebesta
16	February 1995	The Scientific Programme Between ESRO and ESA: Choosing New Projects (1973 - 1977)	A. Russo
17	February 1996	The Aeronautical Satellite System: An Example of International Bargaining	L. Sebesta
18	September 1996	The Availability of European Launchers and Europe's Decision 'To Go It Alone'	L. Sebesta
19	August 1997	Big Technology, Little Science The European Use of Spacelab	A. Russo
20	September 1997	The Definition of ESA's Scientific Programme for the 1980's	A. Russo
21	October 1997	Spacelab in Context	L. Sebesta
22	March 1998	The European Meteorological Satellite Programme	J. Krige
23	September 1998	The Third Phase of the Telecommunications Programme ECS, Marecs and Olympus	A. Russo
24	May 1999	ESA's Scientific Programme Towards the Turn of the Century	A. Russo
25	May 2002	Canada and ESA – Three decades of cooperation	L. Dotto
26	August 2002	Spain in Space	J. M. Dorado et al.
27	November 2002	An overview of space activities in the Netherlands	J. van Kasteren
28	December 2002	The “Triple Helix” of Space – German Space Activities in a European Perspective	H. Trischler

29	February 2003	Belgium's Participation in the European Space Adventure	D. Laureys
30	March 2003	Italy in Space, 1946-1988	M. de Maria L. Orlando F. Pigliacelli
31	March 2003	Switzerland and Space	P. Creola
32	April 2003	Finland and the Space Era	I. Seppinen
33	September 2003	ESRO/ESA and Denmark	P. Gudmandsen
34	January 2004	Austria's history in space	B. Besser
35	October 2004	Norwegian Space Activities 1958-2003. A historical overview	O. A. Røberg and J. P. Collett
36	April 2005	An Overview of United Kingdom Space Activity 1957-1987	D. Millard
37	June 2006	La France dans l'Espace 1959-1979, Contribution à l'effort spatial européen	H. Moulin
38	November 2006	The History of Sounding Rockets and their Contribution to European Space Research	G. Seibert
39	December 2007	A Short History of Swedish Space Activities	N. Wormbs & G. Källstrand
40	September 2008	A Short History of Irish Space Activities	P. Clancy

L'Académie internationale d'histoire des sciences et les Éditions Beauchesne
présentent la collection **Explorations**

Véritablement internationale, **Explorations** publie en français, anglais et allemand des études originales sur la science et les techniques contemporaines et, en premier lieu, sur l'histoire de l'aventure spatiale européenne. Au-delà des spécialistes et des historiens, **Explorations** s'adresse aussi au monde politique et industriel.

**PARUTION
SEPTEMBRE
2009**

These books are produced and funded in the frame of the ESA Extended History Project.
