CANDIDATES NIGHT JUNE 24th 1974

We will not have a regular June general meeting but rather an all candidates night on June 24th at 8:00 pm in the GLEN OGILVIE SCHOOL gymnasium.

The Hon. John Turner (lib.), Mr. William Neville(P.C.) and Mr. David Hall(N.D.P.) will be present. At the time of writing the Social Credit Party had not nominated a candidate but an invitation has been issued, so we expect their candidate to be present.

Remember that this is your opportunity to see and hear the person who will represent you after July 8. How you vote is your business but come out and see for whom you will be voting.

The Community Association does not have any political position, but we do endeavour to organize such meetings to let you meet the candidates in elections at all levels. Please attend.

BLACBURN HAMLET LIBRARY

JUNIOR LIBRARY READING PROGRAMME --SUMMER MONTHS OF JULY AND AUGUST

Blackburn Hamlet Library will attempt to initiate a reading programme for the younger residents of the Hamlet. It is hoped to accommodate children from the ages of five to twelve, and to engender, through a stimulating summer programme, an interest in books, for our junior generation.

The programme will revolve around a central theme (the Circus) and will encompass the general area of story-telling, a minimum of craft activities related to the programme and a book reading competition.

Sessions will be held twice weekly, at Blackburn Hamlet Library, on Tuesday and Thursday afternoons, from 1:00 to 3:00 p.m., through the months of July and August, for those children expressing a desire to participate in the Junior Reading Programme.

Parents are requested to register their children's names at the library, before the end of June, so that the response can be evaluated.

DAY CAMP NEWS

Horseback riding, Bowling,
Trips to Lac Phillipe, Magician Show,
Swimming at Gloucester Parties,
Pool, Movies with popcorn
Canada Fitness Awards, and soft drinks

These are just a few of the activities at this year's DAY CAMP, July 8th to August 16th. There will also be an extensive Arts & Crafts programme including among other things, batik, ceramics, linoleum printing and drama sessions. The sports program, as well, will offer a wide variety of activities such as floor hockey, baseball, football, dodgeball and a field day centred around the Canada Fitness Awards.

The day camp runs five days a week, from 9:30 to 3:30. All children between the ages of six and twelve are welcome to join. Five year olds will be considered if they have attended kindergarten.

The weekly programme for children six to eight will be general, a combination of all activities. The older children will be asked to express a preference towards a more intensive programme of either arts and crafts or sports. Registration will be held every Monday morning during the day camp at nine o'clock at Glen Ogilvie School. There may have to be a limit placed on the number of children involved, so register early.

All this for only ten dollars a week for members, twelve for non-members - less than it costs to hire a babysitter.

See you at registration.

Récital de Diction, Un Vrai Succès

Samedi le 11 mai, les élèves de Mme. Claire Fournier présentaient un récital à tous les parents.

Les jeunes ont fait preuve de grands talents et leurs déclamations, tantôt comiques, tantôt bien touchantes, démontraient un travail assidu de la part du professeur et des jeunes eux-mêmes. Félicitation Claire!

Départ de M. Rosaire Maurice

Je regrette de vous annoncer que M. Rosaire Maurice, Directeur de l'école Ste-Marie ne sera plus avec nous en Septembre prochain. Toutefois, je tiens à féliciter M. Maurice qui est transféré dans une autre école où ses responsabilités seront plus grandes. Au cours des cinq dernières années, M. Maurice a gagné l'affection et l'admiration de tous les parents par son dévouement inlassable auprès de nos jeunes. Je remercie M. Maurice pour sa généreuse collaboration avec moi dans la rédaction du "Babillard" qui paraît dans le Banar depuis Décembre 1972.

Passez de très belles vacances et au plaisir de se revoir en Septembre.

SPRING 1974 ANNUAL FERTILIZER SALE REPORT

To all the residents of the Hamlet who supported our fertilizer sale, I wish to say thank you. Our total sales were well over \$10,000-- double last year! Our net profit is over \$3,000....not bad for amateurs. It was implied that ours was the single largest order ever placed for fertilizer by a fund raising group in eastern Ontario.

Our top three salespersons were: Vivian Dawson, Iris Prentice and Graham Man. Between the three of them, they sold over \$1000 worth of fertilizer! CONGRADULATIONS to YOU! The BAY donated three gift certificates to them for prizes. These were presented to them by Lou Davies of the BAY. Thank you Lou and thanks to Canada's oldest and finest department store.

To the other 62 salesmen, thank you all very much. You all did a fine job. There is one person who deserves the largest THANK YOU of all...my wife, who sold, cajoled, humored, plus other things, thank you Gladys!

A brief history and dissection of the sale and delivery.....

March BANAR, asked for volunteers to help sell, no reply,

April BANAR, the same,

The sale was two weeks away and I started phoning, I was able to get 65 salespeople and needed 72. C'est la vie. Salesmen and women reported in...we sold over 40 tons of stuff. Two days before the delivery date, the person who was going to deliver Faded out!!! Yours truly rented a truck...a big one..end of first delivery day, half the Hamlet was covered, next Saturday finished that Hamlet and 2 bottles of horse liniment. Stiff---its an understatement. Thanks also to the men of the Hamlet who helped direct the deliveries.

Far from least, thanks to the teenagers of the Hamlet, who worked like TROJANS slugging the fertilizer from the truck to the houses. YOU ARE A TERRIFIC GROUP OF YOUNG PEOPLE!

A final thank you to RITCHIES FEED and SEED for paying most of the cost of the truck especially to Newman Wylie who had to sit up with me for so many days(it seemed). At time of writing, those of you who have ordered 'Rose and Flower Doctor' haven't received it yet.. something about strikes at the plastic bag plant..?

By the time you read this I shall be in Tromsø in northern Norway and will not be accepting phone calls...and I've promised my family not to get involved with the community in such a big project again, at least not until the next time.

Thanks to you all!

Basil "Greener Thumb" Halhed

Good news and bad news!

On April 20th, Glass Recycling Day, approximately 40 tons of glass were collected from the residents of Gloucester Township- an increase of 28 tons from our first glass collection last October. Three six ton truckloads were picked up from our depot at Glen Ogilvie School alone. We have a lot of "merry-makers" here in the Hamlet! Thank you for contributing. My special thanks goes to those who volunteered their help at the depot, tirelessly sorting glass by colour and removing metal rings, and to the members of the Key Club of Colonel By High School, who had the most strenuous job of loading and unloading all that glass to and from the trucks. Thank-you all! Our second Glass Day was a resounding success!

Now, for the BAD NEWS!

NO money was received for our glass! All profits went into Kanata crushers' coffers. Township-that's us folks!--had to pay the cost of nine trucks and one driver per truck for their work. This was unnecessary in view of the amount of glass collected. However, this is hindsight. Foresight suggested that we bring the crusher and bins from Kanata and crush the glass ourselves. Thus, only two trucks and two men would have been required to haul the glass, increasing profits to township considerably. Council objected. Their reasons:

1. They didn't approve of the design of the crusher. The glass dust rising in the operation could be harmful to the operator.
2. There was no place available in North Gloucester at that time that would be secure from vandals while the crushing was in process.
3. Council felt that the amount of glass collected would not be enough to justify all that effort, as the October collection totalled only 12 tons.

Glass recycling can pay for itself. There will be no extra burden on the taxpayer. One ton of cull(crushed glass) can be sold for \$20.00. A collection of 20 tons is required to pay for each operation. We collected twice that amount in April.

With a permanent depot, you can bring in your glass at your convenience instead of turning your basement into a mini-depot!

The land and money for a glass recycling depot could be available to us in September if we show enough support. Council wants to know how many residents are in favor of a permanent depot in Gloucester Township. Please telephone your reeve, Robert W. MacQuarrie at 824-2412, and let him know that you are in favor of a permanent depot in Gloucester Township.

In the meantime, keep saving your glass for our next collection in October. PLEASE remove any foil and metal rings, especially on liquor bottles. One metal ring is enough to have a shipment rejected at the glass company. Suggestions would be appreciated from anyone who has any ideas on a better design for a glass crusher or any aspect of the glass crushing operation. Address your comments to Joyce Reddoch, 749-5363, Elizabeth Arvisais, 745-7381 or myself.

Remember, recycling can be habit forming. Make a friend an addict too!!

NIVEN'S WOODS CONSERVANCY-NEWS RELEASE

A public appeal for funds will be launched in June to try to save a natural and unique pocket of green caught in the path of expanding suburbia in northeast Gloucester township. The pocket of green is Niven's Woods, 22 acres of original cliff, swamp, meadow and forest cover stretching east from Blair Road near the Ottawa River, which is slated for residential development within the year. It is owned by A.B.R. Lawrence, MPP for Carleton.

Recognizing the potential of the woods as an all--season nature classroom for township school children, to say nothing of its quiet charm for older strollers, a committee of concerned citizens called the Niven's Woods Conservancy banded together on April 21 to make a concerted effort to purchase the woods for preservation as a natural park. Prior to this a brief detailing the quality of the woods with its distinctive ecological and geological features was prepared by the conservation committee of Gloucester Pollution Probe and distributed widely. Response to the brief from community associations, schools, Gloucester Council and many private citizens reflected sympathy, dismay and a growing awareness of the need for action.

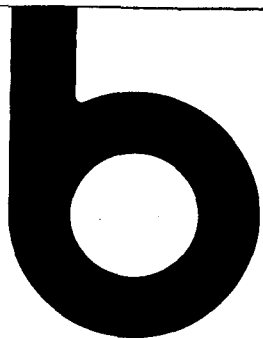

Niven's Woods is one of those increasing rarities in Canada today, a gem of diverse, natural landscape near a large urban centre. Conservancy president, Dr. Emilio Binavince, and chairman, Mrs. Mary Tollefson, both emphasize that the conservancy's only purpose is to try to keep the woods that way and that it is not a local backlash to development. The conservancy is part of the wider alarm being felt throughout the country over the loss to the public of areas like Niven's Woods.

Niven's Woods Conservancy has the backing of the Nature Conservancy of Canada which has agreed to act as collection centre for and administrator of funds received for the project. The local committee will be seeking financial support on a broad basis but will concentrate its public appeal in Gloucester township. Contributions will be tax-deductible.

BROWNIES & GUIDES

BROWNIES AND GUIDES

46th Ottawa Pack-- Our "Cookie Princess", Suzette Nombourquette, represented us at the District Contest. Valerie Stephens was responsible for the Cookie Poster. Thanks to both girls.

On May 4th we were out in force for Cookie Day and wish to extend our appreciation to those parents who gave up their Saturday morning to drive our Brownies. Special thanks to Lorry Kelly and Barbara Cardinal who turned out again the following Friday for an extra Cookie Route.

On May 8th Constable Carriere of Gloucester Police visited our Pack and gave a most informative and enjoyable talk on all aspects of safety. His bicycle safety film was excellent and we appreciated his visit immensely.

May 15th was an enrollment night for six girls: Elizabeth Bryson, Beverley Davidson, Sharon Davidson, Janet Kemp and Michelle Peel. Golden Bars were presented to Barbara Cardinal, Lorry Kelly and Gayle Radburn. Nancy Black received her Secondar Stripe. Parents of our new Brownies attended and refreshments were served..

Many thanks to our excellent Packies, Patti and Carol for their considerable effort since we opened. They were presented with small gifts as a token of our appreciation.

Brownies is over until Fall but we'll see you at the Banquet and Revel in June. Have a nice summer.

180th Pack-- The second Tuesday in May was our final meeting of the year. The girls made necklaces for the "Revel Fun Day" which will be June 15th. On June 11th there will be a cookout at Brown Owl's home, providing the weather co-operates.

The 195th Brownie Pack held a joint "Fly Up" on May 7th with the 186th Pack. Cheryl and Tanya Fuoco were presented with their Brownie Wings while Lynn Galloway and Lorraine Lemyre walked up to the 186th Guide Company.

On May 14th a party was held in place of the regular Brownie meeting and gifts were presented to Cheryl and Tanya Fuoco, Andrea Klymass and Susan Rochette as going away presents.

The majority of our Brownies are looking forward to attending the Brownie Revel and to a camping weekend in early fall.

Brown Owl wishes to thank parents who during the year, performed various duties and were ready to volunteer their help whenever it was needed. Most of all, thanks to Mrs. Joan Ronan, Mrs. Terry Leeahy and Mrs. Vera Gillespie for coming to the Brownie meetings and ably assisting in the Brownie programme.

The 186th Guide Company joined two Brownie Packs for a "Fly Up" at the beginning of May. On the 21st of May the Guides decided to organize a fashion show and small concert especially for their mothers. It turned out to be a very enjoyable evening for everyone. From now until the end of June we hope to concentrate on outdoor badges and work if the weather permits. Congratulations to Krista Forester, Darlene Parsons, Joanne Galloway, Linda Boys, Judy Boys, Navtaj Jande, and Colleen MacKinnon for doing exceptionally well in their First Aid badge. A big thank you to all the Guides who turned out on several evenings to sell cookies and to Mrs. McGibbon who drove them round.

The 23rd Company took ten of their girls to the weather station at Uplands Airport on May 21st, and then to the A&W for rootbeer. The girls had lots of fun.

On May 27th Mrs. Winters was kind enough to spend the evening with the Company and 18 girls passed their Keep Fit badges.

BROWNIES AND GUIDE cont'd

Mrs. Hunt also attended the same meeting with the First Aid course results. Four girls passes the Red Cross badge and five the Yellow. Well done girls.

On Monday, June 3rd, we plan to visit the Humane Society and the Ponderosa on June 10th for the Mother and Daughter Banquet.

The 170th Company visited the weather station at the airport with 10 girls on May 15th. They enjoyed the talk given by the weatherman there and learned a lot about forecasting the weather. Unfortunately they still could do little about changing it and had two hikes rained out on two separate occasions later on in the month. Sorry girls but we will try again in the fall.

The winners of our "Cookie Queen " Contest were Jennifer Campbell, 170th Company and Patricia Kell, 23rd Pack. Each representative in the Contest was awarded a small prize and the winners special ones. Congratulations girls!

Again we are asking for volunteers to help with Guides and Brownies. Our Monday night Guide Company is in serious trouble as it is losing both its Guiders to other jobs in Guiding. No training or experience is necessary as it can be provided on the job. Other Packs and Companies also need new leaders to replace several people transferring out of Ottawa. Please help us maintain the high standard of Guiding we have in this District and maintain enough Packs and Companies to meet our demand. Phone Joan Acheson at 824-5428 for more information.

If your girls wish to join Guides or Brownies call our Waiting List Convenor Jean Stymiest at 824-2462.

The Mother and Daughter Banquet for Guides and Brownies will be held at the Ponderosa Restaurants, Guides at St. Laurent and Brownies at Montreal Rd. Have a good time and Bon Appetit.

"BLACKBURN HAMLET BEAVERS, CUBS AND SCOUTS"

Beavers: The Beaver registration was a tremendous success. While it was planned to get this relatively new programme off the ground by forming two "colonies" of 24 boys each, the interest was so high that three colonies and 75 boys are now in the programme. This would not have been possible without the very generous support offered by 13 parents. Many thanks - and who said the Blackburn Community spirit was dead?

Currently "A" and "B" colonies meet every Thursday in the Emily Carr School from 6:00 to 7:30 P.M. "C" Colony meets every Tuesday in the same time frame at the Blackburn Public School. "Good Luck Beavers".

Cub Camp-Out: Unfortunately the weather did not cooperate - the cub participation in the Cumberland Cub-A-Ree had to be cancelled. In view of this and the fact that suitable cub camp-out facilities are unavailable this Spring, an attempt will be made to organize a "Monster" cub camp-out at Camp Opemikon for the latter part of September or early October.

Bottle Drive: By the time this is in print, the June 1, 1974 bottle drive will be history. Thanks for your support.

Camp Opemikon Visit: The official opening of the new dining hall at Camp Opemikon is scheduled for June 23, 1974. You are invited to visit the camp. The Regional Ladies Auxiliaries of the National Capital Region will be operating a canteen and the usual goodies will be available at reasonable prices.

Parents who are thinking of sending their boys to the Summer Cub or Scout camps might take advantage of this opportunity to visit the excellent facilities available at Camp Opemikon. The directions are straightforward. It is about 80 miles west of Ottawa. Take Highway No. 7, turn left on to Bob's Lake Road just past Perth for about 5 miles - turn left at the "T" intersection and it is about 2 miles into the camp. Confused? Why not pick up a map at one of the tourist bureaus on Highway No. 7.

FAMILY ENRICHMENT PROGRAMME

"There is no such thing as a bad child"
Dr. Rudolf Dreikurs

Starting in early September 1974, Parent Education study groups will be available in the eastern section of the Ottawa Carleton region. These groups will study the principles of child-raising as developed by D.R. Dreikurs and Dr. T. Gordon. These contemporary methods allow us to improve our parenting skills and to gain more enjoyment from parenthood. The content of the course includes relationship building, communicating skills, the origin and correction of problem behaviour and conflict solving. These groups are purely educational and include lectures, demonstrations and discussions and are led by a qualified leader.

Registrations are being accepted now and interested parents may phone ANN BERNARD (746-2397) or WILF OBERTHIER (746-8125) for further information and a Course Study Outline.

"Parents are blamed-not trained."
Dr. Thomas Gordon.

GLEN OGILVIE PUBLIC SCHOOL

New Kindergarten Students Visit Glen Ogilvie

As promised at registration time, the children who will be our kindergarten pupils in September will have an opportunity to visit the school this June.

The fact that we have registered nearly one hundred for the French Immersion kindergarten complicates the problem and puts a heavy load on Mme. Kodsi. Nevertheless the following plan has been devised:

1. We shall invite about eight students at a time to visit the class while it is in session.
2. The visiting hours will be 9:00 to 9:45 a.m. or 1:00 to 1:45 p.m.
3. The visiting dates will be June 10,12,13,17,18 and 19 for Mme. Kodsi and June 10,12 and 13 for Mrs. Davis.
4. It will be the responsibility of the parents to deliver and pick up the children on time.
5. To avoid great confusion at the school, we shall draw up the visitors' list and extend the invitations for specific dates and times. The times will not necessarily be indicators of the session which your child will attend in September.

We hope that these visits will serve as a positive introduction to the school environment.

Grade One French Immersion Students

These students have participated in a "Concours d'Art Dramatique" organized by the Carleton Board of Education.

They presented the story of a little rooster who wanted to discover the world. It was an adaptation of the story "Bon Voyage Petit Coq" by Fernand Nathan. The children have made their costumes with paint, dye, papier mache, even knitting a cat tail.

The children have enjoyed performing in front of students, parents and a panel of judges. Should they be chosen winners in the competition, they will be presenting their play on a special evening.

Special thanks are due to the librarian Mrs. Durrel, and teachers Mrs. L. Brown, Mrs. C. Nicholas, Mrs. D. Sceley and Mrs. P. Mitchell for their co-operation.

Two volunteer mothers Mrs. E. Beiersdorfer and Mrs. A. Hindle were on hand for all the practices and the presentation.

Track and Field

Glen Ogilvie students will be participating in the Annual Eastern Area Track and Field competition held at Gloucester High School on June 4, 1974. They will be competing against nine area schools in three different age categories: Junior C--ten years old and under; Junior B--eleven years old and Junior A--twelve years old. Over fifty competitors will be involved in long jump, high jump, ball throw and a variety of races.

Play Day! Play Day! Play Day!

Our students will participate in a playday on June 11th from 9:15 a.m. to 3:15 p.m. An alternate date of June 13 has been set aside in case the unpredictable weather continues. Co-ordinating the events are Mrs. R. Hamelin, Mr. B. Thompson and Mr. B. Lieff. We are still hoping for more parental help with the events. Through the initiative and co-operation of teachers and parents the pupils should benefit from an eventful day.

Do the pupils enjoy playdays? Here are a few pupils who are eagerly anticipating this year's playday.

Glen Ogilvie News cont'd

Linda Thomas: "It's fun to play games with everyone else in the school."
Colin Douglas: "Parce que je ne travaillerai pas en classe."
Ricky Davis: "J'aime ça parce que c'est fun."
Jane Keyes: "J'aime ça parce que Mme. Kodosi donne des popsicles."
Stuart Thom: "I like to play the games."
Alex Ilchenko: "It's good for my health and its educational because you learn new sports."
Brian Muir: "I like to see how well I am at certain events."
Jennifer Grover: "It's a change from working in school all day."
Carolyn McRae: "I like to compete and see what I'm good at."
Carol Lewis: "I like to do it because if I win I get a prize, and if I don't win I have fun trying."
Colin Cooke: "There are always games that I like."
Cathy Hollas: "It's fun to exercise with everyone else."
Deidre Protheroe: "It's great."

School Closing

In common with all other Carleton and Ottawa schools, Glen Ogilvie will close for the students on June 25. Teachers will continue to work, finishing up the administria of the year end and preparing to receive the new classes in the fall.

Our doors will reopen for the students on September 4.

COLONEL BY

The biggest event held last month by Colonel By was the yearly Spring Prom. Approximately 80 couples attended the dance which was held at the Burnside Building at Slater and O'Connor. Long dresses and suits and ties were seen dancing to the music of OCTAVIAN from 8:00 till 1:00 a.m. Candles set up by the Dance Committee contributed to the atmosphere and were enjoyed by everyone.

Elections for Head Boy and Head Girl were also held last month and Colonel By wishes to congratulate Pam Meiklejohn and Rick Schrier who now carry the above titles. With the coming of the new Students Council, Colonel By must say farewell to the old. Many thanks are extended to the Students Council of this year for their excellent work. Debbie Crawford, as Head Girl has enabled Colonel By to move actively along all year. Thanks again to this year's Students Council and Good Luck to Pam and Rick in their duty as student administrators.

The everlasting Grade 13's organized yet another pub that took place on June 24th. The pub was held at Navan Community Centre, which is by now a second home to most of us. This is not the last pub. Colonel By is sponsoring another on June 19, so come on out and join us.

Toby Foss is providing the music for our last dance on June 7th. Tickets are \$1.00 and for those students who wish to end the year off right, come on out and give your support!

TENNIS NEWS

Over 100 families attended the "Tennis Court" Meeting. That's a lot of interest! A Tennis Committee is in the process of being organized. All those interested in working on this committee please contact, LAWRENCE ZINMAN at 824-5890.

THE LATEST DATE FOR THE COMPLETION OF THE COURTS HAS BEEN SET FOR THE END OF AUGUST.

TENNIS VIEWS

In the May issue of the BANAR, there was a comment made in the report on the Board's activities on the proposal made by the Tennis Court committee, which in my view does not represent an accurate picture of what has occurred and may suggest that the committee took a rather narrow view of the matter. Such is not the case. As a member of the Board and as an officer of the Association, I felt I should comment on this so that there is no misunderstanding.

It is obvious that the facilities to be placed in Bearbrook Park have to be operated after they are installed, and operated efficiently. We cannot be so naive as to expect divine action in this area but rather we must plan to ensure that the facilities are so operated, which the Gloucester Recreation will require. To this end, the Tennis Committee came up with a proposal.

The proposal was that a tennis committee should be formed which would be a sub-committee of the Sports Committee of the Community Association, and thus would operate under its umbrella. This would be the same as any of our activities. Those interested would pay an annual fee, and this would ensure that the Courts would be maintained, and repaired when that becomes necessary, and it will become necessary. It was originally understood that the users would bear the cost of this maintenance and upkeep. As well this will ensure that there is a tennis program which will enable those children and adults who want advice and training to obtain it. We want players to have an opportunity to develop, so that they can learn the game and enjoy it.

The Community Association has agreed to undertake this particular program, not as a club, but as part of the general scope of activities. Obviously those who pay the annual fee will obtain some preference but I do not see anything unusual, or wrong, in that approach.

In this community, we have been fortunate that we have been able to harness the energies of those who have interests or knowledge in particular areas. The members of the Tennis Committee of the Board deserve credit for their efforts, as do the other committees operating there-under. I hope that they will continue with the same enthusiasm.

Water World

The Gloucester Swim Club was well represented at a long course Development Meet at the University of Ottawa 50 metre pool on May 25th. While most of our training programs and meets are carried out in short course (25 metre pools) participating in long course meets is valuable experience for all swimmers. All Olympic events, for example, are long course.

Swimmers from the Hamlet in the 11-12 age group swam well. Lisa Zbitnew placed first in 100 backstroke and second in butterfly. Brian Johnson took a third in freestyle and fourth in backstroke. Janet Costar swam to a second place in backstroke.

In the 13-14 age grouping, Jill Lever had a first in freestyle and a fourth in breaststroke. Anne Zbitnew took a third in the breaststroke event.

In ten and under action, Bobby Johnson won two ribbons, a second in freestyle and sixth in backstroke. James Smith also placed in two events with a fourth in freestyle and sixth in backstroke.

The Gloucester Club will again be running a summer program for children interested in competitive swimming. Last summer's program was a resounding success and the swimmers who stayed with the club have made fantastic progress. Registration dates will be announced in the media so watch for this program.

Since this is the last issue of the Banar before the summer holidays I should like to thank the residents of the Hamlet for the support and interest they have shown in the Club. We are proud of our swimmers and it has been a pleasure for me to report each month on their accomplishments. All the best for a great summer!

- FOOTBALL -

A FOOTBALL TEAM consisting of 35 members, ages 9 to 12 (12 th birthday must be on or after November 15th, 1974) will be formed around mid-August. Each player will be properly equipped. The team will represent Blackburn Hamlet and will compete against other teams of the National Capital Region. For information contact JIM HUNTER 824-3697.

LETTERS TO THE EDITOR:

WHERE WERE YOUR KIDS LAST NIGHT?

The following letter was received by the BANAR. It was written obviously with great reluctance, the actions described therein should not have happened in any community--especially ours!

Dear Editor,

May 12, 1974

I would like you to publish this letter so that the community is aware that certain juveniles have done the following unpleasant things to us since March,

1. Raw eggs, on no less than three occasions have been thrown at our house, on the walls, windows and even the front door step,
2. Chinese food accompanied with an obscene note have been placed in our mail box,
3. Wrecking the mail box on several occasions,
4. Breaking up our snow fence and making crank telephone calls,
5. As recent as the 11th of May, a dwarf pear tree, just beginning to bloom, was snapped at the root and thrown into a neighbour's garden.

To our knowledge we have offended no one, and we feel these same juveniles, if not stopped from further acts of vandalism, will be capable of doing worse things to us and possibly to other households in the community.

Yours truly,

NAME WITHHELD BY EDITOR.

PLEASE! ANYONE WHO IS AWARE OF SUCH ACTIVITIES, PARTICULARLY IN THE PARKCREST COURT AREA, SEE TO IT THAT MISGUIDED INFANTS SUCH AS THESE KNOW WHAT PERSECUTION MEANS.

I find the following paragraph from the Gloucester Committee on young children to be quite offensive:

The PHDC programme should make it possible for a parent who needs to supplement his or her welfare income to become a Day Care Worker. Thus, rather than only be a user of PHDC, the working mother would be a day care mother to other children while being a real mother to her own. We suggest that she should receive payments for all children under her care and that she should be encouraged, if not forced, to enroll in courses supporting the programme. This suggestion gives her the opportunity to understand her child and learn more about the possibilities for change in so erosive and so negative- a life style.

Obviously, the proposal involves a choice by the Welfare parent to remain at work rather than to become a Day Care Worker.

This seems to indicate that a working mother isn't a "real" mother to her own unless she's a day care working mother.

Also the expression "if not forced" shouldn't be there at all as it indicates that force could be considered. Welfare need not be "erosive and negative" if used properly.

PARDON US , BUT WE ARE
.....CHANGING.....

.....HANDS

.....AGAIN

It's time again for the annual "Community Executive Shuffle" and the BANAR is no exception in this regard. We have just lost a terrific "Ms. Editor", but fortunately for Blackburn, the transition from BEAUTY to BEAST will be partially abated by the continuation of most of the 1973-74 staff for at least a little while.

The operation of the BANAR as a volunteer community service has to be one (expletive deleted) of an enterprise. A lot of hands get stuck in the pie-the reader, the contributor, the reporter, the advertiser, the printer, the distributor, etc. Your former editor alone, for an example, gave up over 39.33WWP (working without pay) days in the production of Blackburn's hot little black and white paperback. In the last 10 months approximately 1.516 tons of BANAR was printed. Laid end to end these little gems of wisdom would cover a distance equivalent to a trip to Shopper's City, plus or minus the length of a few TELE TRANSPOS. Consider next the B.U.D.S. (BANAR Undercover Distribution Service). Now that's a thankless job! Do you know who delivers your BANAR? If you don't get one regularly, perhaps YOU should be delivering it. Everybody wants to receive a BANAR, but who wants to deliver one? Of course, on one of those infrequent ideal days, sunny, temperature $72 \pm 3^{\circ}$ F., relative humidity about 65, wind speed 3mph, anyone will deliver a BANAR to a next door neighbor. But the B.U.D.S. deliver in any weather. They need new and more help (please, no roller skate or ski-do donations, just people). Last year the deliverers walked a combined distance equivalent to a trip from Blackburn to Biggar ,Sask. PLEASE give JEAN COPELAND a call if you can help-----824-2567.

With each issue we hope the quality of the BANAR production will improve to a state left by the preceding editor, SHERI DAVIDSON . Until such time, please bear with us. Finally, just a reminder that like any volunteer operation, the BANAR needs plenty of TLC(time, letters and contributions). So give us your support, your ideas for improvement, your letters and reports and maybe some of your time. DON'T BE SHY-CONTRIBUTE, YOU'LL LIKE IT!

See you in September.
