By printing time, the Blackburn Community Association 1974/75 Membership Drive will be well underway, and total Community support of this annual drive is the objective of each canvasser.

To new families in our area, here is a brief answer to the question, "What benefits does the \$4.00 per year family membership entitle a family to?"

- 1) Voting privileges for both husband and wife at association general meetings.
- 2) One third reduction in all Community sponsored sporting activities. Even if only one sporting activity is undertaken in a family the \$4.00 fee could be recovered.
- 3) The BANAR
- 4) Other Association activities which are of direct benefit to families living in the Community come about as a result of voluntary participation by members of the Community in such matters as: civic affairs, publicity, transportation, adult and youth activities, maintenance, etc.

Gloucester Swim Club

Maurice Lamontagne

Several Blackburn Hamlet swimmers made an important contribution to Gloucester Swim Club's impressive win in the season's first Eastern Ontario development meet at the Nepean Sportsplex on Nov. 3. The most outstanding girl and boy in the division were Lisa Zbitnew and Brian Johnson of the 11 and 12 age group. Lisa came away with 4 first place finishes (400m. free; 200m. free; 200m I.M.; 100m. back) and 2 second place ribbons (100m. free and 200m. back). Brian claimed 2nd place in 5 events (400m. free; 200m. back; 200m. free; 200m. I.M.; 100m. back). Jill Lever and Cameron Barber turned in good performances in the 13 and 14 age group. Cam's efforts included 3 2nd place finishes. In the senior category, Ann Zbitnew did well swimming all five of her events in the "A" division. Other fine efforts in the "A" division were turned in by David Swann (10 and under), and Janet Costar (11 and 12). In the B division, Bobby Johnson (10 and under) had 2 first place finishes. Elizabeth Perkin and Gerald Wiezenbach did not figure in the points standing but improved their times in many events.

All of these performances certainly bolstered the spirit of the team as the Gloucester club dominated the meet overall and firmly established itself as the no. 1 club in Eastern Ontario and the club to beat in the 1974-75 season. Look for more great things on the part of these young swimmers in all future issues of the BANAR as we jeeo yiy up to date on their progress in what should be the club's best year.

JEUNES AUTEURS DANS BLACKBURN HAMLET

5

As you probably know by the articles in all Ottawa newspapers, the Gloucester Library System held a "Write a Book" contest. I am pleased to announce that the children of Blackburn Hamlet really showed a surprising interest in this venture; out of 182 entries 88 came from the Blackburn branch. Our sincere congratulations to all the children who participated.

To all parents who encouraged their children, many thanks, without your enthusiasm and backing such a success would not have been possible.

The success of the contest held by the Ogilvie Road Branch last year prompted the Library Board to hold this contest throughout the four branches this year. Orleans Branch, Gloucester South Branch, Ogilvie Road Branch and Blackburn Branch. Once more it proves that with cooperation anything is possible.

Au mois d'octobre dernier, les bibliothèques de Gloucester organisèrent un concours "Créer un livre" Il me fait plaisir d'annoncer, qui sur un total de 182 inscriptions, 88 furent de la région desservie par la succursale de Blackburn Hamlet.

Je tiens à féliciter tous les participants et aussi tous les parents qui ont encouragé leurs enfants. Sans votre coopération et votre dévouement, il nous serait impossible de réaliser de si beaux projets.

Announcing SURVEY EXHIBITION NO.1 - Ottawa.

Visual Arts Ottawa, an organization of artists and supporters, will stage a major exhibition of art, opening on May 15, 1975 at the Hall of Commerce Building, Lansdowne Park, Ottawa. It will run for 6 weeks and will, for the first time, show the best painting, sculpture, graphics, photography, films and crafts by Ottawa Valley artists in a single exhibition. The purpose of the show is to acquaint the public with the quality and extent of creativity in the Ottawa region.

All creative persons in any field of the visual arts are invited to enter and entry forms will shortly be available at galleries, art schools and art stores. The final selection of work for the exhibition will be made by a panel of consultants, but in order to cover the widest possible area in search of creative talent, the organizers have set up a network of research committees across the region. Besides the display of art, there will be a program of activities, discussions, lectures, films and demonstrations running concurrently with the exhibition during the period of May 15 to June 28, 1975.

Visual Arts Ottawa was formed over a year ago to work for the establishment of a Visual Arts Centre serving the Ottawa area and to provide the region's artists with the opportunity of making a contribution to the life of their community. The Survey Exhibition is made possible by the assistance of the Canada Council, the Arts Council of Ontario, the City of Ottawa and by the voluntary work of artists and other members of the community interested in improving the climate for the visual arts in this region.

In order to achieve an all-inclusive participation of the community, the first week of the exhibition will be designated OTTAWA ARTS WEEK in the hope that all galleries and organizations with exhibition facilities will participate by showing the work of professional, semi-professional and amateur artists as well as student and children's art. Visual Arts Ottawa will act as co-ordinator for these exhibitions.

Organizers of Survey Exhibition No.1 intend to present art in a context that will facilitate involvement by the general public. The main theme of the show will be creativity in the community: the artist as part of society, not apart from it.

INFORMATION GLOUCESTER (741-0770) is the Township's independent community information and referral service, offered free of charge to all Gloucester residents. This non-political organization has been in operation for two years, and during this period has responded to several thousand requests for assistance. The Centre is a totally volunteer operation, open about 30 hours weekly, and utilizes a message recording device to supplement regular service. A 12 member board of directors, representing many areas and community organizations within Gloucester, set policy for a part-time staff of twenty, a volunteer scheduler and a full-time co-ordinator. Owing to the nature and scope of the centre's activities, there is always a need for additional volunteer staff.

In addition to answering enquiries concerning our community, programs and services, the Centre writes comprehensive information columns for several Gloucester community newspapers, administers various community noticeboards, acts as a distribution point for free government literature as well as that produced by citizen's groups, social agencies, etc., and acts also as a primary resource for Gloucester's own Skyline Cable 3 TV show which is shown every Monday and Wednesday at 6 p.m.

The service administers seventeen community "registries". An example would be someone requiring a local music teacher who would be "matched" with music teachers available. Others would include childcare services, local employment, lists of arts and crafts teachers, pollution probe, educational and recreational opportunities, etc. Due to the large volume of enquiries, people's needs are readily identifiable, and the Centre may assist other community groups by pointing out requirements. The Co-ordinator continually meets with community and regional representatives from many organizations with a view to channelling and obtaining helpful information which may assist in meeting these needs.

In October, 1974 Information Gloucester took part in a National conference sponsored by the Canadian Council on Urban and Regional Research. Information Gloucester acted as the Canadian representative of community information services of our type, along with representatives of Government services from as far away as Manitoba and British Columbia.

Early in the New Year, Information Gloucester will be moving it's present location in the Earl Armatrong Arena, to new quarters in the community centre, lower level of the district shopping centre now under construction on the corner of Ogilvie and LaVerendrye Drive, Beacon Hill North. The public who shop there will have an additional opportunity to visit the centre, enjoy a friendly cup of coffee in the lounge area, and browse. Provision for young children has been made.

Bytown Players

The Bytown Players, formerly the Gloucester Players, will hold auditions for their next play, The Prisoner of Second Avenue, a comedy by Neil Simon to be directed by Don Gollan, Monday, December 16th at 7:30p.m. in the Gloucester High School Auditorium. Parts are available for two men and four women. With any questions regarding auditions or if you are interested in working on the production end, please call 741-3520.

HEY!

Hot chocolate and candy bars will be sold at the NCC toboggan hill at Bearbrook and Montreal Roads Between 12a.m. and 4 p.m. every Sunday starting Dec. 15th. (provided snow co-operates)

Youth Badminton

In the past I have made several appeals for chaperones to help with the Youth Badminton- always on the clear understanding that anyone volunteering would be asked to work only one, repeat, only one evening. My last appeal was answered by one repeat, one parent. As things now stand I have enough chaperones to see the Badminton through January. If no further help is forthcoming, I shall then have to surrender our two evenings per week in the gymnasium and Badminton will be at an end for this year. I want to thank those parents who have helped me. It is interesting that many of them do not even have children using the service.

Gloucester Committee on Youth

9

A number of Gloucester residents have recently expressed concern (via Information Gloucester) over the multi-faceted question of youth and youth services in our Township. It has been suggested that there may be a need to establish a "Citizen's Committee on Youth", with a view to examining and defining the needs and problems of Gloucester young people, and in time, to determine how these needs may be met. A meeting has been tentatively scheduled for mid-January at which time all those concerned may join together to discuss this proposal, and hopefully, to establish the committee.

An invitation is extended to All interested persons, to contact the co-ordinator of Information Gloucester, at 745-5626, or leave a message at the Centre(741-0770). Further details will be provided.

Parents!

IT'S A FACT that democracy has taken over from authority in most households, and that few parents have caught up with the change. But parents can still be effective in this generation, and they can still enjoy bringing up their children. Tested, contemporary methods for raising and communicating with children are suggested by authors Rudolf Dreikurs and Thomas Gordon, whose texts form the basis of lecture and discussion sessions now available to parents in a growing number of communities. A second series begins in Beacon Hill in February and places are still available. Call course leaders Ann Bernard at 746--2397 or Wilf Obermier at 746-8125 for further information.

The 46th Ottawa Pack has "adopted" a family for Xmas, and one meeting was devoted to planning Christmas dinner for it, with each Brownie donating a small part and the Pack as a whole buying the turkey. The girls also decided to give toys and clothing (scarves, mitts etc.) to the children. Two craft nights have kept the pack busy and craft badges will soon be earned by all.

The 195th Brownie Pack held an enrolment for their new Brownie Lynda Conan, on Mon. Nov. 18th. Welcome to the Pack, Lynda. Mrs. Acheson, Deputy Commissioner was on hand for the occasion to award members of the Pack with their new Service Stars. Thanks go to the mothers who provided the cookies and squares and a very special thanks to Mrs. Oldfield and Mrs. Ewing who came out to serve the refreshments to the girls and their parents after the ceremony. This Pack is also welcoming three new Tawny Owls, Miss Denise Charette, Mrs. Sue Elwood and Miss Linda Pollex. Thanks for coming forward and offering your help ladies. It is much needed and appreciated.

The Blackburn District is pleased to announce that a new Brownie Pack, the 202nd, has been opened. Registration of twenty-six new girls took place on Nov. 5th. This new group has shortened considerably the waiting list for Brownies and is due to three volunteers, Mrs. Gail Salmon, Brown Owl; Mrs. Barb McLeod and Mrs. Marg Gibbons, Tawny Owls. The first meeting took place at Emily Carr School on Tues. Nov. 12th. Welcome to the District and good luck to you all.

The 186th Guide Company had an enjoyable Mexican night on October 29th. Dressing up in costumes of this country they made a Mexican craft and listened to Mrs. Stronach who gave them an interesting talk and slide show about "our Cabana". A big thank you to Mrs. Stronach and another to Mrs. Jean Murata who kindly came along to our meetings to instruct a number of guides on First Aid. Earlier in the month, 10 guides visited the Fire Station and passed their Fire Brigade badge. The last few weeks the girls have been busy learning different knots, passing their tenderfoot test, and five older guides have been busy studying their Conservation badge. The latter five visited the Marshall's farm as part of their study. They would like to thank the Marshalls for their help to them.

In October the 23rd Co, took part in an afternoon of trailing at Woodburn's farm. They would like to thank Mr. Woodburn for allowing them to use his property. Everyone enjoyed the outing.

The Company also held a Hallowe'en Party which the girls planned themselves. They invited the Brownies from the 186th Pack and a prize was awarded for the best costume. If your daughter wishes to join Guides or Brownies, please phone our waiting list convenor, Jean Stymiest at 824-2462.

Soirée Bavaroise: Le 16 novembre, plus de 130 personnes se réunissaient dans le gymnase de l'école Ste-Marie pour mieux se connaître et s'amuser tout en rencontrant les professeurs de nos enfants. Cette soirée fut un grand succès.

Nous remercions M. Marcel Campeau, le responsable de cette soirée et les autres membres de l'A.P.I. pour leur dévouement.

Bravo! Bravo! Bravo! - Nos équipes de ballon-captif nous ont vraiment fait honneur le 16 novembre dernier. En effet les garçons et les filles remportaient une médaille d'argent et une de bronze respectivement.

Merci aux parents de ces élèves qui ont tous collaboré avec nous, surtout en supportant l'excitation de leurs enfants. Merci à Mlle Marcelle Girouard et à M. David Warnock qui ont si bien préparé les élèves pour cet évènement. Comme récompense la direction leur a payé un dîner chez McDonald.

Pièce de théâtre: Les élèves de 4e, 5e et 6e assistaient à la pièce de théâtre "La poubelle à Pimpin" présentée par le C.N.A. La réponse des parents à cette initiative culturelle fut un franc succès. Un grand merci à tous.

A l'occasion de Noël: Plusieurs groupes d'élèves sont allés de leurs multiples talents pour divertir les vieillards des foyers de retraités à l'occasion de la Noël. En effet l'école Ste-Marie est toujours là.

A l'occasion de Noël et du Nouvel An, je désire exprimer mes vœux les plus sincères à vous tous parents et amis. Je prie le Seigneur et lui demande de distribuer sur nous les lumières de sagesse nécessaires à l'accomplissement de notre tâche d'éducateur. Dans une confiance mutuelle de tout instant nous atteindrons l'idéal que nous nous sommes fixés pour nos enfants.

Joyeux Noël et Bonne Année.

ÉCHOS DE SAINT-CLAUDE

PIERRETTE BERGERON
824-1483

Le comité de Liturgie désire continuer cette année l'animation du début de la messe de 11 heures, en regroupant les jeunes à part. Le Groupe I: les jeunes de 6e, 7e et 8e années. Le Groupe II: les jeunes de 3e, 4e et 5e années.

Les responsables du Groupe des Grands (6e, 7e et 8e) sont: M. Wilbrod Leclerc, M. Marcel Campeau, Mme Albertine Godbout, M. Roger Levasseur, M. Yves LeGal, M. Wilfrid Ranger, M. Robert Dupont et M. Raymond St-Jacques.

Les responsables du Groupe des plus jeunes (3e, 4e et 5e) sont: M. Réjean Béchamp, Mme Suzanne St-Jacques, Mme Céline Beaudette, Mme Claire Fournier, Mme Lucie Deschamps, Mme Francine Adolfs et moi-même.

Les Jeunes et la Liturgie: Merci au groupe de jeunes du secondaire qui ont accepté de se perfectionner en liturgie et de s'occuper de l'animation de la messe du samedi soir. Merci au Père Luc Dion pour le temps qu'il donne à ces jeunes malgré ses études assez astreignantes. Je vous donnerai plus tard les noms de ces jeunes courageux.

La chorale s'est choisi une Présidente: Félicitations à Mme Claudette Vermette, première présidente de la Chorale Saint-Claude de Blackburn. Sous l'habile direction du Docteur Gilles Julien depuis un an, la chorale possède un très beau répertoire. Elle chantât le 11 décembre pour les personnes âgées qui résident au Foyer Saint-Louis à Orléans. Elle reçut aussi une seconde invitation du centre de correction situé sur le chemin Innes. Les membres de la communauté St. Claude pourront entendre un très beau concert à la messe de Minuit. Je répète mon appel pour des nouveaux membres, surtout des voix de femmes!

Comité des Loisirs: Merci au Président Guy Forget et à ses membres pour la belle Fête de Noël qui se déroulait à l'école Ste-Marie l'après midi du 15 décembre. Les enfants s'amuserent follement à regarder des dessins animés et surtout à recevoir toutes sortes de friandises des mains du bon Père Noël!

Réservez votre fin de semaine du 25 janvier quand le Carnaval de St-Claude sera clôturé par une danse et le 26 par notre fameux souper de fèves au lard.

Garderie durant la messe de 11 heures: Chaque dimanche durant la messe de onze heures vous pouvez en toute tranquillité confier vos petits aux soins de M. et Mme Claude Thibault et de Mme André Despatis. Le local se trouve dans l'ancienne partie de l'école, la classe à gauche. Cependant le comité d'accueil qui a mis sur pied ce service demande d'autres mamans volontaires et aussi l'aide de jeunes filles de la paroisse. Celles qui sont intéressées sont priées d'appeler Mme Pauline Dépatis à 824-3366. Les personnes qui pourraient disposer d'un certain nombre de jouets devenus inutiles à la maison sont priées des'adresser à Mme Lise Thibault à 824-3211.

Une Ronde de Jeannettes (Brownies): Si tu as 9 ans et désire devenir "Jeannette" appelle la Cheftaine, Mme Monique Proulx à 824-6354. Félicitations à Mme Claudette Forget qui est assistante pour les "Jeannettes" depuis le mois de septembre.

Avec la fin de novembre la famille Paul Renaud nous a quittés pour aller vivre à Wendover dans leur nouvelle maison. Merci à cette famille qui était là dès la fondation de la Mission St-Claude et qui fut très généreuse envers leur paroisse.

Est devenue enfant de Dieu Marie Françoise Julie, fille de Roger Fortin et de Lucille Blondin de la rue Tauvette. Julie est née le 23 octobre dernier et fut baptisée le 17 novembre.

Bienvenue à des Nouveaux Paroissiens: M. et Mme Frédérick Dompierre de la rue Northpark. Je leur souhaite un agréable et long séjour dans notre communauté.

NOEL

Deux classes de gens seulement ont découvert l'Enfant: les bergers et les Mages; ceux qui savent qu'ils ne savent rien et ceux qui savent qu'ils ne savent pas tout.

Ces paroles du célèbre Mgr. Sheen nous invitent à l'humilité. Si nous ne voulons pas que Noël soit pour nous une simple festivité épidermique, il nous faut nous plonger dans l'esprit de cette nuit entre les nuits, toute faite de simplicité, de tendresse et de pauvreté intérieure.

Frères croyants que ce Noël 1974 nous rendent tous à notre nudité native. Débarassons-nous de tout le clinquant derrière lequel nous cherchons à masquer notre indigence essentielle. Dieu n'accueille que les coeurs dépouillés et vulnérables.

Père François, curé

Au nom du Comité d'accueil et de Communications, je souhaite à tous un Joyeux Noël, une Bonne Année et la réalisation de vos désirs les plus chers en 1975.

I WOULD LIKE TO THANK ALL OF YOU WHO
VOTED FOR ME IN THE ELECTION FOR THE
CARLETON BOARD OF EDUCATION ON DECEMBER 2.

xxxxxxxxxxxxxxxxxxxxxxxxxxxx

I WOULD ALSO LIKE TO THANK THOSE WHO HELPED IN
MY CAMPAIGN. MORE THANKS DO NOT ADEQUATELY EXPRESS
MY APPRECIATION FOR THE SUPPORT THAT I RECEIVED.

I'm always glad to hear that people read my column in the BANAR. Unfortunately last month my article misled a few people when I mentioned in passing that the ratepayers meeting was on Dec. 5. This of course was not the case: it was held Dec. 4 as identified in the official ratepayer notification of the meeting. After the BANAR came out, the Board put up additional signs at Joe's, Mac's Milk and on the Shell service station bulletin board, to counter my BANAR article. To those ratepayers who didn't get the date correct and wanted to hear and possibly speak to the proposals, my sincerest apologies. For those who didn't make the meeting I'm sure you will be glad to hear that Board's 1974 Report was accepted and the following 1975 proposals were approved by a large majority of ratepayers present.

CHRISTMAS MESSAGE

In the wishes we extend to each other in the Christmas season, we find a common denominator: we wish each other well. Although we may differ concerning the content of that well being and the base from which we express our best wishes, the Christmas option consists in the suggestion that both the content and base of our well-wishing are to be found in Jesus of Nazareth. He is God's hint to us that authentic human-ness is possible in us.

While on our own we are capable of war, hatred, exploitation and slavery, in Jesus, God suggests that our real potential lies in peace, love, justice and freedom. It has worked in Jesus; that is the reason why he is claimed as the Light. It is my wish that those who read these few lines may grow in greater human-ness. In the power of Jesus, we are capable of a human-ness that becomes transparent of the divine.

Wm. Marreeve, S.C.J.

St. Mary the Virgin News

The Advent Event held in early December was a great boost for our families and the teachers of the Church School were thanked for the effort.

Our Congregation is in the middle of an Advent Visitation, with the hope that our people will give good support to the work of the local church and the Mission of the Church beyond ourselves. The great messages of the Christmas season always seem to reach even the most secular person over the Christmas high days, just as Mr. Scrooge was touched by the Spirit of Christmas. There is always a joy that we hope for, but then is missed because of some unexpected or tragic event. Christmas season can be a time for our own renewal to respond to the need to share the JOY and PEACE of Christmas with others. A private and selfish series of acts to make Christmas insulated, is for the Christian, an unacceptable condition. That is why so much emphasis in the Church is to let a part of the local Christmas spirit get away and to reach out to others around us, or far away. You see, Christmas is Part of the Good News, and that's no secret. Merry Christmas to all our neighbours.
