

We Who Are About To

Tommie Shelby

We Who Are About To . . . Joanna Russ, 2018-05-08 One woman resists the demands of her fellow stranded survivors on an inhospitable planet in this “elegant and electric . . . tour-de-force” (Samuel R. Delany). In this stunning and boldly imagined novel, an explosion leaves the passengers of a starship marooned on a barren alien planet. Despite only a slim chance for survival, most of the strangers are determined to colonize their new home. But the civilization they hoped for rapidly descends into a harsh microcosm of a male-dominated society, with the females in the group relegated to the subservient position of baby-makers. One holdout wants to accept her fate realistically and prepare for death. But her desperate fellow survivors have no intention of honoring her individual right to choose. They’re prepared to force her to submit to their plan for reproduction—which will prove to be a grave mistake . . . In Hugo and Nebula Award-winning author Joanna Russ’s trailblazing body of work, “her genius flows and convinces, shames and alarms” (The Washington Post).

Those About to Die Daniel Mannix, 2014-01-13 Thousands flocked to see gladiators, charioteers, wild animals, women and children hacked, crucified, torn to pieces, ravished, burned, and drown. Biographies, paintings, historical evidence and an author's imagination merge to tell the story of one of history's most ruthless exhibitions—the Roman games.

Britannia: We Who Are About to Die #1 Peter Milligan, 2017-04-26 Valiant’s critically acclaimed, 10-time sold-out magnum opus returns with a brand-new journey into myth and mystery, from comics master Peter Milligan (Shade, The Changing Man) and incendiary artist Juan Jos? Ryp (Britannia)! Fifty thousand Romans stand on their feet, watching from the stands of the coliseum with captured breath as Achillia, a gladiator unlike any seen before, faces incredible odds as one lone warrior against five of the empire’s greatest. Such is the tradition, when a female combatant enters the fray. When the carnage is complete, the crowd roars its approval as Achillia stands victorious. Now only one match away from winning her freedom, she has begun to gain renown. The women of Rome, suppressed by their husbands and fathers, have noticed. The men, husbands and fathers to a growing horde of women entertaining ideas of independence, have noticed as well. On the other side of the city, a strange mystery swirls through the Palatine Hill. In the dead of night, down winding alleys, the elite swear that they see visions of a blood-soaked Apollo walking the city’s visions that are driving them mad. Even more are becoming sick with weird fever god-dreams. Panic spreads. The Chief Vestal, Rubria, is found guilty in the eyes of Emperor Nero and threatened with crucifixion unless the deadly curse is lifted. She asks Antonius Axia, hero of Britannia and Rome’s

only detective, for help. She offers only one clue—the gladiator Achillia.

Britannia: We Who Are About to Die #3 Peter Milligan, 2017-06-21 Wrath of the gods! The women of Rome march to rebellion! Magic and mystery continue to intertwine as the clock ticks down to Rubria's final hours. Will Antonius Axia and his mysterious new partner—the brutal female gladiator known as Achillia—untangle the knots that threaten to hang the Roman Empire—or will Nero finally obtain the dark power he lusted for? As the beaten ghost of Apollo finally rises to cast his dark judgment on all of Rome, history's first detective must act swiftly before humanity's final hours slip into madness!

Top Five Regrets of the Dying Bronnie Ware, 2019-08-13 Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

We Who Are about to Die Keith Giffen, 2010 Former teammates return to drag the Doom Patrol down into their graves. In the face of absolute horror, can any death wish survive?

The Female Man Joanna Russ, 2018-05-08 Four alternate selves from radically different realities come together in this “dazzling” and “trailblazing work” (The Washington Post). Widely acknowledged as Joanna Russ's masterpiece, *The Female Man* is the suspenseful, surprising, darkly witty, and boldly subversive chronicle of what happens when Jeannine, Janet, Joanna, and Jael—all living in parallel worlds—meet. Librarian Jeannine is waiting for marriage in a past where the Depression never ended, Janet lives on a utopian Earth with an all-female population, Joanna is a feminist in the 1970s, and Jael is a warrior with claws and teeth on an Earth where male and female societies are at war with each other. When the four women begin traveling to one another's worlds, their preconceptions on gender and identity are forever challenged. With “palpable anger . . . leavened by wit and humor” (The New York Times), Russ both employs and upends genre conventions to deliver a wickedly satiric and exhilarating version of when worlds collide and women get woke. This ebook includes the

Nebula Award-winning bonus short story “When It Changed,” set in the world of *The Female Man*.

The Masque of Pandora Henry Wadsworth Longfellow, 1875

They Both Die at the End Adam Silvera, 2017-09-05 Adam Silvera reminds us that there’s no life without death and no love without loss in this devastating yet uplifting story about two people whose lives change over the course of one unforgettable day. #1 New York Times bestseller * 4 starred reviews * A School Library Journal Best Book of the Year * A Kirkus Best Book of the Year * A Booklist Editors' Choice * A Bustle Best YA Novel * A Paste Magazine Best YA Book * A Book Riot Best Queer Book * A BuzzFeed Best YA Book of the Year * A BookPage Best YA Book of the Year On September 5, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: They’re going to die today. Mateo and Rufus are total strangers, but, for different reasons, they’re both looking to make a new friend on their End Day. The good news: There’s an app for that. It’s called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure—to live a lifetime in a single day. In the tradition of *Before I Fall* and *If I Stay*, *They Both Die at the End* is a tour de force from acclaimed author Adam Silvera, whose debut, *More Happy Than Not*, the New York Times called “profound.” Plus don’t miss *The First to Die at the End*: #1 New York Times bestselling author Adam Silvera returns to the universe of international phenomenon *They Both Die at the End* in this prequel. New star-crossed lovers are put to the test on the first day of Death-Cast’s fateful calls.

We Who Dared to Say No to War Murray Polner, Thomas E., Jr. Woods, 2008-09-09 A compelling collection of speeches, articles, poetry, book excerpts, political cartoons, and more from the American antiwar tradition beginning with the War of 1812 offers the full range of the subject's richness and variety, with contributions from Daniel Webster, Mark Twain, Andrew Carnegie, Patrick Buchanan, and many others. Original.

The Dead and Those about to Die John C. McManus, 2019-05-21 Provides a detailed, harrowing account of the D-Day assault on Omaha Beach from the perspective of the soldiers of the 1st Infantry Division as well as from the Gap Assault Team engineers who dealt with mines and other dangerous obstacles.

Britannia Volume 2: We Who Are about to Die Peter Milligan, 2017-09-26 Contains materials originally published in single magazine form as *Britannia: We who are about to die* #1-4--Copyright page.

We Who Are Dark Tommie Shelby, 2009-06-30 *We Who Are Dark* provides the first extended philosophical defense of black political solidarity. Tommie Shelby argues that we can reject a biological idea of race and agree with many criticisms of identity politics yet still view black political solidarity as a needed emancipatory tool. In developing his defense of black solidarity, he draws on the history of black political thought, focusing on the canonical figures of Martin R. Delany and W. E. B. Du Bois.

The Book of Skulls Robert Silverberg, 2018-05-08 How far will four friends go for immortality? This novel is Hugo and

Nebula Award-winning author “Robert Silverberg at his very best” (George R. R. Martin). After Eli, a scholarly college student, finds and translates an ancient manuscript called *The Book of Skulls*, he and his friends embark on a cross-country trip to Arizona in search of a legendary monastery where they hope to find the secret of immortality. On the journey with Eli, there’s Timothy, an upper-class WASP with a trust fund and a solid sense of entitlement; Ned, a cynical poet and alienated gay man; and Oliver, a Kansas farm boy who escaped his rural origins and now wants to escape death. If they can find the House of Skulls where immortal monks allegedly reside, they’ll undergo a rigorous initiation. But do those eight grinning skulls mean the joke will be on them? For a sacrifice will be required. Two must die so that two may live forever . . .

Stretching the boundary between science fiction and horror, Robert Silverberg masterfully probes deeper existential questions of morality, brotherhood, and self-determined destiny in what Harlan Ellison refers to as “one of my favorite nightmare novels.” This ebook features an illustrated biography of Robert Silverberg including rare images from the author’s personal collection.

And Chaos Died Joanna Russ,1970 An exploration of telepathy and clairvoyance by an Earthman marooned on an earth like planet populated by humans who have lost contact with the home world.

Clash! Hazel Rose Markus,Alana Conner,2013-05-02 “If you fear that cultural, political, and class differences are tearing America apart, read this important book.” —Jonathan Haidt, Ph.D., author of *The Righteous Mind* Who will rule in the twenty-first century: allegedly more disciplined Asians, or allegedly more creative Westerners? Can women rocket up the corporate ladder without knocking off the men? How can poor kids get ahead when schools favor the rich? As our planet gets smaller, cultural conflicts are becoming fiercer. Rather than lamenting our multicultural worlds, Hazel Rose Markus and Alana Conner reveal how we can leverage our differences to mend the rifts in our workplaces, schools, and relationships, as well as on the global stage. Provocative, witty, and painstakingly researched, *Clash!* not only explains who we are, it also envisions who we could become.

We Who Are Alive and Remain Marcus Brotherton,2009-05-05 From Marcus Brotherton, co-author of *Call of Duty*, comes a new collection of untold stories from the Band of Brothers. They were the men of the now-legendary Easy Company. After almost two years of hard training, they parachuted into Normandy on D-Day and, later, Operation Market Garden. They fought their way through Belgium, France, and Germany, survived overwhelming odds, liberated concentration camps, and drank a victory toast in April 1945 at Hitler's hideout in the Alps. Here, revealed for the first time, are stories of war, sacrifice, and courage as experienced by one of the most revered combat units in military history. In *We Who Are Alive and Remain*, twenty men who were there and are alive today—and the families of three deceased others—recount the horrors and the victories, the bonds they made, the tears and blood they shed...and the brothers they lost.

The Way of the Gladiator Daniel P. Mannix,2001-03-01 Hail Caesar, we who are about to die salute you! And die the

gladiators did. In a vast marble Colosseum larger than Yankee Stadium, the people of Rome, patrician and commoner, flocked to see gladiators mangled beneath the hoofs and wheels of horses and chariots, slaughtered by half-starved wild beasts, and butchered by well-armed and armored professionals. With the Empire in decline, death and torture became the only spectacles that satisfied the decadent Romans' longing. The Emperor Trajan gave one set of games that lasted 122 days; at its end, 11,000 people and 10,000 animals had been killed. The people of Rome loved it-and they wanted more.

This Chair Rocks Ashton Applewhite, 2019-03-05 "Wow. This book totally rocks. It arrived on a day when I was in deep confusion and sadness about my age. Everything about it, from my invisibility to my neck. Within four or five wise, passionate pages, I had found insight, illumination, and inspiration. I never use the word empower, but this book has empowered me." —Anne Lamott, New York Times bestselling author Author, activist, and TED speaker Ashton Applewhite has written a rousing manifesto calling for an end to discrimination and prejudice on the basis of age. In our youth obsessed culture, we're bombarded by media images and messages about the despairs and declines of our later years. Beauty and pharmaceutical companies work overtime to convince people to purchase products that will retain their youthful appearance and vitality. Wrinkles are embarrassing. Gray hair should be colored and bald heads covered with implants. Older minds and bodies are too frail to keep up with the pace of the modern working world and olders should just step aside for the new generation. Ashton Applewhite once held these beliefs too until she realized where this prejudice comes from and the damage it does. Lively, funny, and deeply researched, *This Chair Rocks* traces her journey from apprehensive boomer to pro-aging radical, and in the process debunks myth after myth about late life. Explaining the roots of ageism in history and how it divides and debases, Applewhite examines how ageist stereotypes cripple the way our brains and bodies function, looks at ageism in the workplace and the bedroom, exposes the cost of the all-American myth of independence, critiques the portrayal of elders as burdens to society, describes what an all-age-friendly world would look like, and offers a rousing call to action. It's time to create a world of age equality by making discrimination on the basis of age as unacceptable as any other kind of bias. Whether you're older or hoping to get there, this book will shake you by the shoulders, cheer you up, make you mad, and change the way you see the rest of your life. Age pride!

Revelation , 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Fuel your quest for knowledge with is thought-provoking masterpiece, **We Who Are About To** . This educational ebook, conveniently sized in PDF (PDF Size: *), is a gateway to personal growth and intellectual stimulation. Immerse yourself in
