So he is thrilled when he is chosen to join an American drama troupe traveling to London to perform A Midsummer Night's Dream in a new replica of the famous Globe theater. Shortly after arriving in England, Nat goes to bed ill and awakens transported back in time four hundred years -- to another London, and another production of A Midsummer Night's Dream. Amid the bustle and excitement of an Elizabethan theatrical production, Nat finds the warm, nurturing father figure missing from his life -- in none other than William Shakespeare himself. Does Nat have to remain trapped in the past forever, or give up the friendship he's so longed for in his own time?

Over Sea, Under Stone Susan Cooper,2012-03-06 Three siblings embark on an epic quest for a mythic grail in this first installment of Susan Cooper's epic and award-winning The Dark Is Rising Sequence, now with a brand-new look! All through time, the two great forces of Light and Dark have battled for control of the world. Now, after centuries of balance, the Dark is summoning its terrifying forces to rise once more...and three children find themselves caught in the conflict. The Drew siblings—Simon, Jane, and Barney—are on a family holiday in Cornwall when they discover an ancient map in the attic of the house they are sharing with their Great Uncle Merry. They know immediately that the map is special but have no way of knowing how much. For the map leads to a grail: a vital weapon for the Light's fight against evil. In taking on the quest to find the grail, the Drews will have to race against the sinister human beings who serve the dreadful power of the dark—an adventure that puts their own lives in grave peril.

Silver on the Tree Susan Cooper,2023-11-14 The six champions of the Light join forces at last to fight the Dark in this fifth and final installment of Susan Cooper's epic and award-winning The Dark Is Rising sequence, now with a brand-new

look! The last great battle between the Light and the Dark has arrived, engulfing Will Stanton; his ageless master, Merriman; the three heroic Drew children; and Bran, the Welsh boy whose destiny is tied to the Light. On a quest through time and space that touches the most ancient myths of the islands of Britain, the six heroes fight fear and death in the darkly brooding mountains of Wales. And in the haunting Lost Land, Will and Bran find dream and nightmare, but also achieve the final talisman against the Dark: the crystal sword. In the dreadful last moment when the Dark rises, all the servants of the Light join to combine the powers of the sword and the six ancient signs. But even with the Signs on their side, can Light prevail?

Ghost Hawk Susan Cooper,2013-08-27 A friendship between a young Native American and a colonial New England settler endangers them both in this “simply unforgettable” (Booklist, starred review) adventure story from Newbery Medalist Susan Cooper. On the winter day Little Hawk is sent into the woods alone, he can take only a bow and arrows, his handcrafted tomahawk, and the amazing metal knife his father traded for with the new white settlers. If Little Hawk survives three moons by himself, he will be a man. John Wakely is only ten when his father dies, but he has already experienced the warmth and friendship of the nearby tribes. Yet his fellow colonists aren’t as accepting of the native people. When he is apprenticed to a barrel-maker, John sees how quickly the relationships between settlers and natives are deteriorating. His friendship with Little Hawk will put both boys in grave danger. The intertwining stories of Little Hawk and John Wakely are a fascinating tale of friendship and an eye-opening look at the history of our nation. Newbery Medalist Susan Cooper also includes a timeline and an author’s note that discusses the historical context of this important and moving novel.

The Boggart Susan Cooper,2001-12-12 In a tumbledown castle in the Western Highlands of Scotland lives the Boggart. He is invisible -- an ancient mischievous spirit, solitary and sly, born of a magic as old as the rocks and the waves. He has lived in Castle Keep for centuries, playing tricks on the owners. But the last Scottish owner has died and left the castle to his great-nephew Robert Volnik of Toronto, Canada. The Volnik family -- including Emily and her nine-year-old computer genius brother Jessup -- visit Castle Keep, and when they return to Toronto, they unwittingly take the Boggart with them. The astonishments, delight, and horrors that invade their lives with the arrival of the Boggart fill this swiftly moving story. The collision of modern technology and the Old Magic brings perils nobody could have imagined -- and, in the end, an amazing and touching solution to the problem of the Boggart who has found himself on the wrong side of the ocean. Sometimes extremely funny, sometimes wildly scary,and always totally absorbing, this remarkable story -- brilliantly imagined and beautifully written -- marks the return of the Newbery Award winner Susan Cooper to the field of novels for young readers. An

outstanding achievement, *The Boggart* will work its special magic on all who read it.

Victory, commanded by Admiral Horatio Nelson. Repackaged with a new cover. By the Newbery Award-winning author of *The Dark is Rising*.

The Magician's Boy Susan Cooper,2010-05-11 Only a child can find the way to bring Saint George back to the play. The Boy works for the Magician, and he wants more than anything to learn magic. But the Magician always says, Not yet, Boy. Not till the time is right. So the Boy has to be content with polishing the Magician's wand, taking care of the rabbits the Magician pulls out of hats, and doing his favorite job: operating the puppets for the play Saint George and the Dragon, which the Magician always performs as part of his act. Until one day the Saint George puppet disappears, and the angry Magician hurls the Boy into the strange Land of Story to find Saint George. His quest is full of adventures with oddly familiar people, from the Old Woman Who Lived in a Shoe to the Giant at the top of Jack's beanstalk. But the Boy's last adventure is the most amazing of all -- and changes his life forever.

The Shortest Day Susan Cooper,2019-10-22 In this seasonal treasure, Newbery Medalist Susan Cooper's beloved poem heralds the winter solstice, illuminated by Caldecott Honoree Carson Ellis's strikingly resonant illustrations. So the shortest day came, and the year died . . . As the sun set on the shortest day of the year, early people would gather to prepare for the long night ahead. They built fires and lit candles. They played music, bringing their own light to the darkness, while wondering if the sun would ever rise again. Written for a theatrical production that has become a ritual in itself, Susan Cooper's poem *The Shortest Day* captures the magic behind the returning of the light, the yearning for traditions that connect us with generations that have gone before — and the hope for peace that we carry into the future. Richly illustrated by Carson Ellis with a universality that spans the centuries, this beautiful book evokes the joy and community found in the ongoing mystery of life when we celebrate light, thankfulness, and festivity at a time of rebirth. Welcome Yule!
