

The Oxford Dictionary Of Saints Second Edition

Jerome Kroll, Bernard Bachrach

The Oxford Dictionary of Saints, Fifth Edition Revised David Hugh Farmer, 2011-04-14 The renowned Oxford Dictionary of Saints returns in a revised and updated form, providing concise accounts of the lives, cults, and artistic associations of over 1,400 saints, from the famous to the obscure. Featuring new entries on recently canonized saints from around the world, and a new appendix on pilgrimages.

The Oxford Dictionary of Saints David Hugh Farmer, 1984

The Oxford Dictionary of Saints David Farmer, 1993

Dictionary of Saints John J. Delaney, 2005-03-15 The preeminent resource guide for more than twenty years, this one-of-a-kind book, now available in paperback, has been updated to include those recently canonized and beatified. Since its original publication in 1980, John J. Delaney's Dictionary of Saints (more than 200,000 copies sold) has become the leading reference book for the scholar and general reader alike. With more than five thousand biographies of the saints—from the well known to the obscure—this new edition brings to life the inspiring accomplishments of these men and women of God. The martyrs and the monks, the mystics and the virgins, the doctors and the peasants are all contained in this essential volume. To know the saints, how they thrived in their achievements, how they lived in destitution, is to meet a fascinating company of people whose actions have influenced and enriched the history of the world. Reset in an easy-to-use format, it contains substantial listings for the more popular saints, and thumbnail sketches for those less well known. From Aaron to Zosimus, this modern dictionary has been updated with the entries for the newly canonized, including Italian mystic Padre Pio, Mexican Nahuatl Juan Diego, Polish Franciscan Maximilian Kolbe, and Americans Katharine Drexel and Rose Philippine Duchesne. It also contains a complete listing of feast days, an index of patron saints, and several other useful appendixes.

The Oxford Dictionary of the Christian Church Andrew Louth, 2022-02-17 Uniquely authoritative and wide-ranging in its scope, The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church. It contains over 6,500 cross-referenced A-Z entries, and offers unrivalled coverage of all aspects of this vast and often complex subject, from theology; churches and denominations; patristic scholarship; and the bible; to the church calendar and its organization; popes; archbishops; other church leaders; saints; and mystics. In this new edition, great efforts have been made to increase and strengthen coverage of non-Anglican denominations (for example non-Western European

Christianity), as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe. In particular, there have been extensive additions with regards to the Christian Church in Asia, Africa, Latin America, North America, and Australasia. Significant updates have also been included on topics such as liturgy, Canon Law, recent international developments, non-Anglican missionary activity, and the increasingly important area of moral and pastoral theology, among many others. Since its first appearance in 1957, the ODCC has established itself as an essential resource for ordinands, clergy, and members of religious orders, and an invaluable tool for academics, teachers, and students of church history and theology, as well as for the general reader.

A Dictionary of Saints, 1996

Pocket Dictionary of Saints John J. Delaney, 2012-05-09 This specially abridged edition of the Dictionary of Saints is a readable, detailed compendium of the facts and fables, legends and lore of the saints venerated by the universal church-1,500 entries in all.

A New Dictionary of Saints Michael J. Walsh, 2007 2008 Catholic Press Association Award Winner! This magnificent new publication distinguishes itself from others by its comprehensiveness, and in its coverage of Eastern, as well as Western, saints. The book contains approximately 7,000 Saints and Blesseds. Entries are placed in alphabetical order according to name. Where there are numerous saints with the same name (for example John) these are now listed chronologically. The entries include date and place of birth and death as well as family background, education, activity for which the saint is remembered, and whether he/she is a patron saint. In order to be comprehensive, even possibly mythical saints are included 'Barbara, Christopher and Katherine of Alexandria, because their stories have been so important in art, literature and popular devotion. This is the most complete and accurate Dictionary of Saints available.

The Mystic Mind Jerome Kroll, Bernard Bachrach, 2006-06-01 A fascinating collaboration between a medieval historian and a professor of psychiatry, this enthralling book applies modern biological and psychological research findings to the lives of medieval mystics and ascetics. Drawing upon a database of over 1,400 medieval holy persons and in-depth studies of individual saints, this illuminating study examines the relationship between medieval mystical experiences, the religious practices of mortification; laceration of the flesh, sleep deprivation and extreme starvation, and how these actions produced altered states of consciousness and brain function in the heroic ascetics. Examining and disputing much contemporary writing about the political and gender motivations in the medieval quest for a closeness with God, this is essential reading for anyone with an interest in medieval religion or the effects of self-injurious behaviour on the mind.

The Oxford Dictionary of the Christian Church Frank Leslie Cross, 1993

The Penguin Dictionary of Saints Donald Attwater, Catherine Rachel John, 1996-07-01 This best-selling dictionary brilliantly reveals the lives and works of a host of fascinating individuals, from Biblical saints to those most recently

canonised. It is a worthy companion to any study of Biblical or Church history, and includes details of feast days and special patronage to aid personal devotion.

Visions in Late Medieval England Gwenfair Walters Adams,2007 This volume is the first to explore the breadth of vision types in late medieval English lay spirituality. Analyzing 1000+ accounts, it proposes that visions buttressed five core dynamics (relating to purgatory, saints, demons, sacramental faith, and the Church's authority).

Women in Pastoral Office Mary M. Schaefer,2013-11 Mary M. Schaefer examines the ninth-century church Santa Prassede and its foundation myth, as well as an ideal of balanced male-female relationships and women holding pastoral office in the church of Rome.

The Book of Saints Basil Watkins,2002 List of illustrations -- Introduction -- Abbreviations -- Saints: entries A - Z -- Bibliography -- List of Websites -- Glossary -- Lists of National Martyrs.

A Dictionary of Albanian Religion, Mythology, and Folk Culture Robert Elsie,2001 In some senses, Albania is a living museum of the past. Originally a small herding community in the most inaccessible reaches of the Balkans, the presence of Albanians in southeastern Europe has been documented for over a thousand years. Albanian traditional folk culture, which evolved over centuries of relative isolation, is surprisingly rich. Yet despite recent events this culture remains little known to the Western world. Due to the lasting effects of a half century of Stalinist dictatorship, very few individuals even in Albania know much about their own popular traditions. The Dictionary of Albanian Religion, Mythology, and Folk Culture makes available for the first time a wealth of knowledge about Albanian popular belief and folk customs. Alphabetical entries shed light on blood feuding, figures of Albanian mythology, religious beliefs, communities, and sects, calendar feasts and rituals, and popular superstitions, as well as birth, marriage, and funeral customs, and sexual mores. This unique volume will stand as the standard reference work on the subject for years to come.

Queen's Apprentice Joseph F. Patrouch,2010 This study seeks to examine a number of themes relating to the roles of the women's court of the central European Habsburgs. These include its role in helping consolidate their holdings in central Europe and the Holy Roman Empire and structure their relations with the rest of Europe.

The Complete Illustrated Encyclopedia of Saints Tessa Paul,2017-07-07 The broad-ranging introduction of this book unravels the myths that surround sainthood, explaining why pious heroism is described through legend and how relics signify the reality of the saints. Then, the second half of the book is an illustrated encyclopedia of over 500 saints, in chronological order from the Apostles to saints of the 20th century, encompassing saints from all over the world. The life and work of each saint is described. Far more than a dictionary of saints, this book explores the conditions of sainthood and tells the lives of the saints. It offers a comprehensive, modern approach to this fascinating subject.

On Royalty Jeremy Paxman,2008-07-31 The notable characteristic of the royal families of Europe is that they have so very

little of anything remotely resembling true power. Increasingly, they tend towards the condition of pipsqueak principalities like Liechtenstein and Monaco—fancy-dress fodder for magazines that survive by telling us things we did not need to know about people we have hardly heard of. How then have kings and queens come to exercise the mesmeric hold they have upon our imaginations? In *On Royalty* renowned BBC journalist Jeremy Paxman examines the role of the British monarchy in an age when divine right no longer prevails and governing powers fall to the country's elected leaders. With intelligence and humor, he scrutinizes every aspect of the monarchy and how it has related to politics, religion, the military and the law. He takes us inside Buckingham Palace and illuminates the lives of the monarchs, at once mundane, absurd and magical. What Desmond Morris did for apes, Paxman has done for these primus inter primates: the royal families. Gilded history, weird anthropology and surreal reportage of the royals up close combine in *On Royalty*, a brilliant investigation into how an ancient institution struggles for meaning in a modern country.

The Quest for the Celtic Key Karen Ralls-MacLeod, 2013-08-20 The Quest series from Luath Press continues with the quest for all things Celtic, an investigation into aspects of Celtic history that have previously been neglected or lost. The authors argue strongly that the evidence they have uncovered within folklore, legends, the guilds, and the oral traditions of secret societies in Scotland, link together with striking similarities. They further suggest that these links are not coincidence but the last visible threads of belief systems that have been at the center of the Scottish psyche for centuries. The Celtic Key makes sense of the underlying beliefs that have contributed to, motivated, and shaped a nation through the ages. **REVIEWS** A fascinating journey through the mystery and magic of Scotland's past...the authors describe the people, places and traditions -- Watkins Review, London, Winter 2002, Issue no. 4A refreshing look at Scotland's past...we are presented with such a wealth of information; well worth reading -- Dalriada, journal of Celtic heritage, Scotland, 2003A spellbinding step into the...world of ancient Caledonia and the people who laid the foundations of Scotland -- West Lothian Courier newspaper, 27 June 2002An enthralling and informative journey through time which deserves a place on every Scottish bookshelf...their sources are well documented -- Scots magazine, Vol 158 No.2, 2003Without resorting to colourful conjecture...it nevertheless adds its own voice to the enduring mysteries of Scotland's Celtic heritage -- Historic Scotland magazine, Winter 2002-3 issue
Anglo-Norman Studies XII Marjorie Chibnall, 1990 Proceedings of the Battle Conference 1989

The Oxford Dictionary Of Saints Second Edition Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Oxford Dictionary Of Saints Second Edition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Oxford Dictionary Of Saints Second Edition has opened up a world of possibilities. Downloading The Oxford Dictionary Of Saints Second Edition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Oxford Dictionary Of Saints Second

Edition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Oxford Dictionary Of Saints Second Edition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Oxford Dictionary Of Saints Second Edition. Some websites

may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Oxford Dictionary Of Saints Second Edition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Oxford Dictionary Of Saints Second Edition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Oxford Dictionary Of Saints Second Edition Books

1. Where can I buy The Oxford Dictionary Of Saints Second Edition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
