Butterfly Sisters Jenny Hale,2022-02-22 “When emerging from its cocoon, a butterfly needs the struggle to push the fluid from its body into its wings. So essentially, without the struggle, it never flies.” From the USA Today bestselling author of *The Beach House* comes a story about family bonds, second chances, and finding out who we really are. *Butterfly Sisters* is the perfect escape for fans of Susan Wiggs, RaeAnne Thayne, and Susan Mallery. About to land her biggest deal yet, Leigh Henderson is on her game. She’s prepared for this, and nothing can get in her way. Except Rebecca Mayer, who’d sashayed in a few weeks ago with a former client list that would fill the entire hallway to Leigh’s office if she laid it out end to end. When her boss unexpectedly offers the deal to Rebecca and tells Leigh he’s letting her go, Leigh finds herself without a job. But that’s the least of her worries. Her mother has some news that will change everything. She’s asked Leigh and her sister Meredith to meet her at the family cabin on Old Hickory Lake. Not only has Leigh been unable to track down her sister for years, but going back to the cabin would mean dealing with the loss of her beloved grandmother and also chance running into her old flame Colton Harris, the one love she’s never been able to completely let go of. Will confronting her grief, speaking to her estranged sister, and being forced to face the love she’d left behind help Leigh to learn who she really is? A heartwarming story that will have you laughing, crying, and rushing to those you hold dear. Let's Pretend This Never Happened Jenny Lawson,2013-03-05 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor

in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

Last Things Jenny Offill, 2015-03-17 Grace's father believes in science and builds his daughter a dollhouse with lights

that really work. Grace's mother takes her skinny-dipping in the lake and teaches her about African hyena men who devour their wives in their sleep. Grace's world, of fact and fiction, marvels and madness, is slowly unraveling because her family is coming apart before her eyes. Now eight-year-old Grace must choose between her two very different, very flawed parents, a choice that will take her on a dizzying journey, away from her home in Vermont to the boozy, flooded streets of New Orleans—and into the equally wondrous and frightening realm of her own imagination. With eloquence and compassion, Jenny Offill weaves a luminous story of a wounded family and of a young girl yearning to understand the difference between fiction, fact, and hope. A novel of vibrant imagination and searing intelligence, *Last Things* is a stunning literary achievement.

Night of the Mannequins Stephen Graham Jones,2020-09-01 Award-winning author Stephen Graham Jones returns with Night of the Mannequins, a contemporary horror story where a teen prank goes very wrong and all hell breaks loose: is there a supernatural cause, a psychopath on the loose, or both? We thought we'd play a fun prank on her, and now most of us are dead. One last laugh for the summer as it winds down. One last prank just to scare a friend.
