Parallel Journeys Eleanor H. Ayer,2011-06-28 She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen’s to the Auschwitz concentration camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler’s “master race.” While she was crammed in a cattle car bound for the death camp Auschwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was World War II. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

March: Book One John Lewis,Andrew Aydin,2013-08-12 Congressman John Lewis (GA-5) is an American icon, one of the

key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

The Jungle Upton Sinclair, 2022-12-29 *The Jungle* follows the life of Jurgis Rudkus, a Lithuanian who immigrates to Chicago with his family in hopes of a better life for them. But they struggle to make enough money to even survive, and find America an alien and hostile place quite unlike their expectations. As tragedy after tragedy befalls the family, they can only watch as their dreams - and their lives - come crumbling down around them. Sinclair intended *The Jungle* to highlight the grim reality of life as an immigrant in America, but the general public were more affected by his realistic depiction of the meatpacking industry in Chicago, leading to rapid reform - the Meat Inspection Act and the Pure Food and Drug Act were passed shortly after, strictly regulating standards within the business. Upton Sinclair was an American journalist, novelist and politician. His novels often focused on real, pressing issues with society - for example, *The Jungle* exposed substandard conditions in the meat industry and *The Brass Check* exposed the issue of large-scale yellow journalism in America. His books were written during the Progressive Era of America, a time of political upheaval and major sociopolitical reform, addressing problems caused by industrialization and urbanization.

Rattling windows with the roar of a late-winter storm, March shows up like a lion-- wild and messy, muddy and wet. In rhythmic, exuberant text, Newbery Honor-author Marion Dane Bauer conveys the changeable nature of spring weather, as the lion makes way for the lamb—with a huge sneeze!—as the trees and flowers spring into bloom. Full of humor and motion, Caldecott-winning illustrator Emily Arnold McCully's soft watercolors bring the blustering lion and gentle lamb to life. From hail and wet snow to vibrant green fields full of blossoms, the illustrations grow brighter, springing into new life—and hinting and the summer to come. The lively text and paintings illustrate the ways in which we personify spring weather, making this book a perfect introduction to figurative language—and lots of fun to read as well.
