An application may become open to public inspection sooner at the request or with the approval of the applicant (Section 10(2) of the Patent Act). However, an application shall not be open for public inspection if it is withdrawn within the time set out in Section 92 of the Patent Rules. Une demande de brevet peut être consultée avant l'expiration de la période, à la requête ou sur autorisation du demandeur (article 10(2) de la Loi sur les brevets). Toutefois, une demande de brevet ne pourra être consultée si celle-ci est retirée à l'intérieur du délai prévu à l'article 92 des Règles sur les brevets. 13. Amendment to the *Patent Rules*

Notice is hereby given that the Governor in Council has approved an amendment to the *Patent Rules* pertaining to the sequence listing requirement for patent applications filed in Canada under the Patent Cooperation Treaty (PCT). The amendment came into force on March 30, 2004 — the day on which the amendment was registered.

This amendment ensures that the patent rights of patent applicants filing certain biotechnology-related inventions are not at risk for failure to provide a sequence listing, without first having received a notification from the Canadian Intellectual Property Office (CIPO) and being provided with the opportunity to comply within a prescribed period of time.

The amendment cited above was published in Part II of the *Canada Gazette*, Vol. 138, No. 8, SOR/2004-67 on April 21, 2004. An extract showing the amendment and the Regulatory Impact Analysis Statement can be accessed on CIPO's Web site at: www.cipo.gc.ca.

12. Avis PCT

Exigences des signatures du PCT

Veillez noter que conformément aux exigences du PCT, l'Office européen des brevets (OEB) réclame que la signature identifie une personne physique dont le nom dactylographié devrait apparaître au-dessous de la signature. Lorsque telle personne signe au nom d'une personne morale, il convient d'indiquer, également en caractères dactylographiques, la qualité du signataire. (Voir le Guide du déposant - PCT, <http://www.wipo.int>).

Traité de Coopération en matière de brevets (PCT)

Des copies du Guide du déposant - PCT ainsi que du Traité et des Règlements sont disponibles auprès de l'OMPI au coût de 200 francs suisses et 18 francs suisses, respectivement.

Les personnes qui désirent obtenir de plus amples renseignements, notamment sur le prix des abonnements antérieurs et courants, sont priées de s'adresser directement à l'OMPI - Organisation mondiale de la propriété intellectuelle à la Section des produits d'information, Boîte postale 18, 1211 Genève 20, Suisse, Téléphone (011 41 22) 338-9618, Télécopieur (011 41 22) 740-1812 ou par courriel à publications.mail@wipo.int ou visiter leur site web à <http://www.wipo.int>.

13. Règles modifiant les *Règles sur les brevets*

Avis est, par la présente, donné que la gouverneure générale en conseil a approuvé une modification aux *Règles sur les brevets* relativement à l'obligation de soumettre les listages de séquences pour les demandes de brevets déposées au Canada en vertu du Traité de coopération en matière de brevets (PCT). La modification est entrée en vigueur le 30 mars 2004 — la date de son enregistrement.

Cette modification assure aux demandeurs de brevets qui ont déposé certaines inventions dans le domaine de la biotechnologie qu'ils ne risqueront plus de perdre des droits liés aux brevets pour avoir omis de fournir les listages de séquences; l'Office de la propriété intellectuelle du Canada (OPIC) leur fera tout d'abord parvenir un avis, ce qui leur laissera le temps de se conformer à la demande dans le délai prescrit.

La modification susmentionnée a été publiée dans la Partie II de la *Gazette du Canada*, Vol. 138, no D, DORS/2004-67, le 21 avril 2004. Un extrait comportant la modification et le le Résumé de l'étude d'impact de la réglementation sont accessibles sur le site Web de l'OPIC à : www.opic.gc.ca.
