Appointment in Samarra John O'Hara, 2013-04-30 One of Time's All-Time 100 Best Novels The writer whom Fran Lebowitz called "the real F. Scott Fitzgerald" makes his Penguin Classics debut with this beautiful deluxe edition of his best-loved book. One of the great novels of small-town American life, Appointment in Samarra is John O'Hara's crowning achievement. In December 1930, just before Christmas, the Gibbsville, Pennsylvania, social circuit is electrified with parties and dances. At the center of the social elite stand Julian and Caroline English. But in one rash moment born inside a highball glass, Julian breaks with polite society and begins a rapid descent toward self-destruction. Brimming with wealth and privilege, jealousy and infidelity, O'Hara's iconic first novel is an unflinching look at the dark side of the American dream—and a lasting testament to the keen social intelligence if a major American writer. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. The Cape Cod Lighter John O'Hara,1963

The New York Stories John O'Hara, 2013-08-27 Collected for the first time, the New York stories of John O'Hara, among the greatest short story writers in English, or in any other language (Brendan Gill, Here at The New Yorker) Collected for the first time, here are the New York stories of one of the twentieth century's definitive chroniclers of the city—the speakeasies and highballs, social climbers and cinema stars, mistresses and powerbrokers, unsparingly observed by a popular American master of realism. Spanning his four-decade career, these more than thirty refreshingly frank, sparely written stories are among John O'Hara's finest work, exploring the materialist aspirations and sexual exploits of flawed, prodigally human characters and showcasing the snappy dialogue, telling details and ironic narrative twists that made him the most-published short story writer in the history of the New Yorker. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf

John O'Hara: Stories (LOA #282) John O'Hara,2016-09-13 Writing with equal insight about New York City, Hollywood, and the small-town Pennsylvania world where he grew up, John O'Hara cultivated an unsentimental and often unsparing realism, aiming, he said, "to record the way people talked and thought and felt... with complete honesty." Praised by contemporaries including Ernest Hemingway and Dorothy Parker, he wrote about sex, drinking, and social class with a frankness ahead of its time. The fiction he published in The New Yorker (more than any other writer to this day) came to epitomize the kind of short story featured in that magazine, and his impeccable ear and skillful dialogue have influenced later writers such as Raymond Carver. Bringing together sixty stories written over four decades—the largest, most comprehensive collection of O'Hara's stories ever published—former New York Times Book Review editor Charles McGrath presents a fresh and arresting new perspective on one of American literature's master storytellers. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The Big Laugh John O'Hara,1997-08-01 A devastating account of the movie world's Golden Age, in all its phony power and glory. The famously sharp-edged social realism and always on-the-money dialogue of the late novelist John O'Hara (1905-1970) are brought to bear in a stinging saga of ambition and fate, Hollywood style.

Selected Stories John O'Hara,2011 'This is fiction, but it has, for me, the clang of truth' John Updike WITH AN INTRODUCTION BY E. L. DOCTOROW John O'Hara is widely credited with inventing the New Yorker short story, and remains the most-published short story writer in the history of the magazine. Selected from his vast collection of short fiction written over forty years, these refreshingly frank, sparely written stories show him at his best. Exposing a world of bartenders and 'b-girls', car washers and criminals, O'Hara dissects the subtleties that bind humans together and the pressures that separate them.

PIPE NIGHT JOHN O'HARA, 1945

The Doctor's Son John O'Hara,2020-08-04 Secrets emerge as a fearsome contagion in this long autobiographical story set in small-town Pennsylvania amid the influenza pandemic of 1918. "The Doctor's Son" concerns James Jimmy Malloy, a teenager on the uncertain edge of manhood, confronted by sudden death and the loss of illusions. Having worked himself to

exhaustion, his father, Doctor Mike Malloy enlists "Doctor" Myers, a medical student, to treat his patients until he has recovered and fifteen-year-old Jimmy drives Myers around the county on his rounds. O'Hara's earliest account of his fraught relationship with his formidable father, this classic tale is, in the words of New York Times cultural critic Charles McGrath, a love story, really, if a frustrated, unrequited one. It is also a fascinating record of the social effects of America's first great confrontation with a global pandemic.

The Book of Other People Zadie Smith,2008-01-02 A stellar host of writers explore the cornerstone of fiction writing: character The Book of Other People is about character. Twenty-five or so outstanding writers have been asked by Zadie Smith to make up a fictional character. By any measure, creating character is at the heart of the fictional enterprise, and this book concentrates on writers who share a talent for making something recognizably human out of words (and, in the case of the graphic novelists, pictures). But the purpose of the book is variety: straight realism-if such a thing exists-is not the point. There are as many ways to create character as there are writers, and this anthology features a rich assortment of exceptional examples. The writers featured in The Book of Other People include: Aleksandar Hemon Nick Hornby Hari Kunzru Toby Litt David Mitchell George Saunders Colm Tóibín Chris Ware, and more Read Zadie Smith's newest novel, Swing Time.

The Ewings John O'Hara, 1972 It is the story of The Ewings an American Middle West family during the First World War. The Art of Burning Bridges Geoffrey Wolff, 2003 An enigma of twentieth-century literature-a writer accorded great importance in his time, if less than in his own mind-is here explored by one of our most versatile men of letters, a novelist and biographer ideally suited to the strange case of John O'Hara. The accomplishments are undeniable: the Region, the fictionalized coal-mining Pennsylvania of O'Hara's youth, serving his work much as Yoknapatawpha County did Faulkner's; an acute vernacular gift and a narrative frankness shocking in his day; an intimate, combative relationship with The New Yorker for over four decades; and a handful of books, from Appointment in Samarra to Sermons and Soda Water, that justify their author's ambitious claims. Moreover, he cut a wide swath through a Manhattan demimonde whose fierce friendships and bitter feuds-fueled by oceans of booze-were played out at such institutions as the Stork Club, 21, and the Algonquin Round Table. But for all his best-sellers-one of which, Pal Joey, was a hit on Broadway, adapted by Rodgers and Hart-O'Hara had emerged in the wake of Fitzgerald and Hemingway, whose reputations buffeted his own. His preoccupations as a novelist of manners became dated as the world of speakeasies, the Social Register, Ivy League universities, and august clubs was inevitably undermined, while his prickly, status-obsessed outsider's personality failed to engage (and often enraged) changing fashions. What Geoffrey Wolff reveals is not only the hugely complicated man in full but also his rightful place in our contemporary attention-a portrait of the artist that illuminates both the process of fiction and an era still vivid in our cultural history.

John O'Hara's Hollywood John O'Hara,2007 On the sound stage and the casting couch, behind the facades of Spanish style mansions and inside studio trailers, at costumes and makeup, in posh nightclubs and in backrooms filled with cigar smoke, here are the ruthless producers, over-the-hill directors, disillusioned writers, glamorously callous actresses, desperate and hungry starlets, and matinee idols with dark secrets as they are unsparingly observed by one of America's most popular masters of realism. Best known for the now-classic 1934 novel Appointment in Samarra and such blockbuster bestsellers as Ten North Frederick and Butterfield 8, in a career spanning four decades John O'Hara also published numerous story collections. Among his finest work, they highlight qualities that sold more than 15 million copies of his books in the course of his career: the snappy dialogue, the telling detail, the ironic narrative twist. Like the novels, and like the much-praised collection of John O'Hara's Gibbsville stories, also edited by Matthew J. Bruccoli, the selections in John O'Hara's Hollywood, many originally appearing in the New Yorker or the Saturday Evening Post, explore the materialist aspirations and sexual exploits of flawed, prodigally human characters for whom arrangements consitute a deal and compromises pass for love.

Ten North Frederick John O'Hara, 1956

Collected Stories of John O'Hara John O'Hara,1984 These are the stories, unavailable for some years and still amazingly fresh and arresting, that influenced a whole generation of short-story writers, not one of whom capped O'Hara's mastery of the genre.
