« L'atlas floristique de Maine-et-Loire est cofinancé par l'Union européenne. L'Europe s'engage en Pays de la Loire avec le Fonds européen de développement régional. »

PREFACE	2
PARTENAIRES TECHNIQUES	3
DECOUPAGE DU DEPARTEMENT EN COMMUNES ET MAILLES (10 km x 10 km)	5
CARTES DE REPARTITION	6
SOURCES	402
INDEX ALPHABETIQUE DES NOMS LATINS.....	408

Ce rapport correspond à la version figée au 14 mai 2012 de l'atlas préliminaire de la flore de Maine-et-Loire qui est consultable en ligne à l'adresse internet suivante :

http://www.cbnbrest.fr/site/html/botaniste/cartes_atlas49.html Il constitue une deuxième étape vers la publication d'un atlas définitif à la fin de l'année 2013, à l'issue d'une deuxième année de renforcement des inventaires dans le département en 2011.

Il fait état d'une connaissance partielle et a précisément pour objectif d'orienter les inventaires en cours pour les années 2011 et 2012 afin de compléter les cartes de répartition qui ont actuellement un caractère totalement provisoire. A la différence de cette version papier qui ne sera réactualisée qu'au début de l'année 2013, les cartes en ligne seront complétées au fur et à mesure de l'amélioration des connaissances.

Ces observations sont issues de la base de données Calluna du Conservatoire botanique national de Brest : elles reflètent l'état d'avancement des connaissances ou la disponibilité des inventaires. En aucun cas, elles ne sauraient être considérées comme exhaustives. Malgré la validation systématique dont chaque observation fait l'objet, merci de nous signaler d'éventuelles erreurs ou incohérences (contact : Julien Geslin = j.geslin@cbnbrest.com).

Au-delà des contributions individuelles nombreuses qui seront nommément remerciées dans la version finale de l'atlas, le programme d'atlas floristique de Maine-et-Loire s'appuie également sur la collaboration de nombreuses structures productrices de données sur la flore dans le département. L'adhésion de ces structures au projet est formalisée par la signature d'une charte marquant leur volonté de collaborer à l'atlas (la signature de la charte par le Muséum est en cours d'instruction). Ainsi, le programme d'atlas floristique de Maine-et-Loire sera l'occasion **de fédérer les structures compétentes sur la flore autour d'un projet collectif** et sera de nature à renforcer la dynamique départementale de connaissance de la flore de l'Anjou.

Salix viminalis

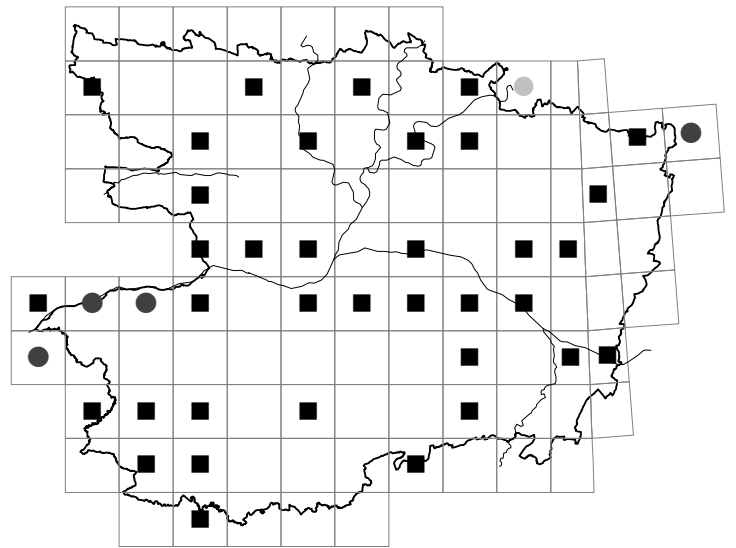

Salix x mollissima

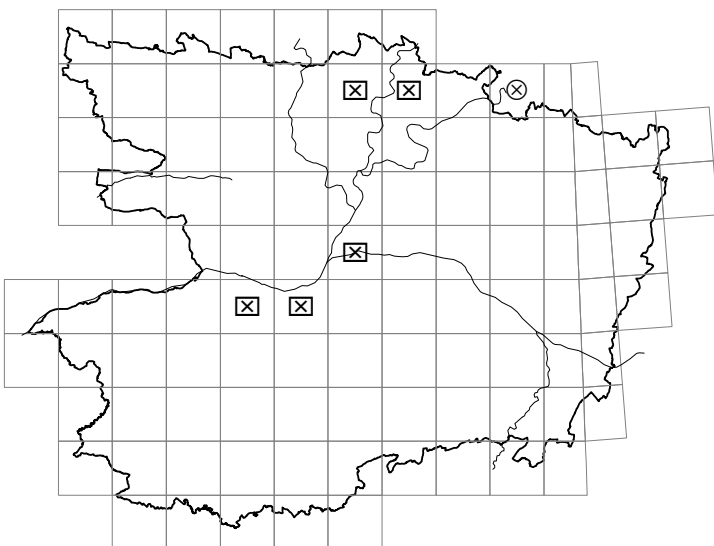

Salix x multinervis

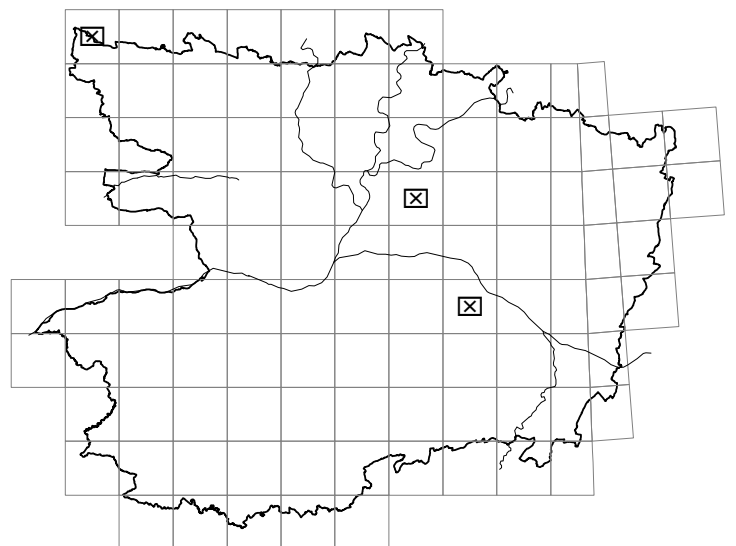

Salix x rubens

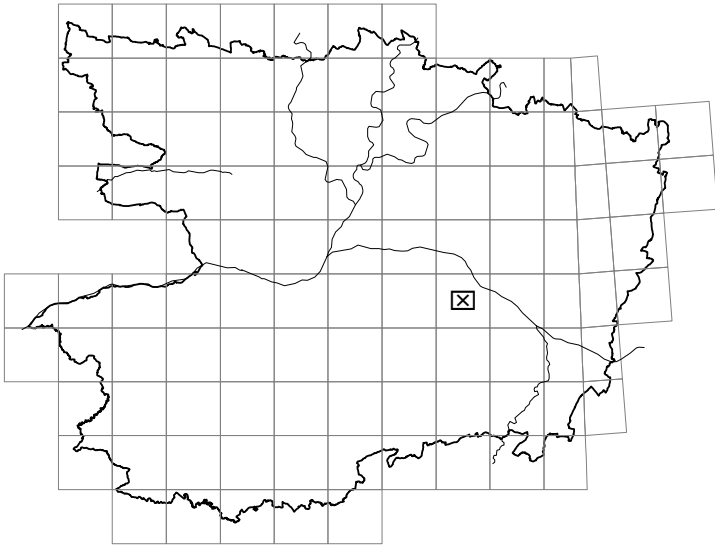

Salix x rubra

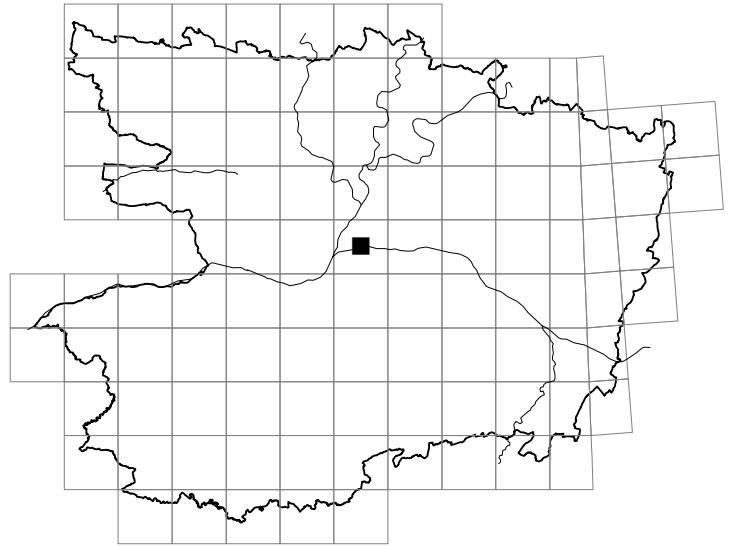

Salix x seringiana

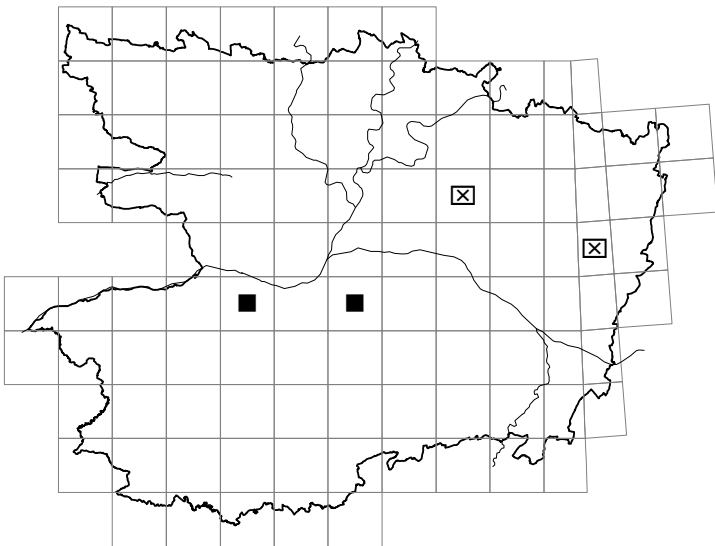

Salix x smithiana

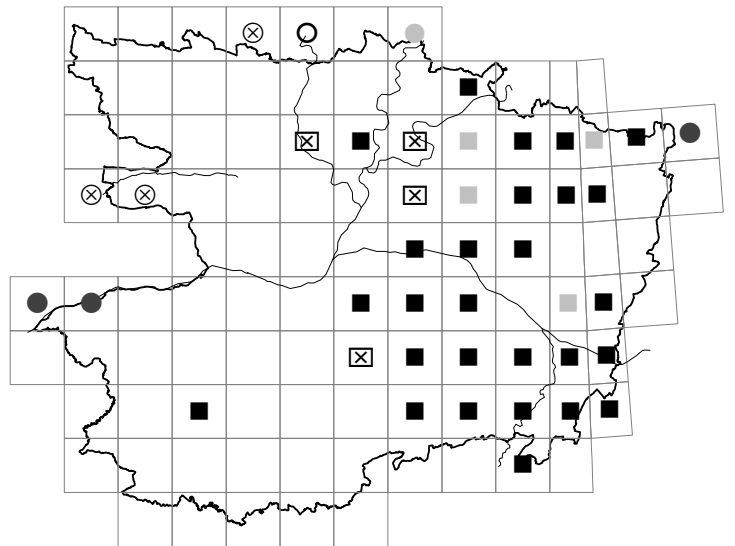

Salpichroa organifolia

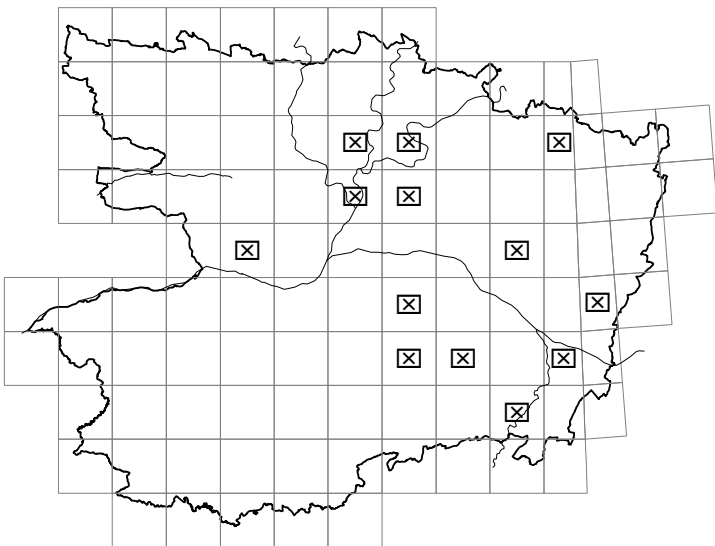

Salvia officinalis

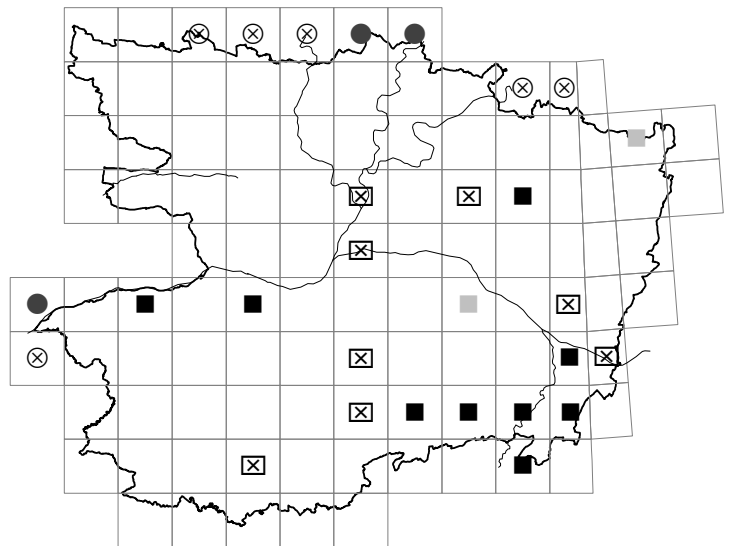

Salvia pratensis L. (#)

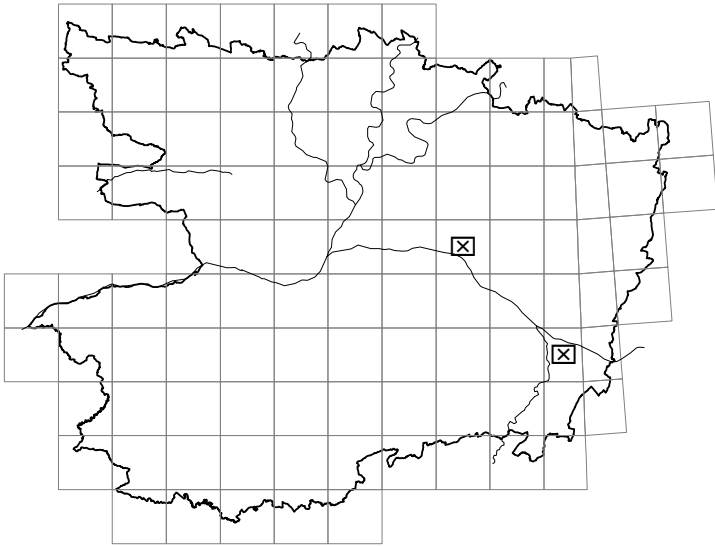

Salvia sclarea

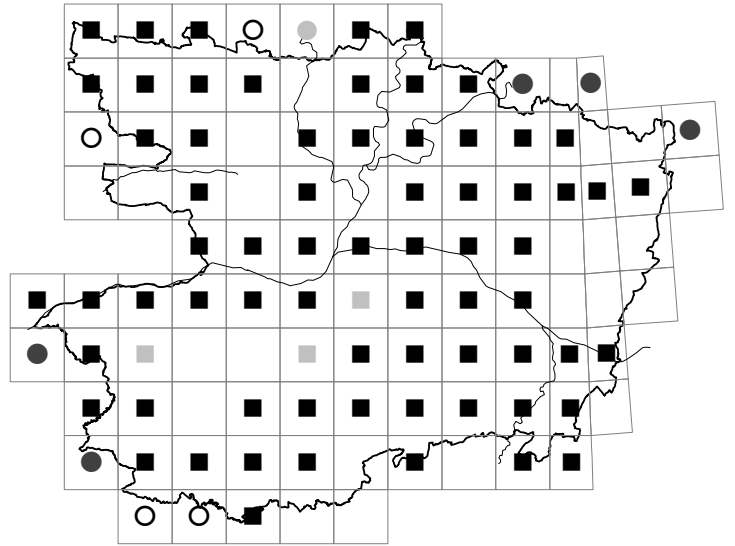

Salvia verbenaca

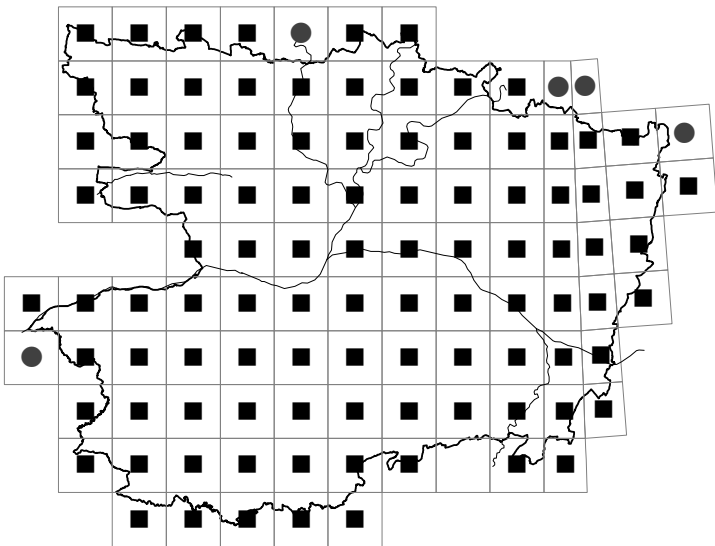

Salvia verticillata

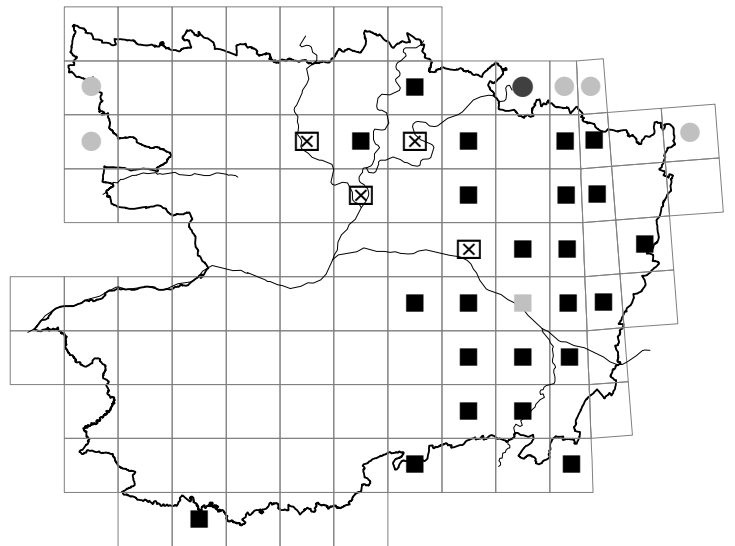

Sambucus ebulus

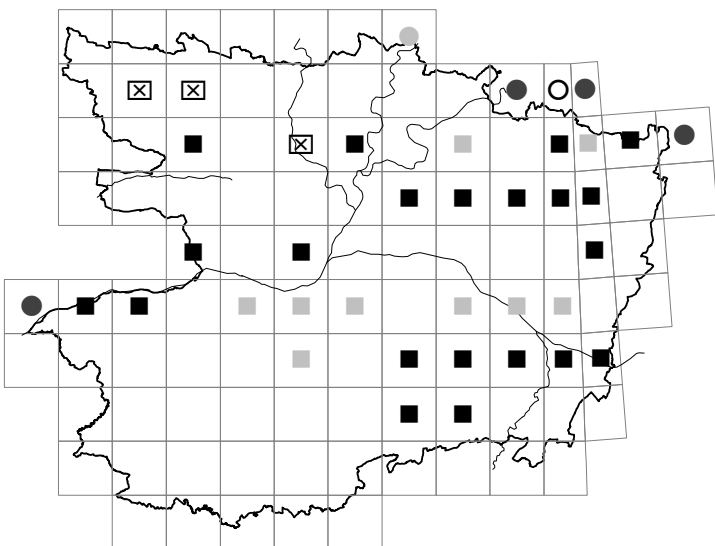

Sambucus nigra

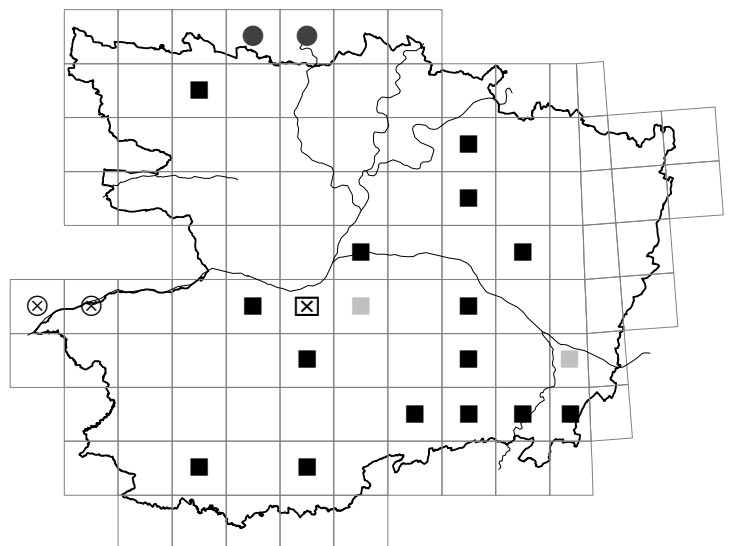

Samolus valerandi

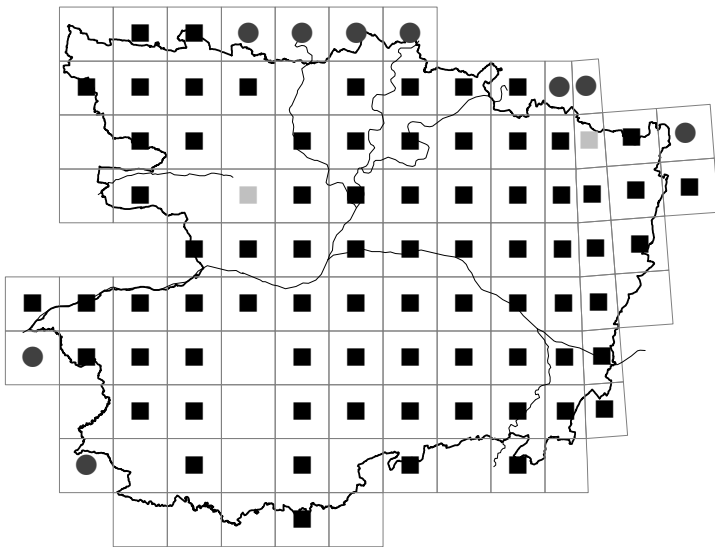

Sanguisorba minor subsp. minor

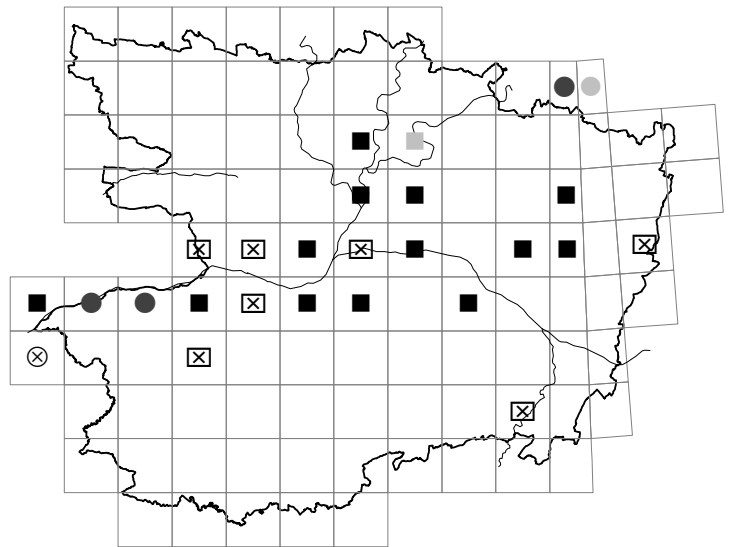

Sanguisorba minor subsp. muricata

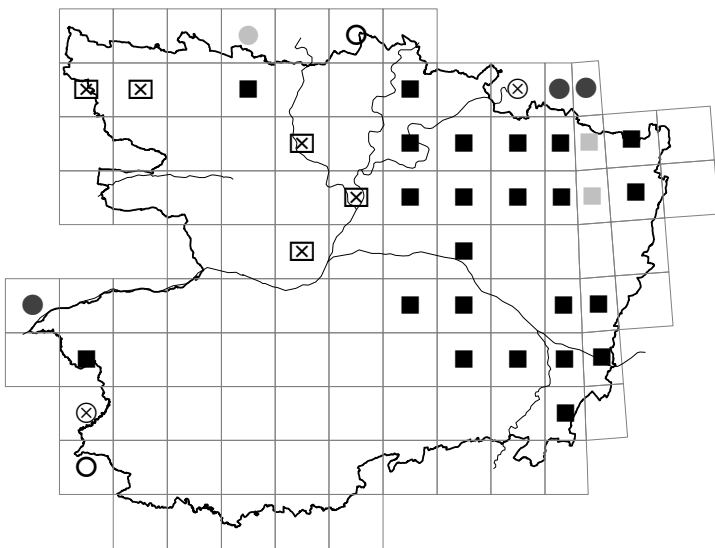

Sanguisorba minor

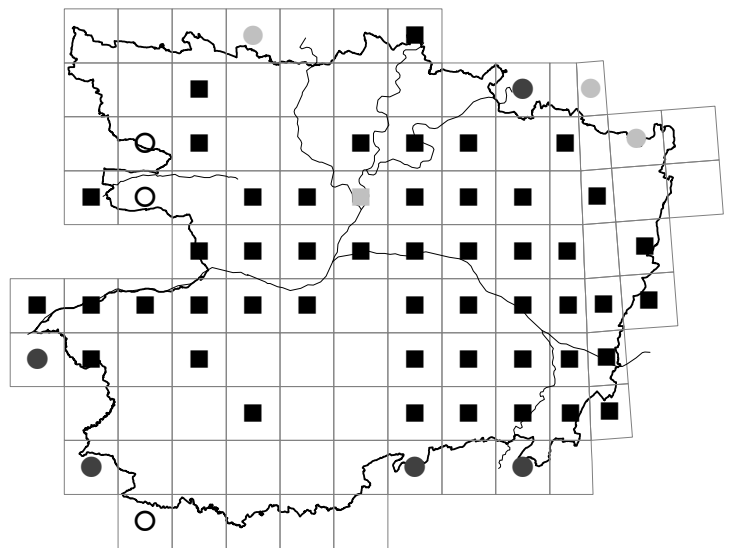

Sanguisorba officinalis L. (#)

Sanicula europaea L. (#)

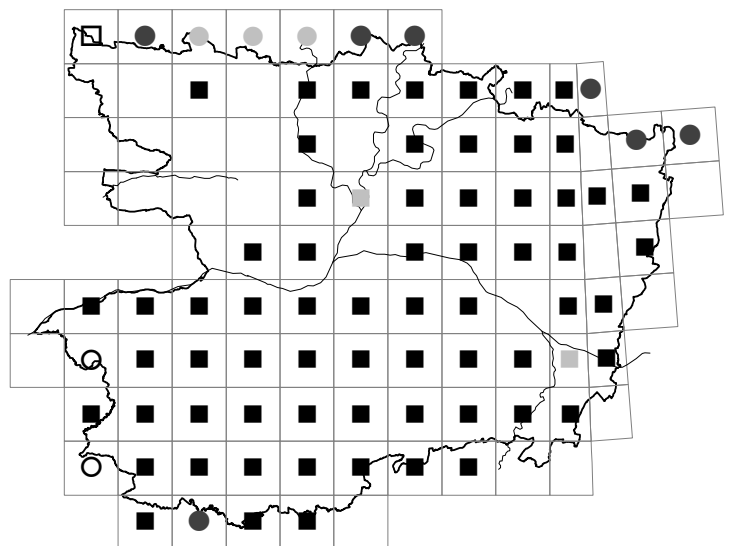

Saponaria officinalis

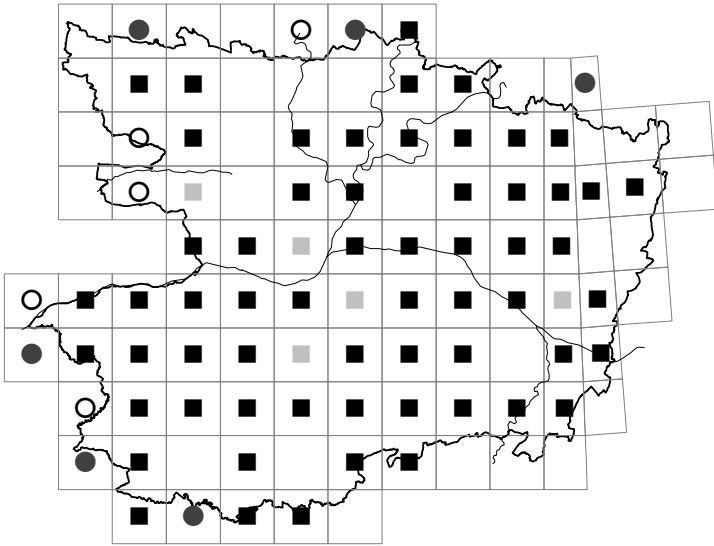

Saxifraga cymbalaria subsp. *huetiana*

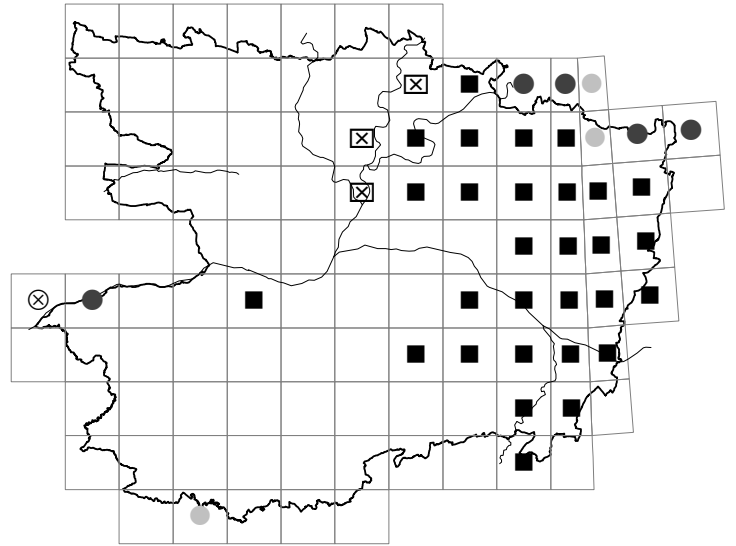

Saxifraga granulata L. subsp. *granulata* (#)

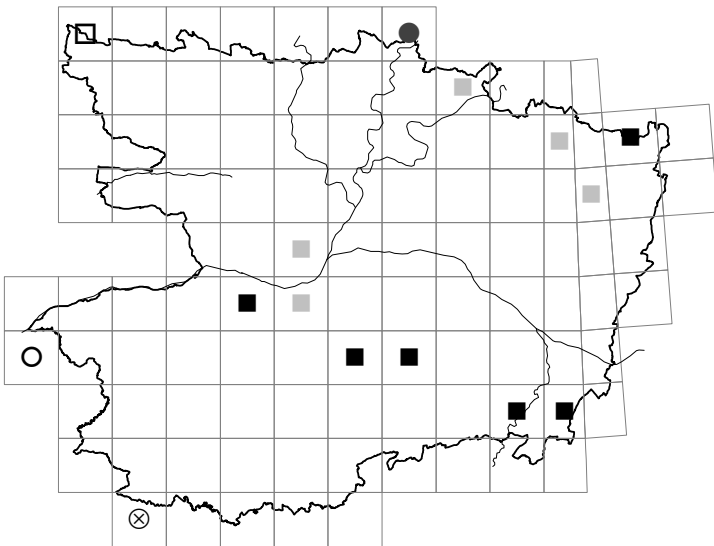

Saxifraga tridactylites

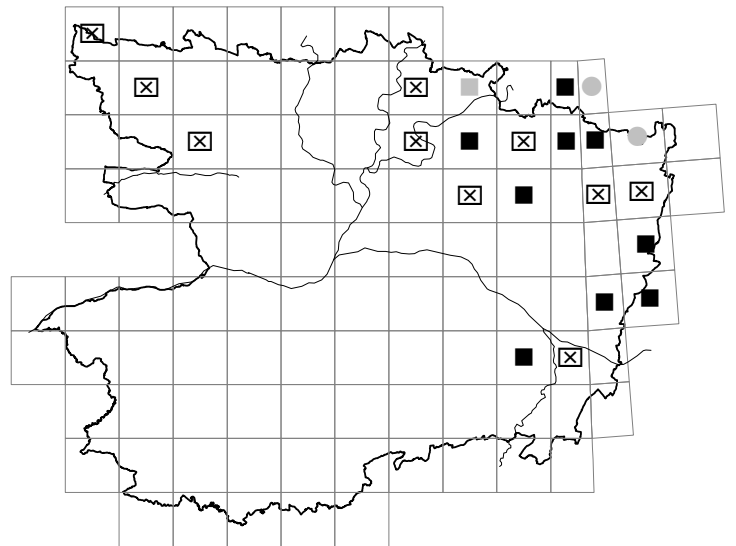

Scabiosa columbaria L. subsp. *columbaria* (#)

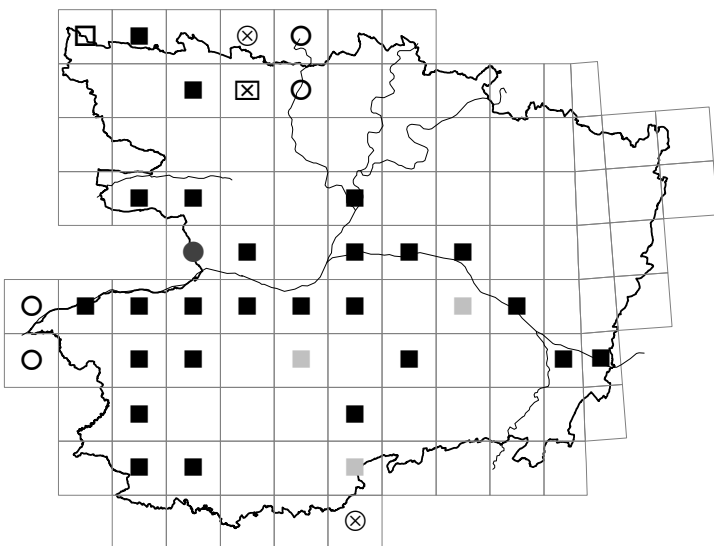

Scandix pecten-veneris L. subsp. *pecten-veneris* (#)

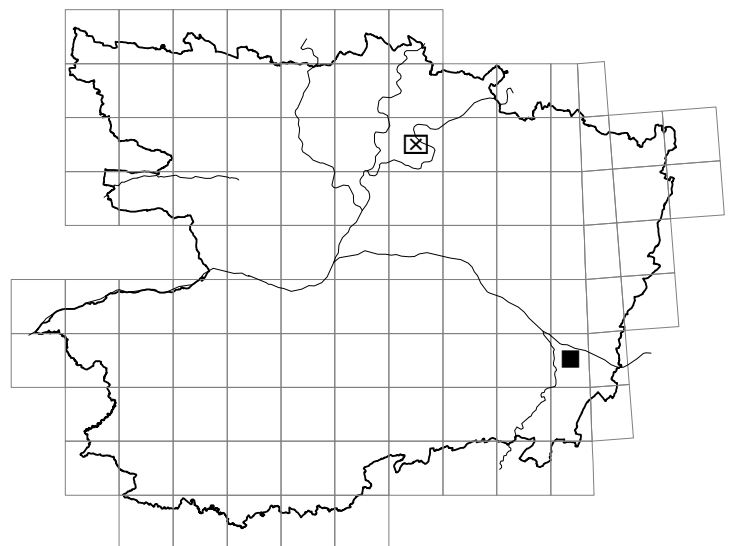

Schoenus nigricans L. (#)

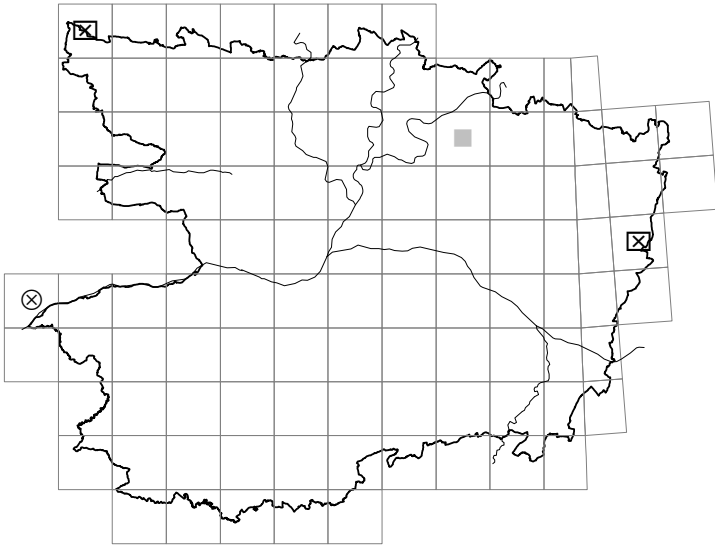

Scilla autumnalis

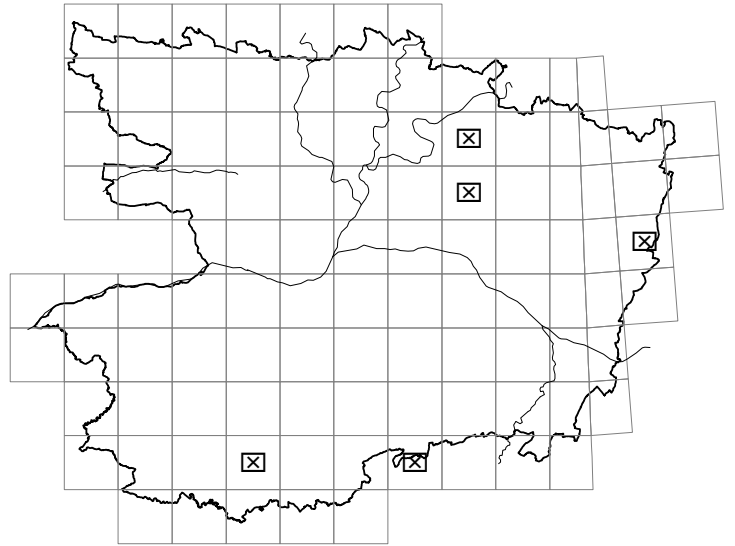

Scilla bifolia

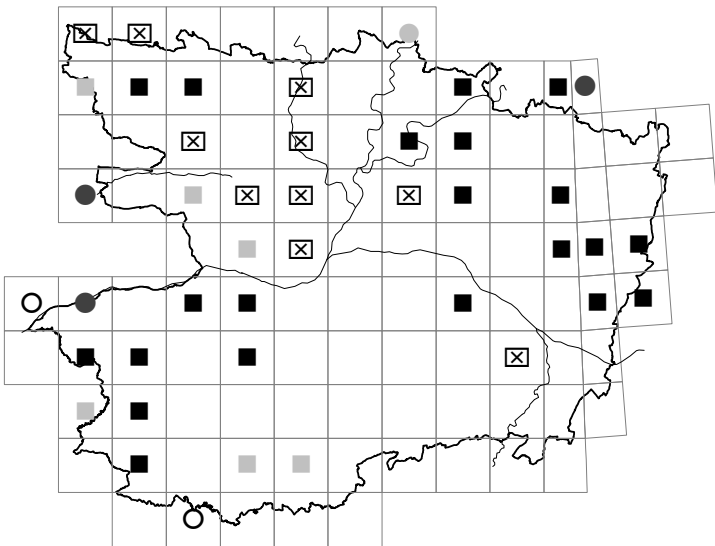

Scirpus cespitosus L. subsp. *germanicus* (Palla) Brodd.
(#)

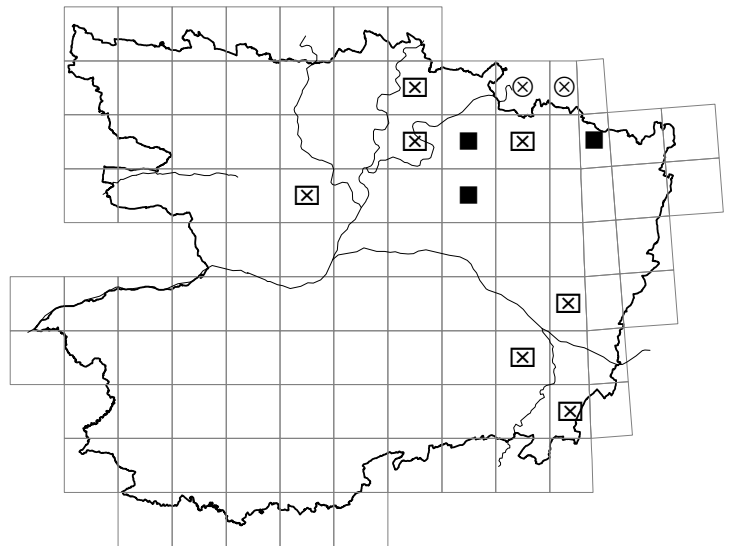

Scirpus cespitosus subsp. *cespitosus*

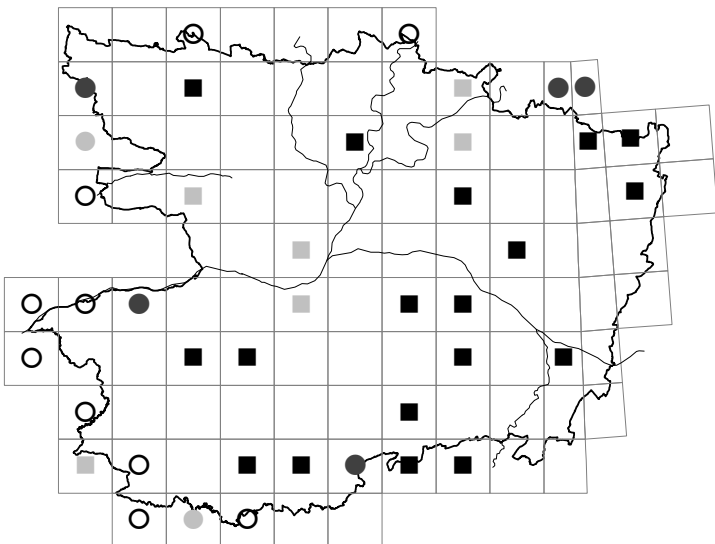

Scirpus fluitans

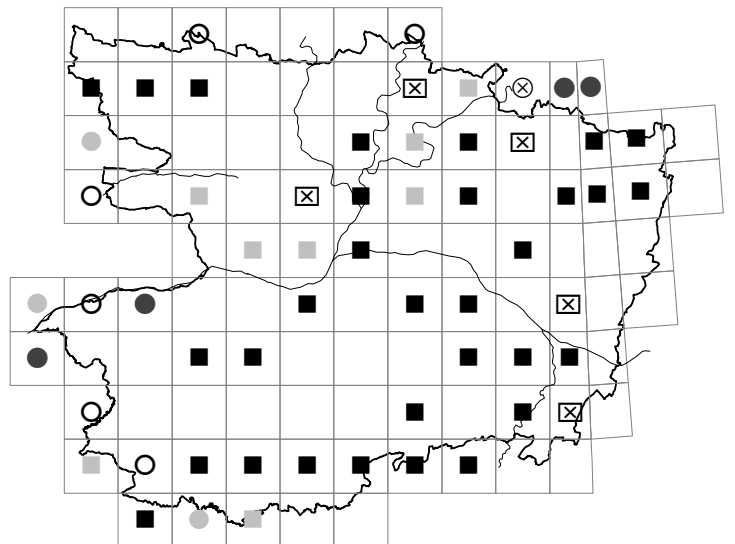

Scirpus lacustris L. subsp. *tabernaemontani* (C.C.Gmel.)
Syme (#)

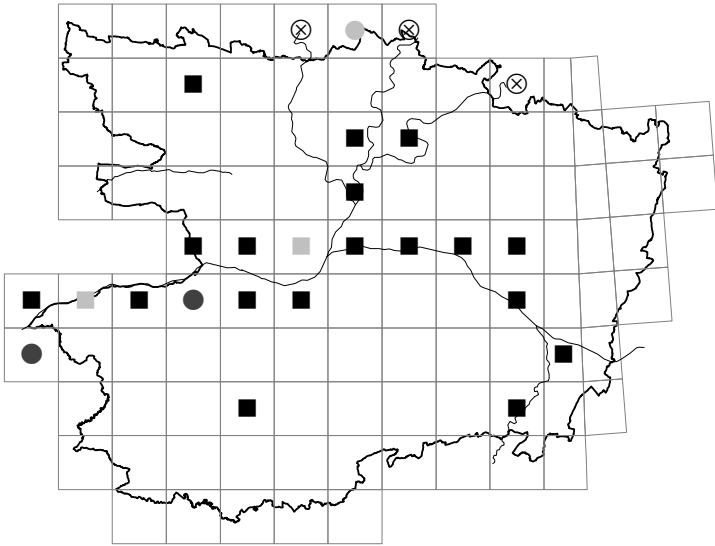

Scirpus lacustris subsp. *lacustris*

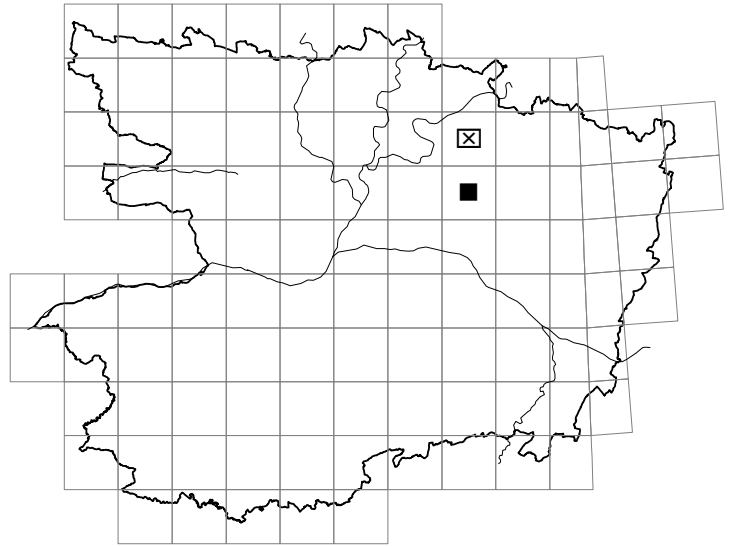

Scirpus lacustris

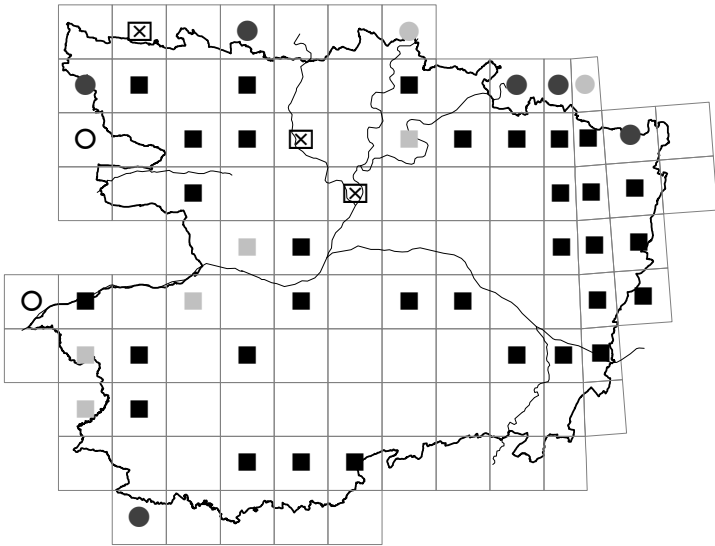

Scirpus maritimus

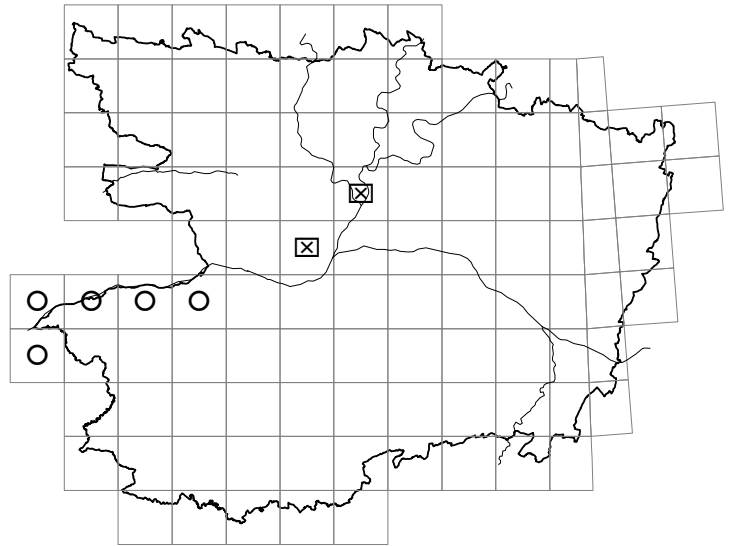

Scirpus pungens Vahl (#)

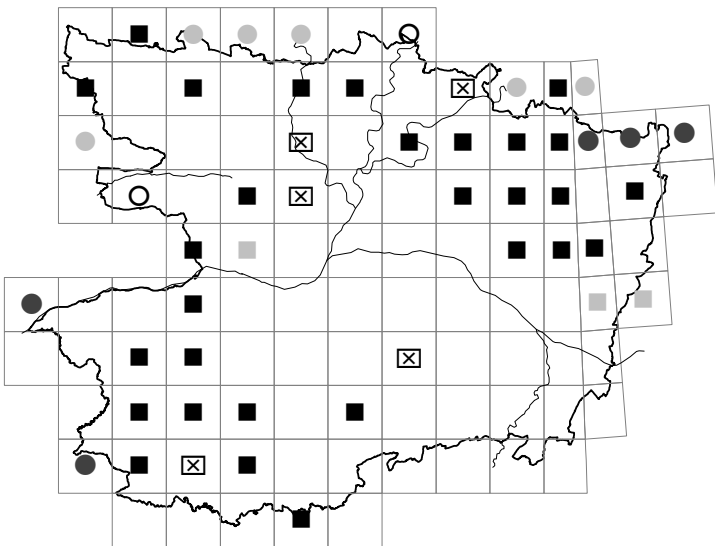

Scirpus setaceus

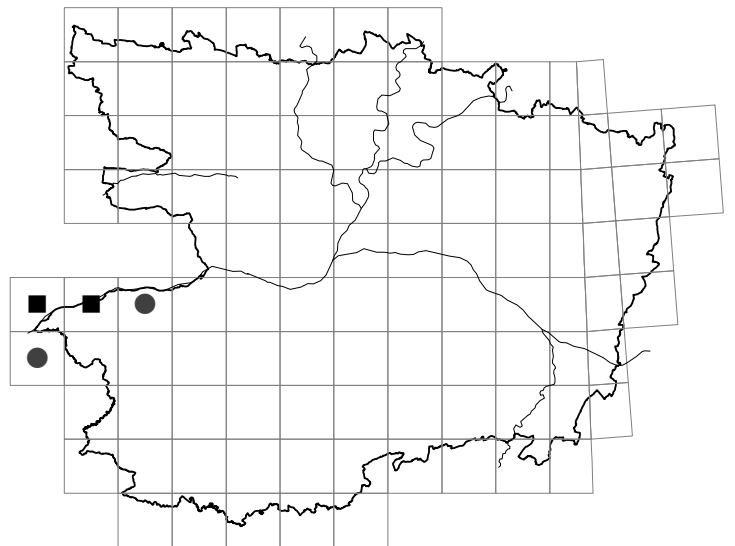

Scirpus supinus

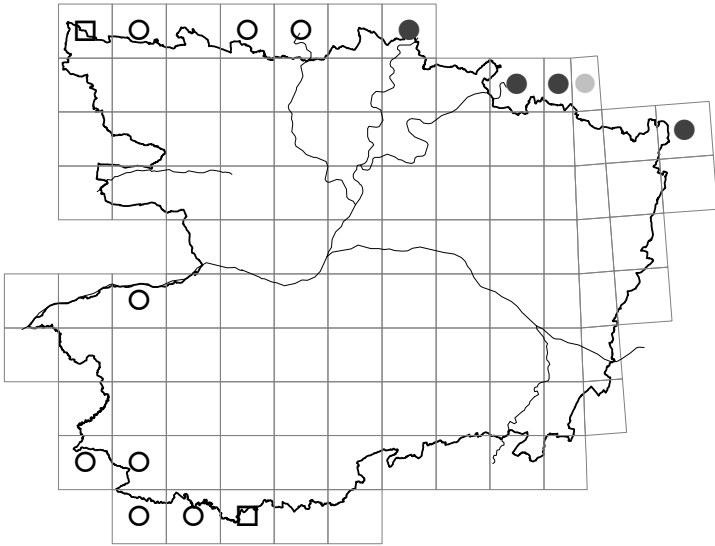

Scirpus sylvaticus

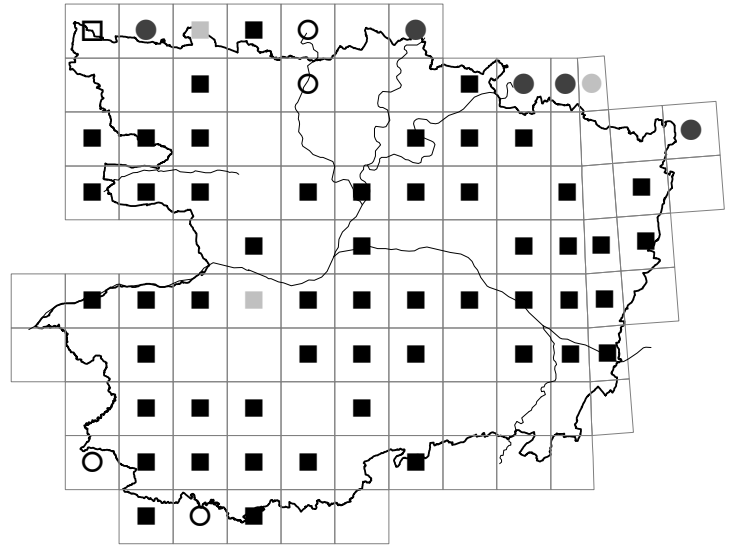

Scirpus triqueter L. (#)

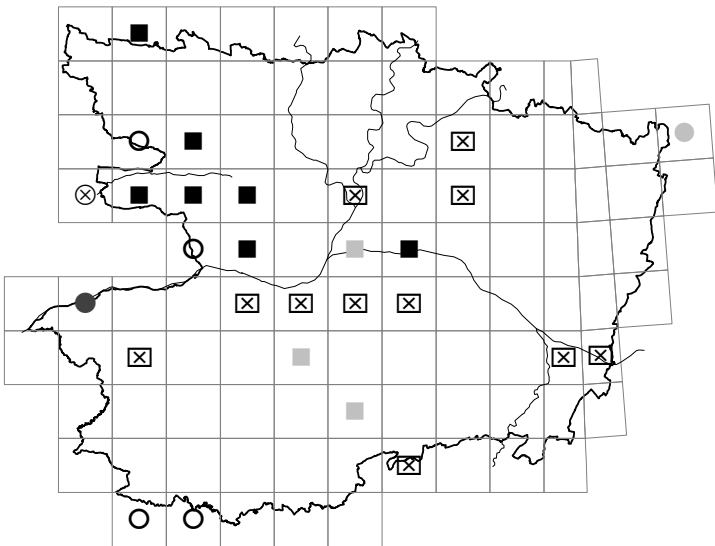

Scleranthus annuus L. subsp. *annuus* (#)

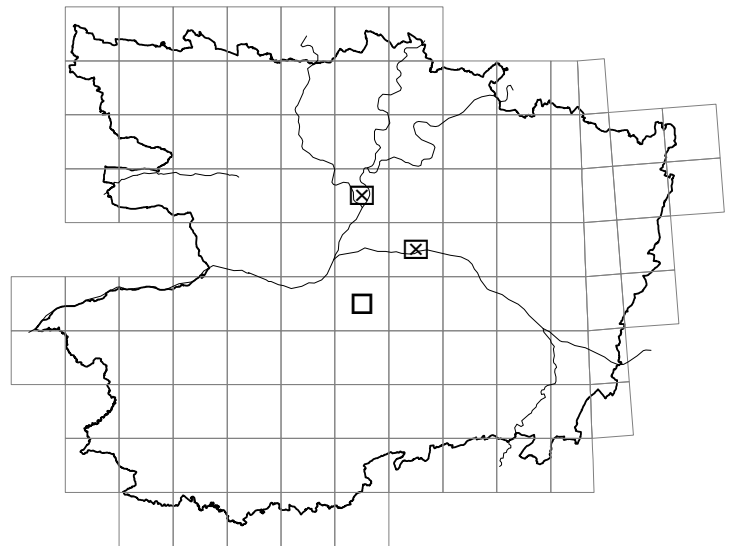

Scleranthus annuus

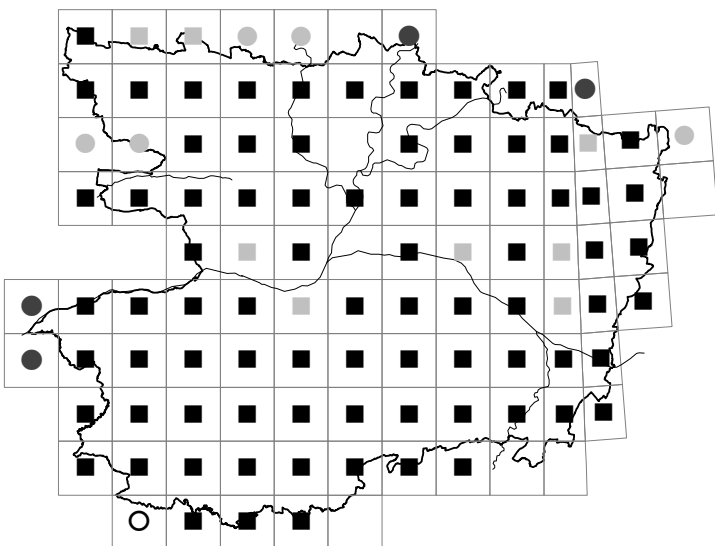

Scleranthus perennis L. subsp. *perennis* (#)

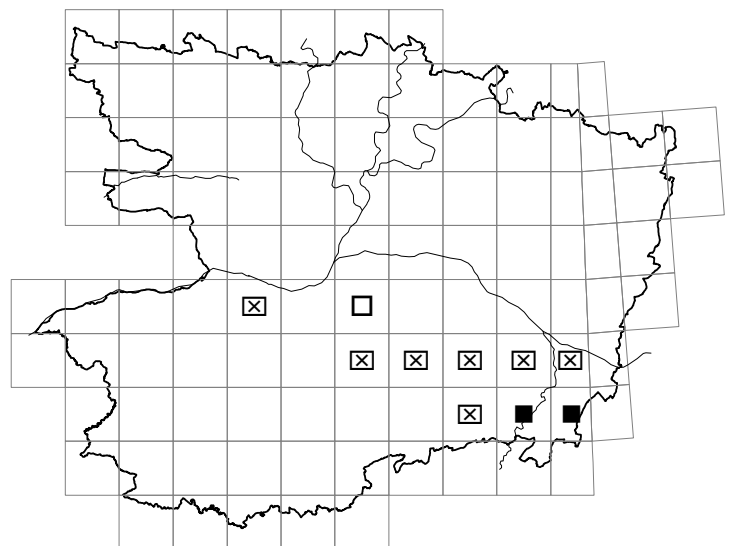

Scolymus hispanicus L. (#)

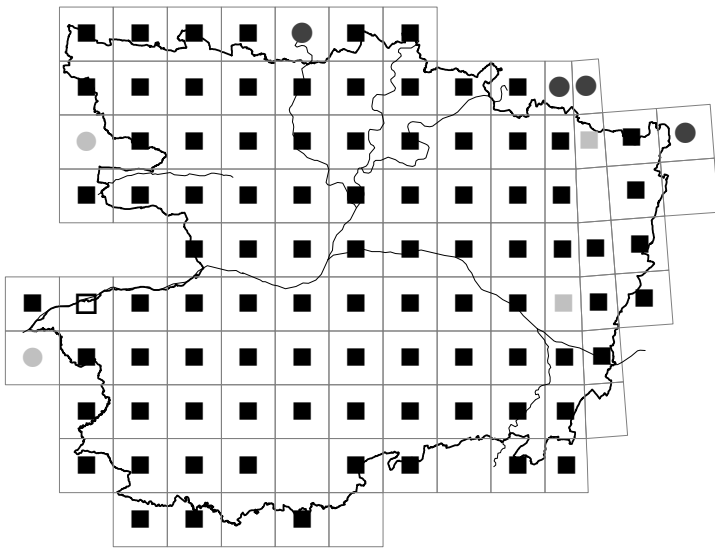

Scorzonera humilis

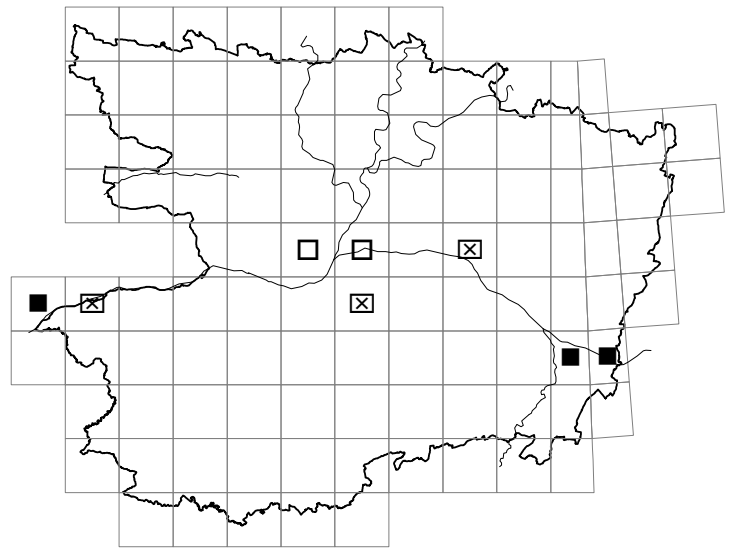

Scorzonera laciniata L. (#)

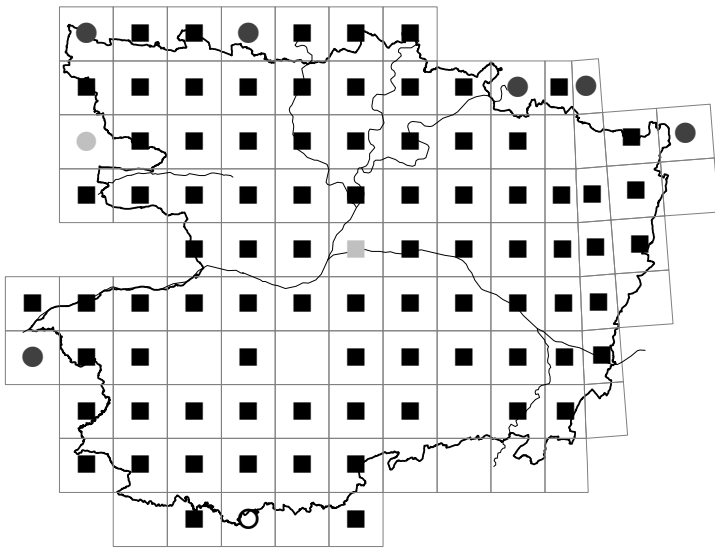

Scrophularia auriculata

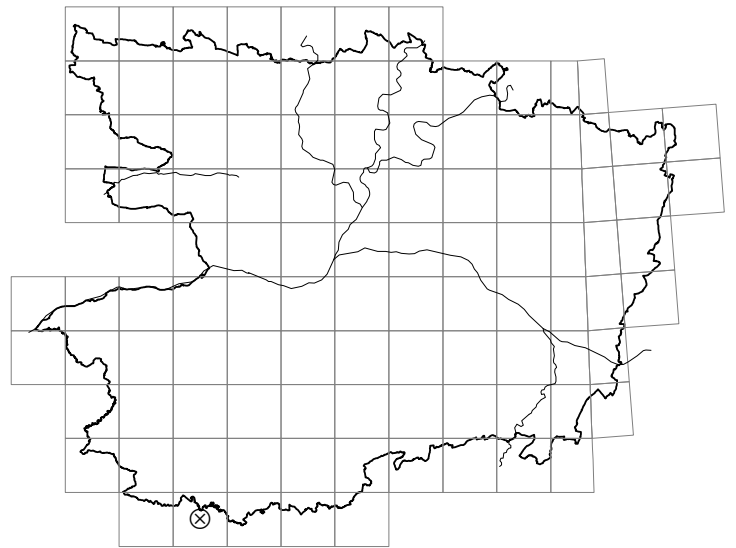

Scrophularia canina L. subsp. *canina* (#)

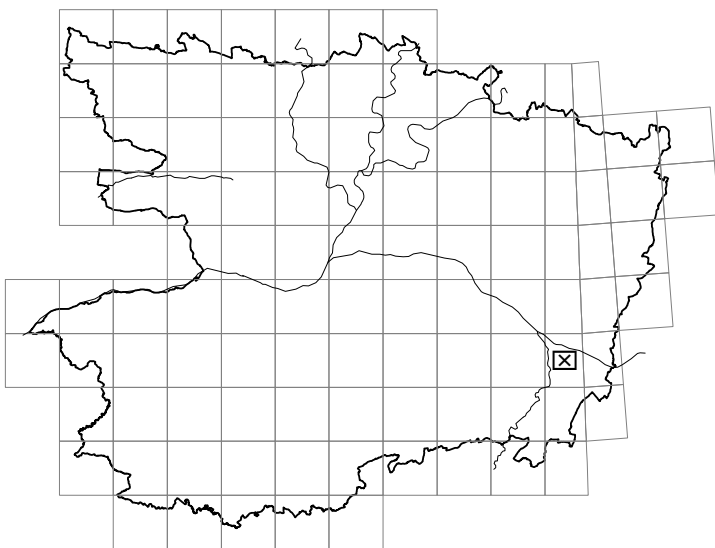

Scrophularia nodosa

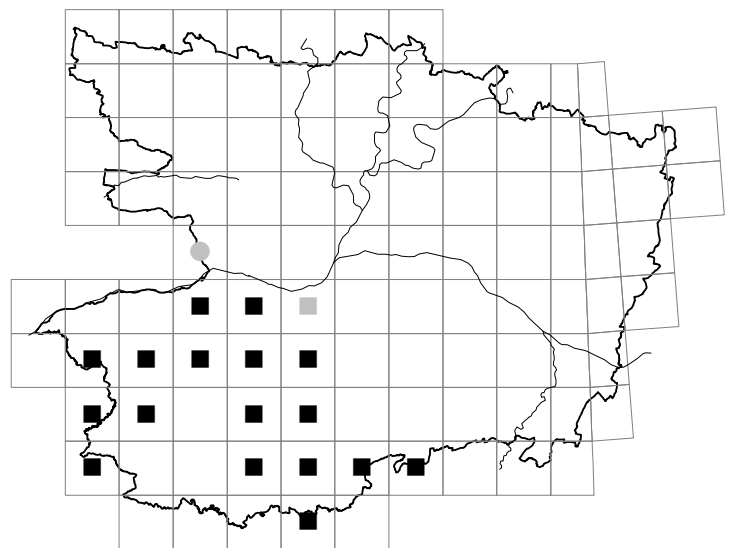

Scrophularia peregrina

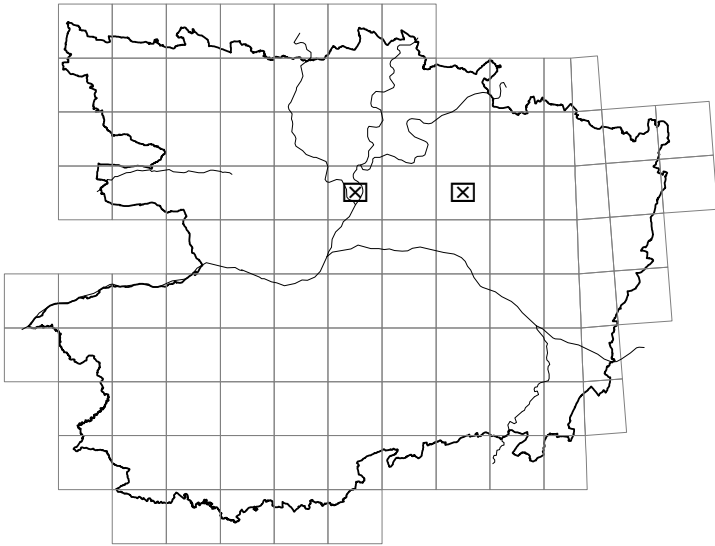

Scrophularia scorodonia

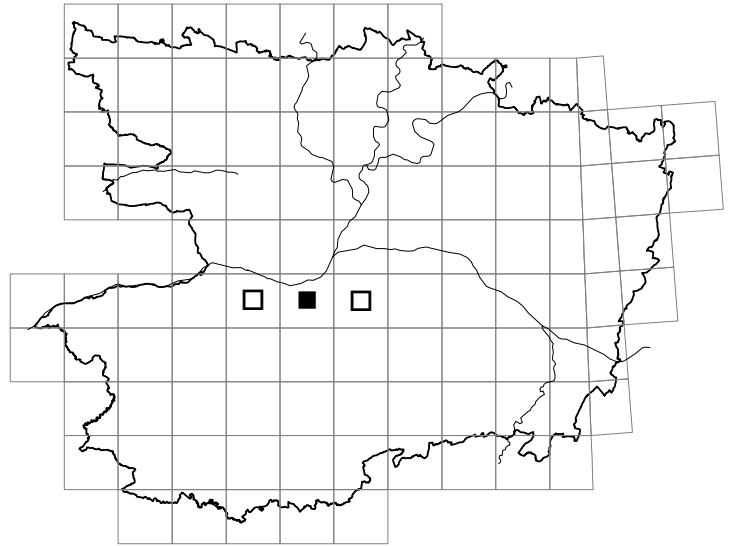

Scrophularia umbrosa

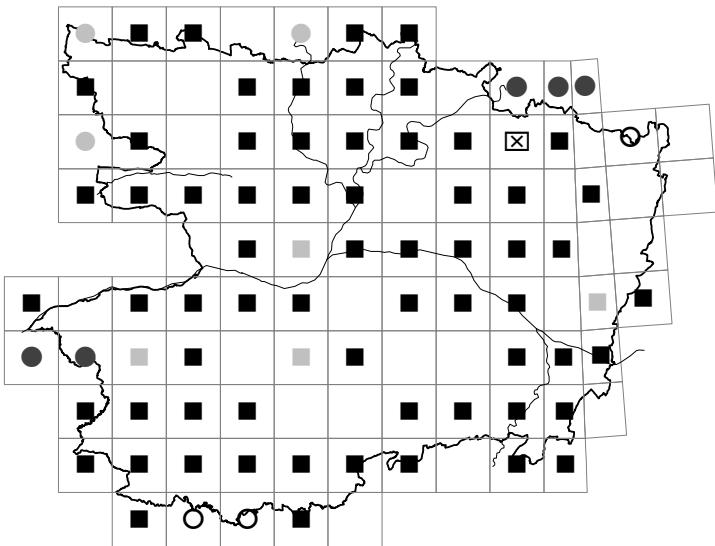

Scrophularia vernalis

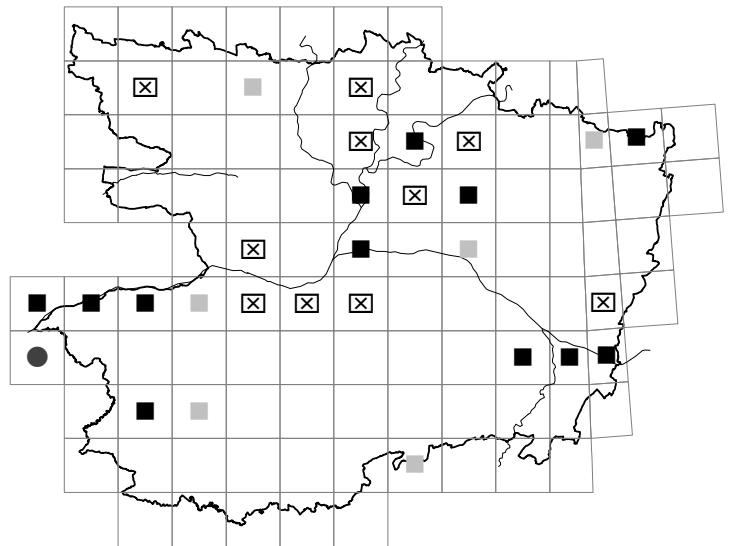

Scutellaria albida

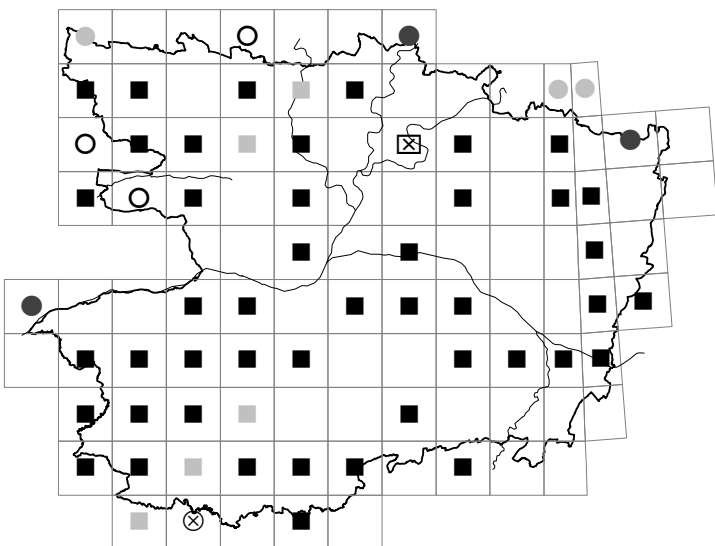

Scutellaria galericulata

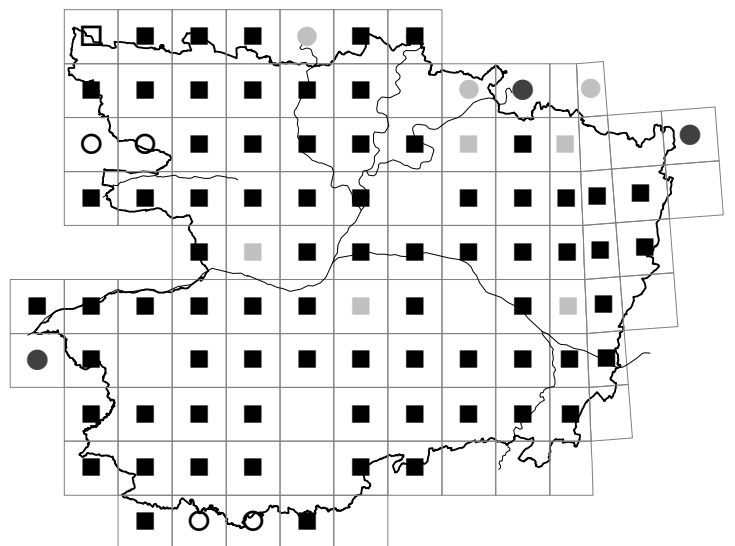

Scutellaria hastifolia L. (#)

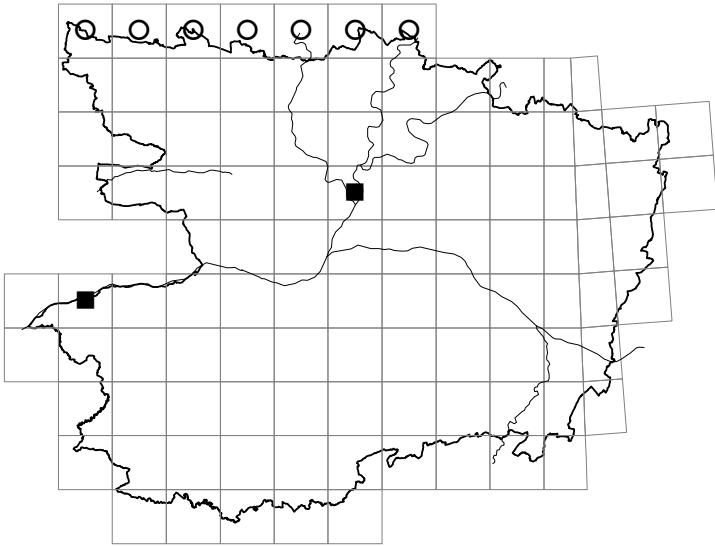

Scutellaria minor

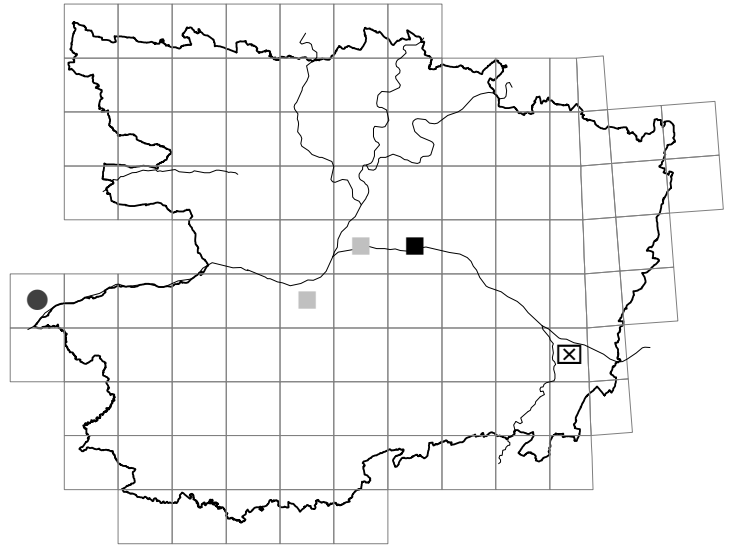

Sedum acre

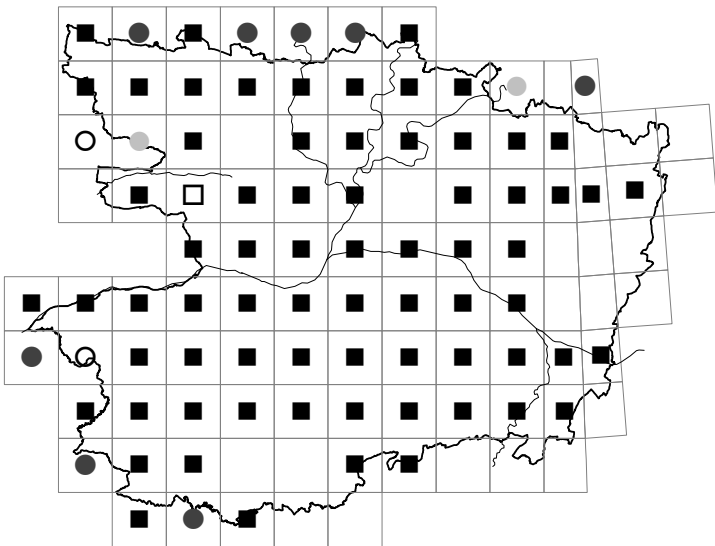

Sedum album subsp. album

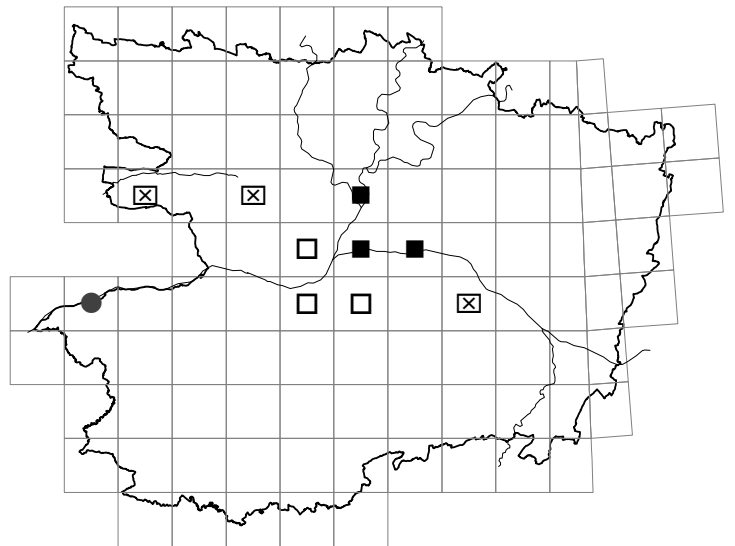

Sedum album subsp. micranthum

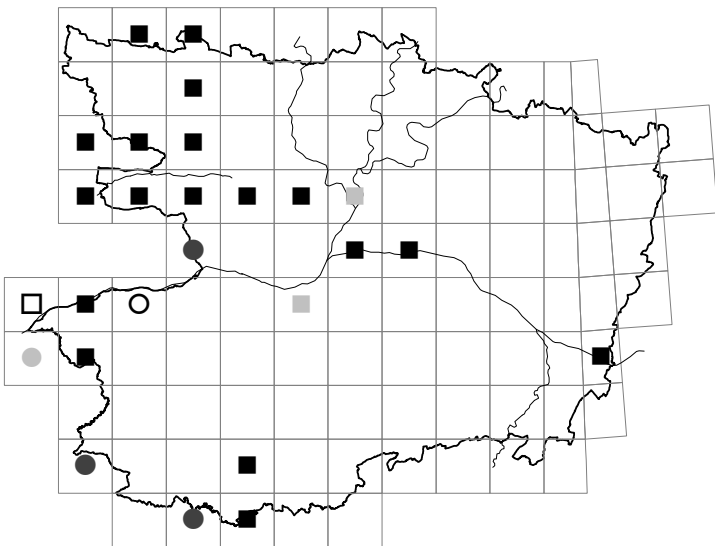

Sedum album

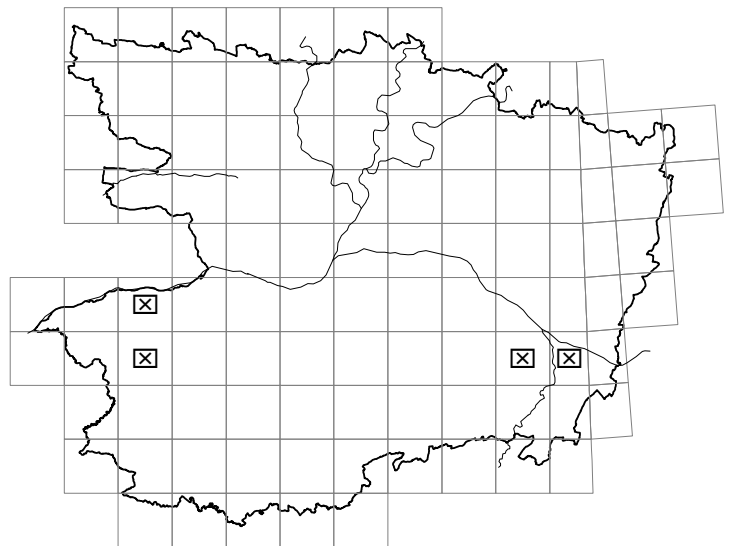

Sedum andegavense (DC.) Desv. (#)

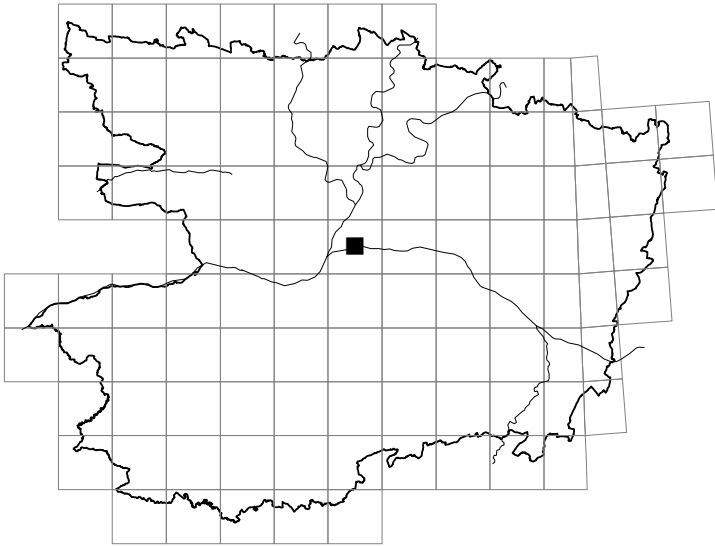

Sedum anglicum subsp. anglicum

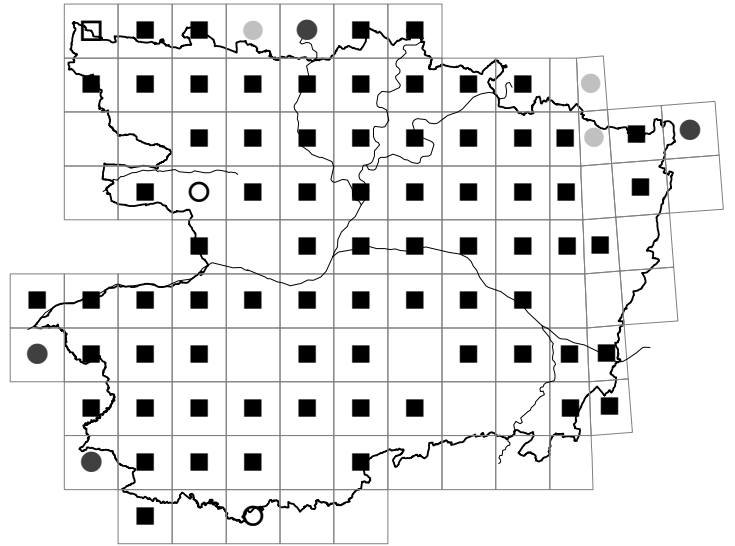

Sedum annuum

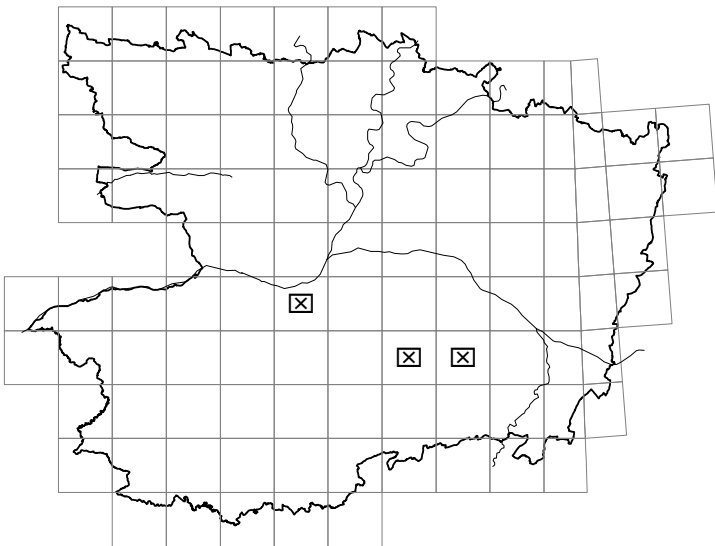

Sedum caespitosum

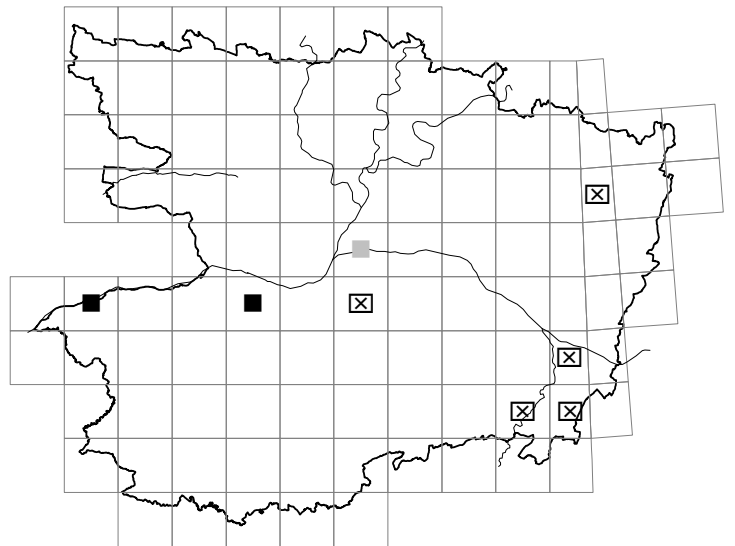

Sedum cepaea

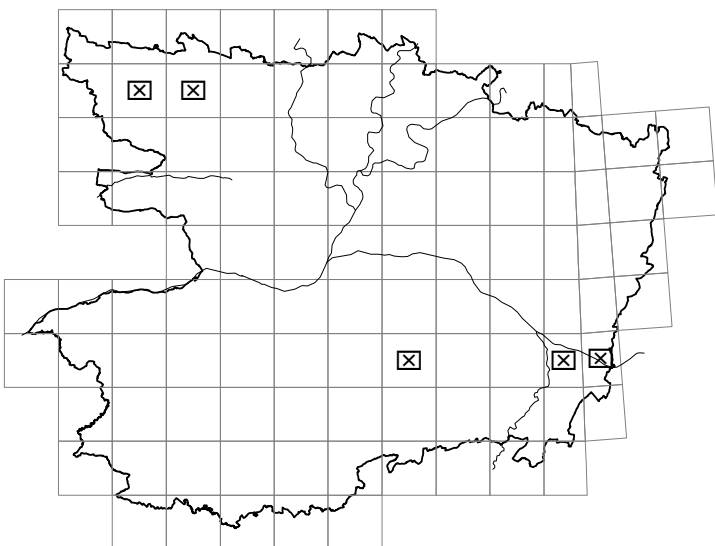

Sedum dasyphyllum subsp. dasyphyllum

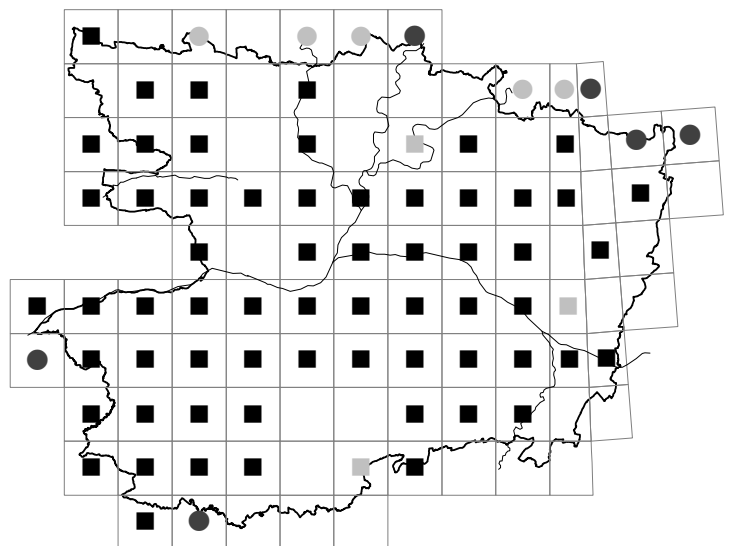

Sedum forsterianum

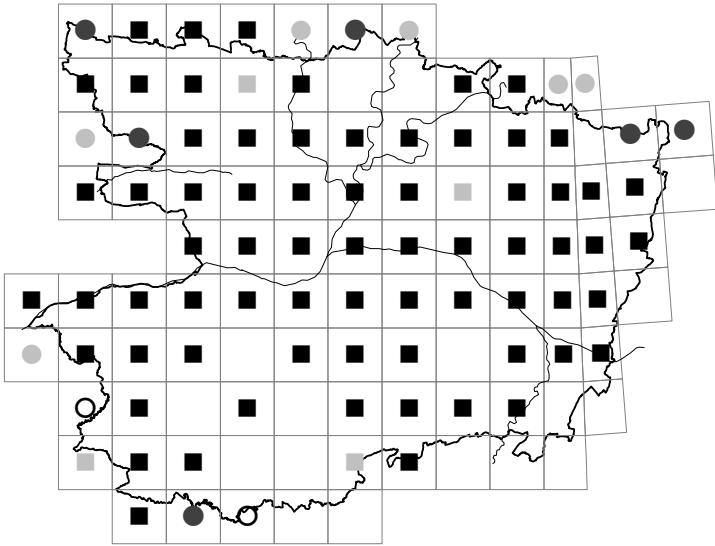

Sedum ochroleucum

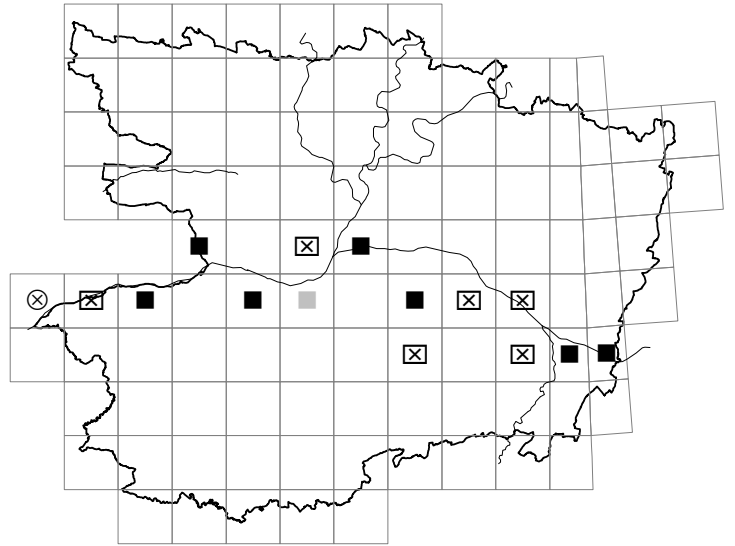

Sedum rubens subsp. rubens

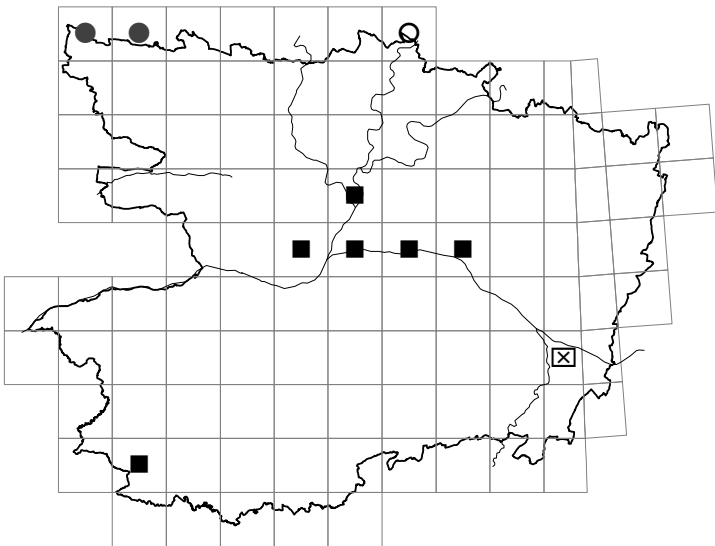

Sedum rupestre

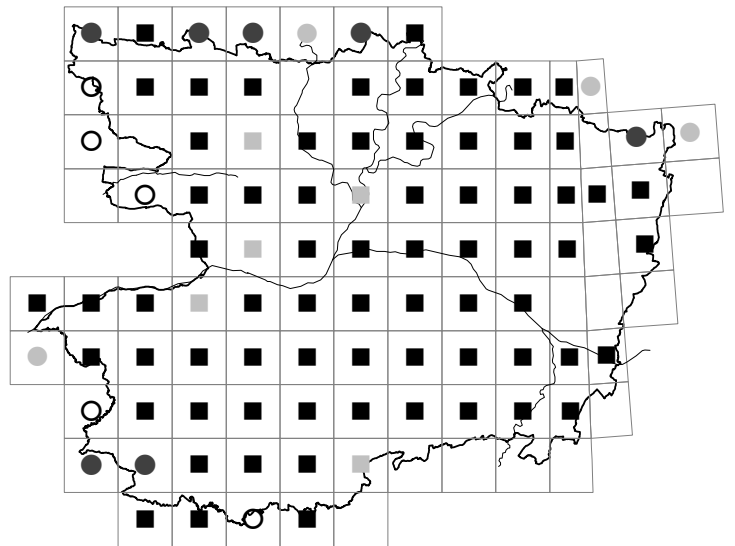

Sedum sexangulare L. (#)

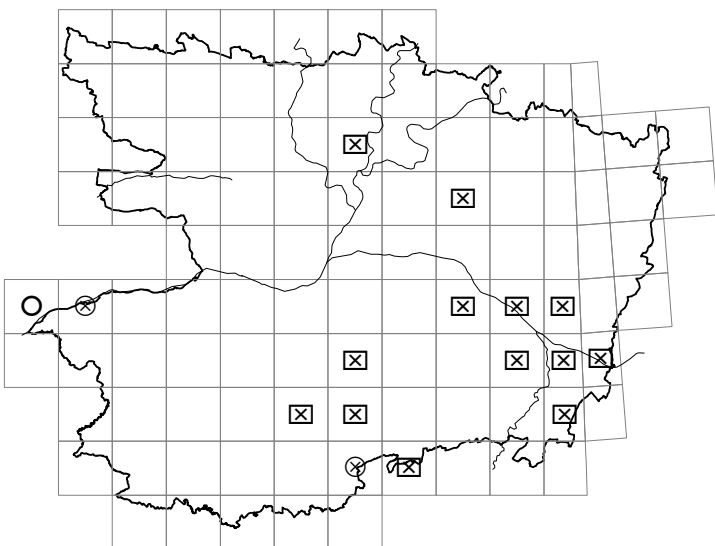

Sedum spurium

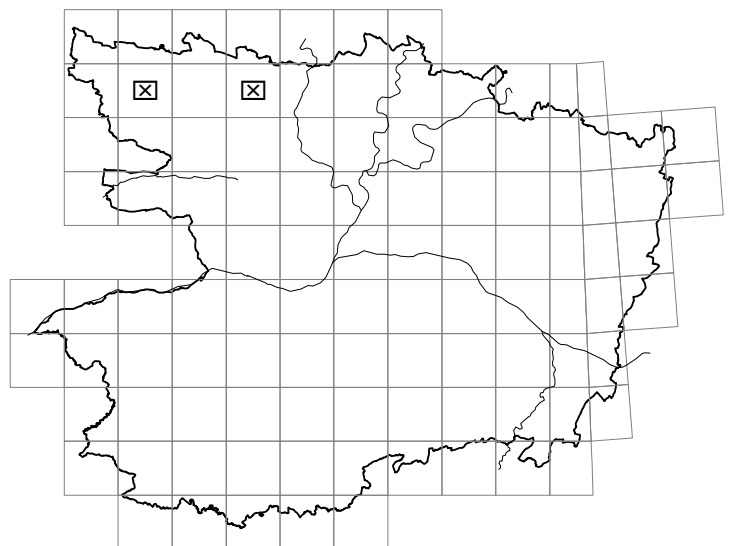

Sedum telephium subsp. *telephium*

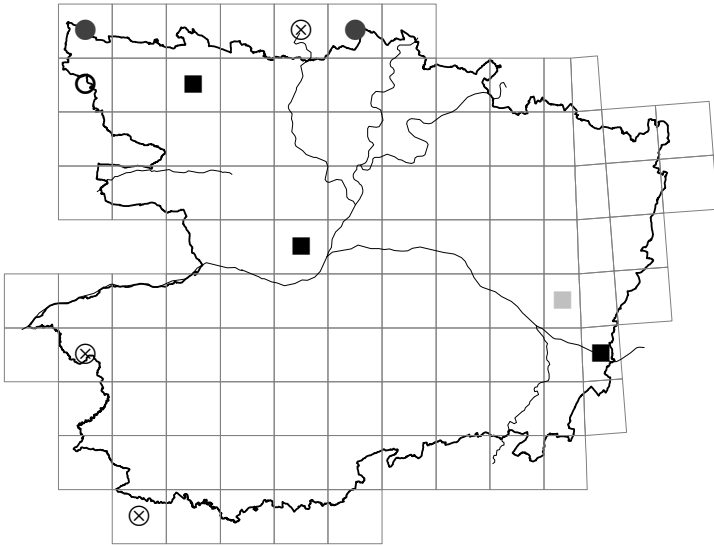

Sedum villosum L. (#)

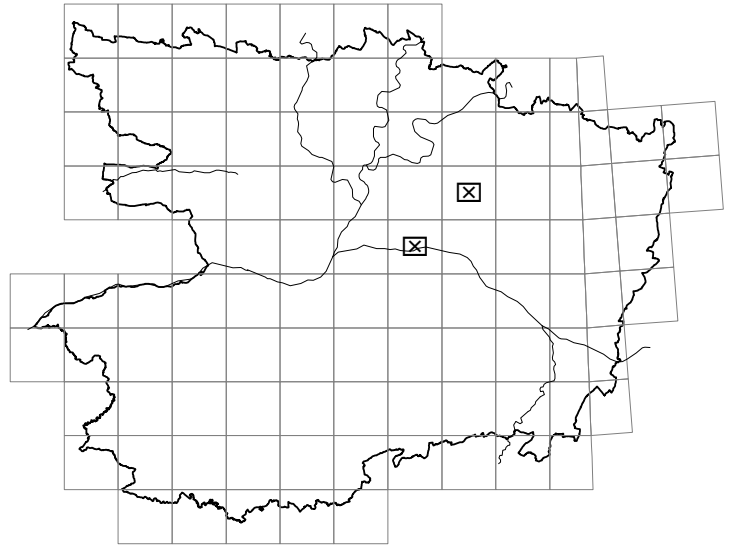

Selinum carvifolia (L.) L. (#)

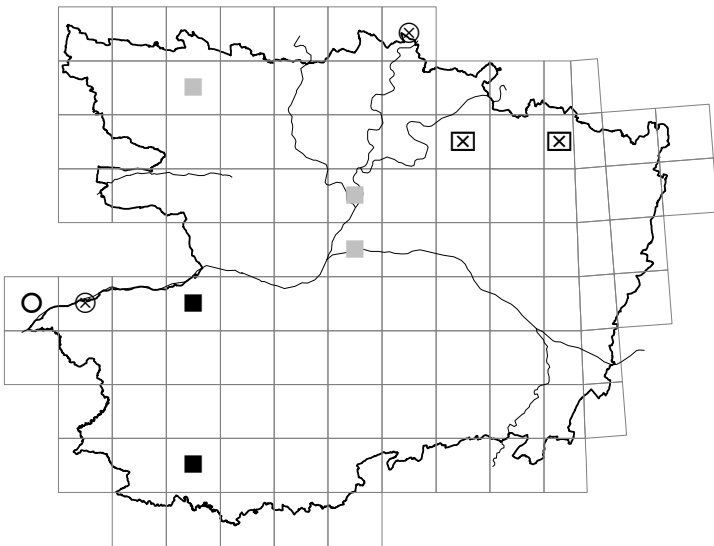

Sempervivum tectorum

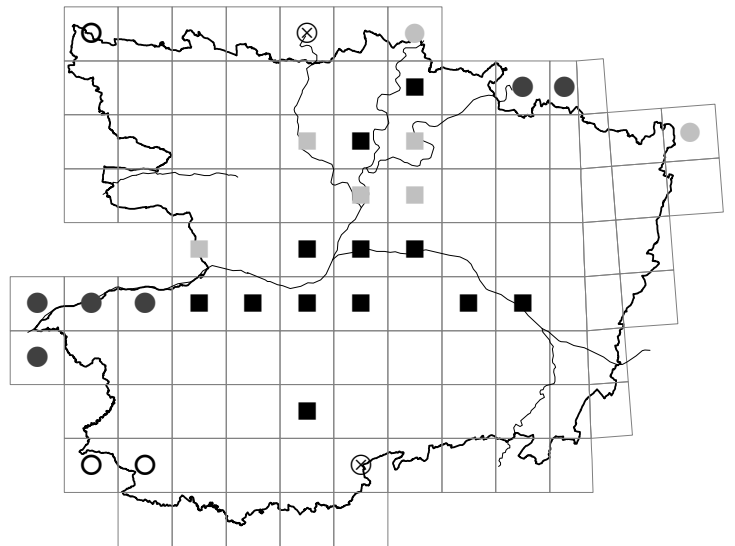

Senecio adonidifolius

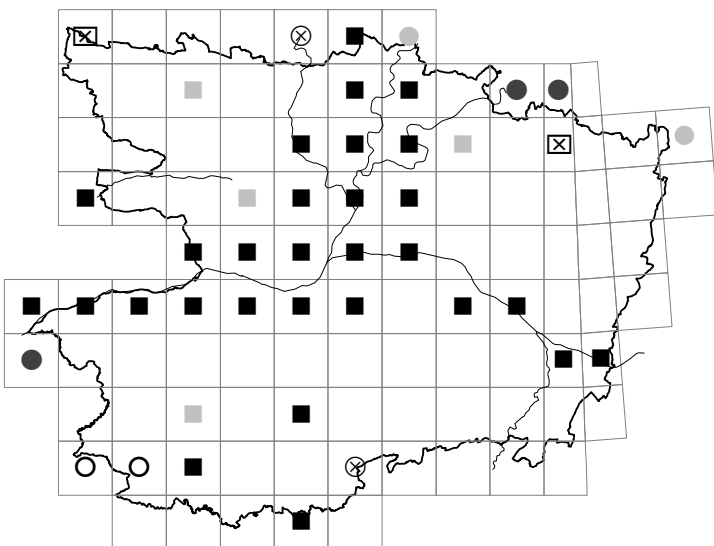

Senecio aquaticus Hill subsp. *erraticus* (Bertol.) Tourlet (#)

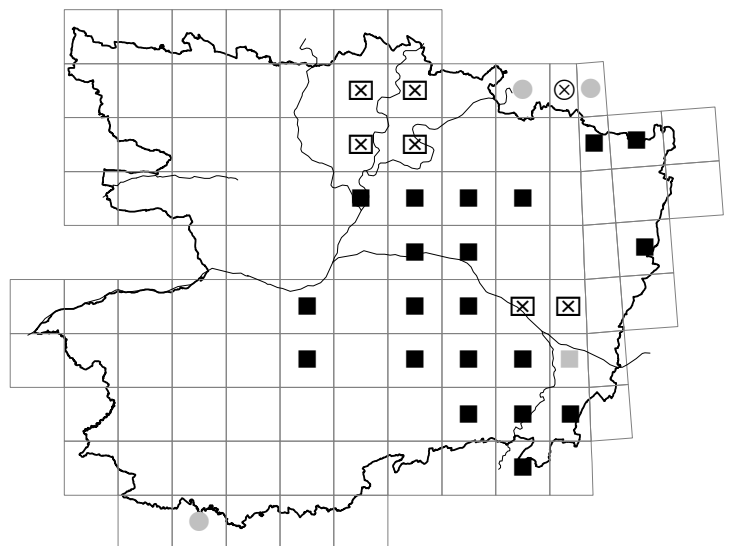

Senecio aquaticus subsp. *aquaticus*

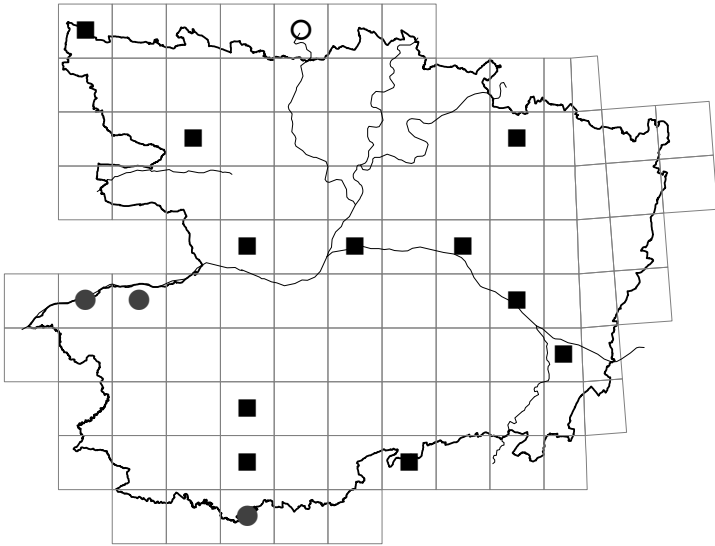

Senecio aquaticus

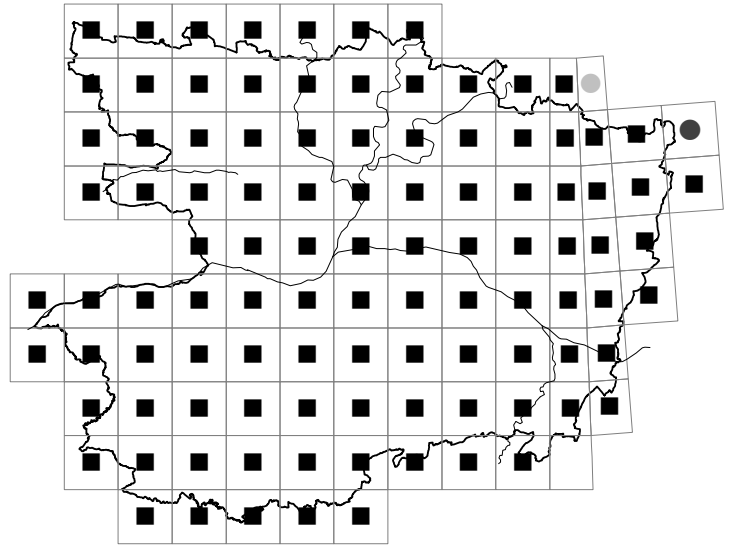

Senecio erucifolius

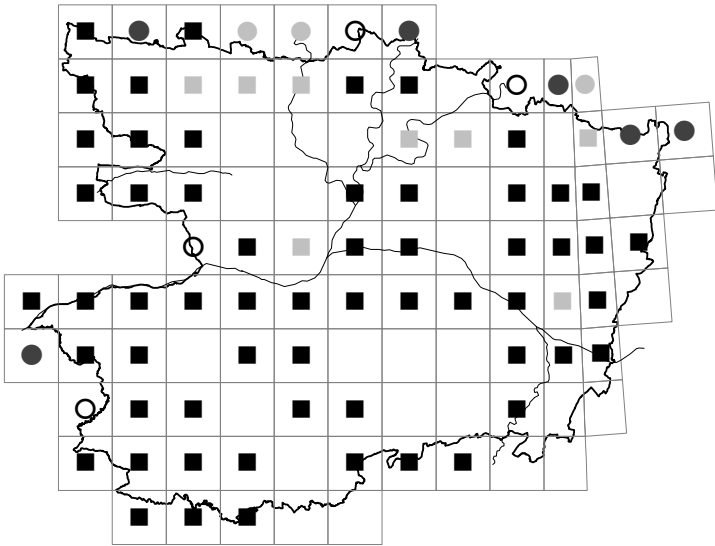

Senecio inaequidens

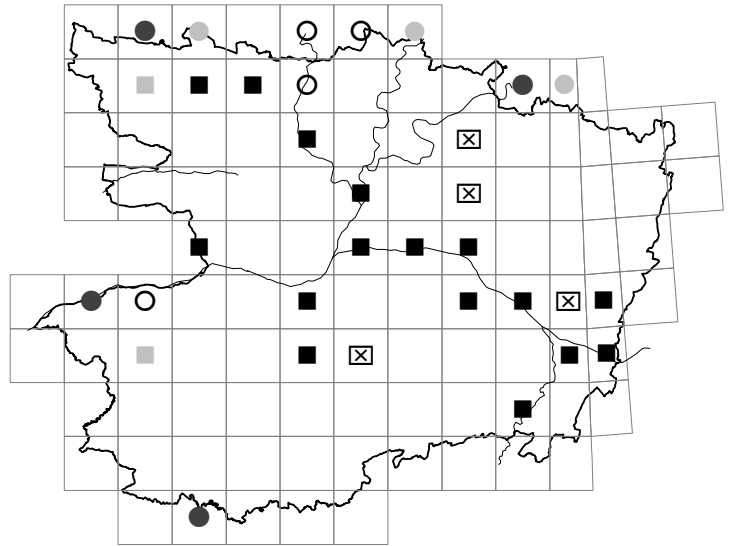

Senecio jacobaea

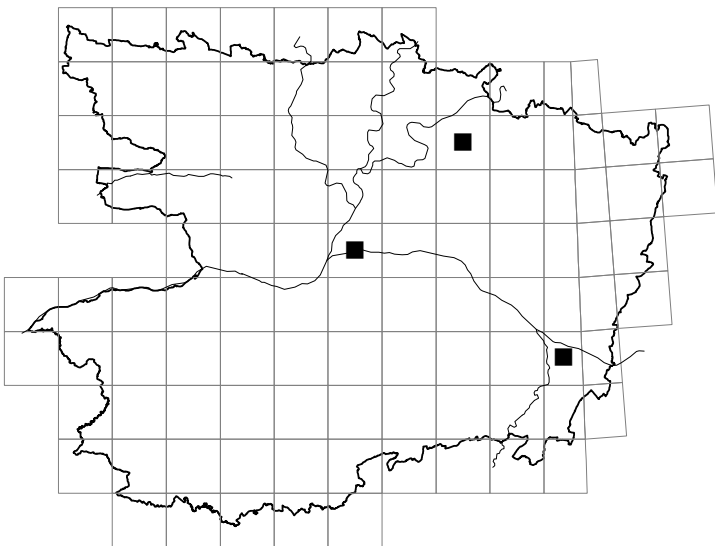

Senecio sylvaticus

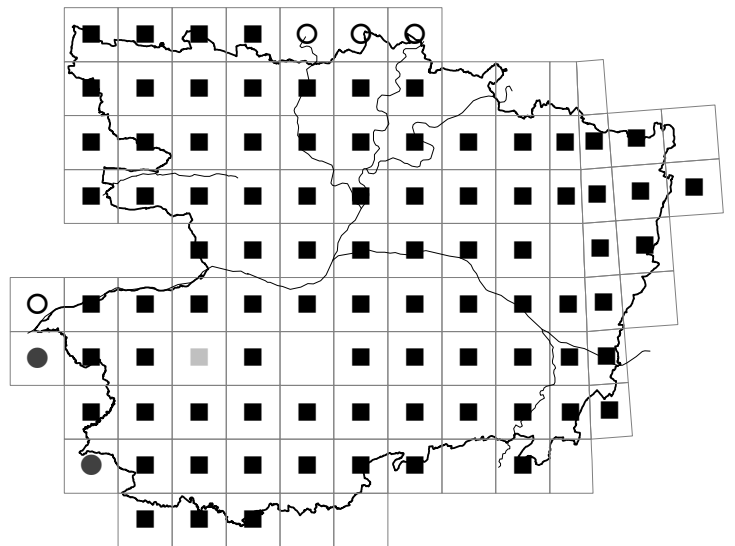

Senecio viscosus

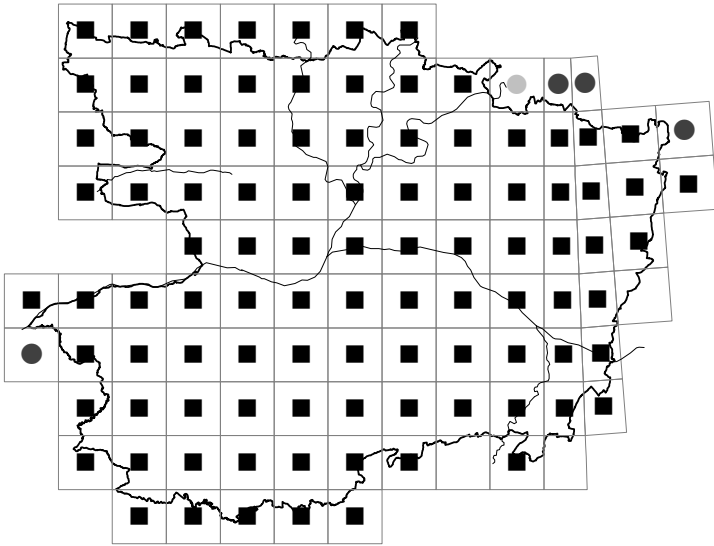

Senecio vulgaris subsp. denticulatus

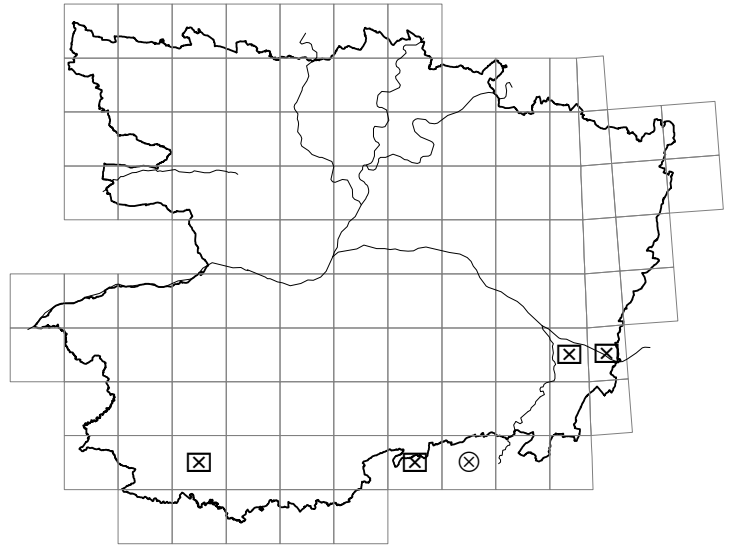

Senecio vulgaris subsp. vulgaris

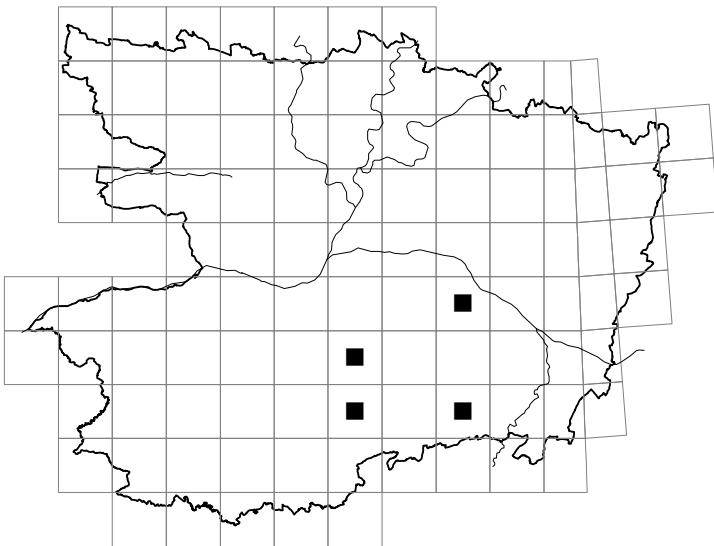

Senecio vulgaris

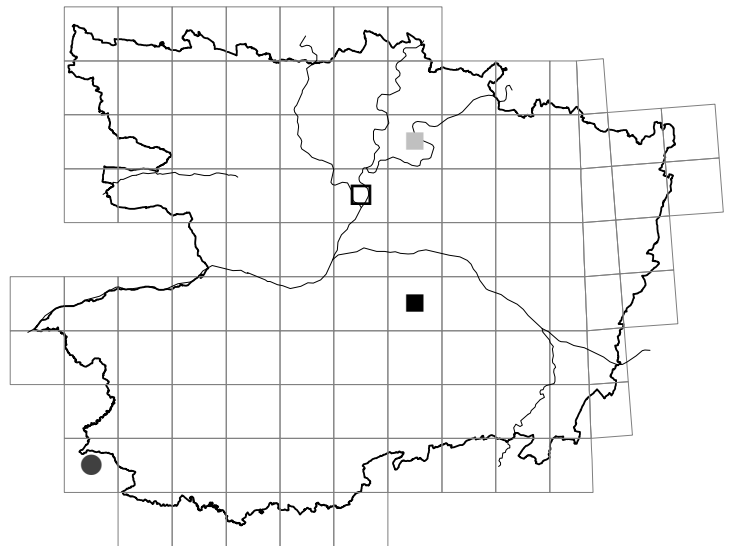

Serapias cordigera L. (#)

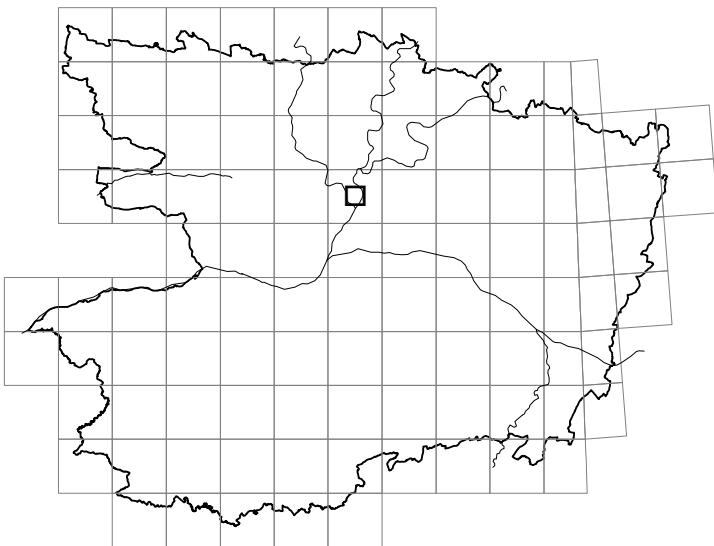

Serapias lingua L. (#)

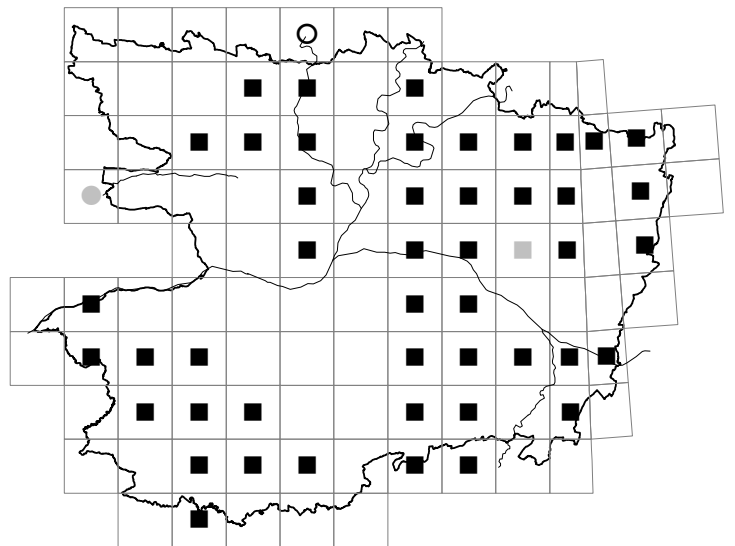

Serapias parviflora Parl. (#)

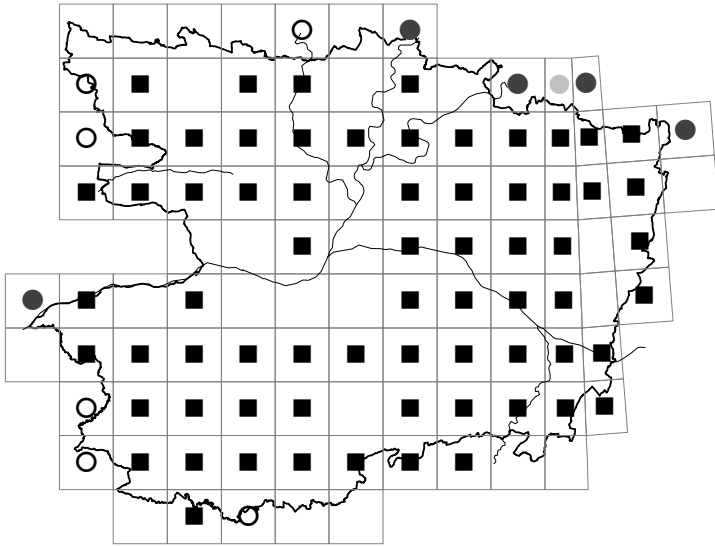

Serapias vomeracea

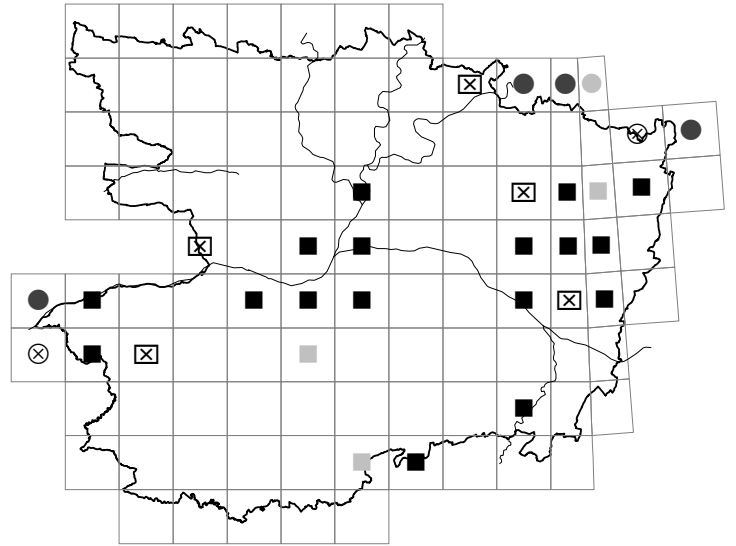

Serratula tinctoria subsp. *tinctoria*

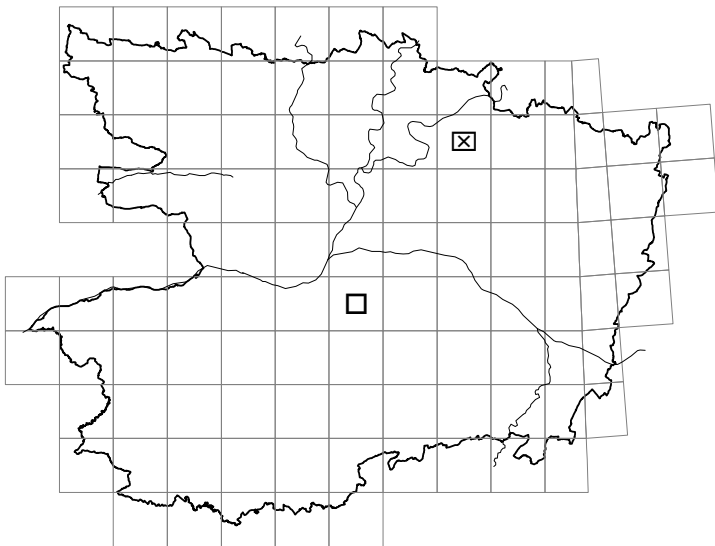

Serratula tinctoria

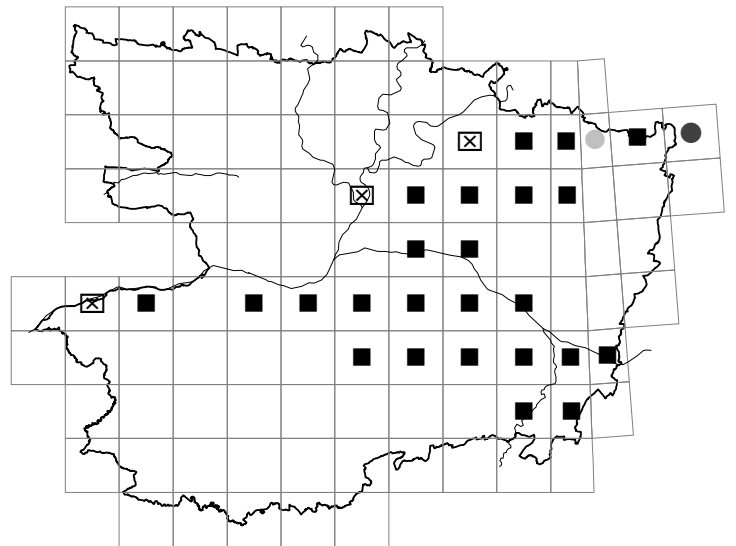

Sesamoides purpurascens (L.) G.López (#)

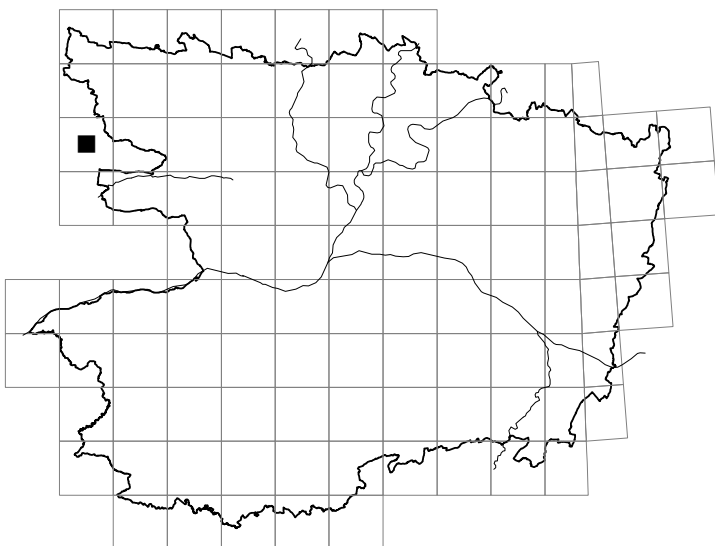

Seseli annuum L. subsp. *annuum* (#)

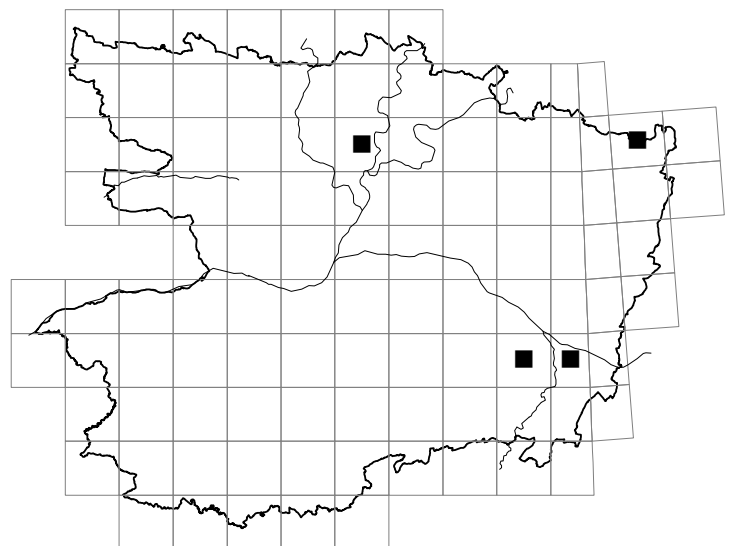

Seseli montanum L. subsp. *montanum* (#)

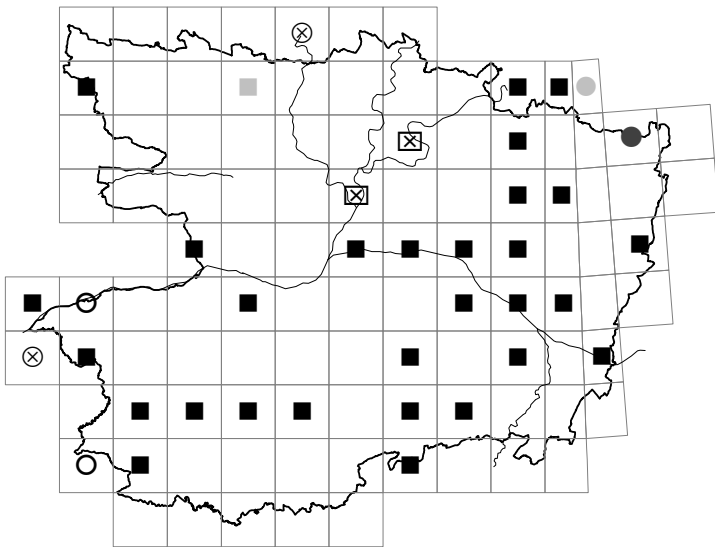

Setaria faberi

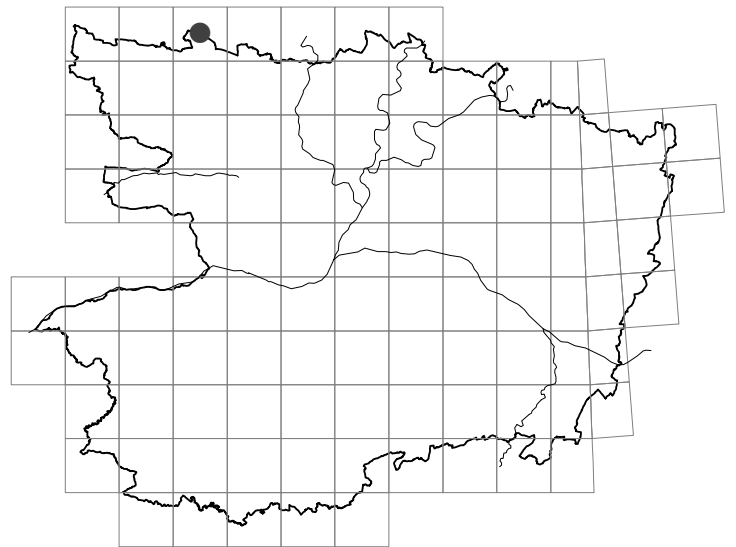

Setaria italica

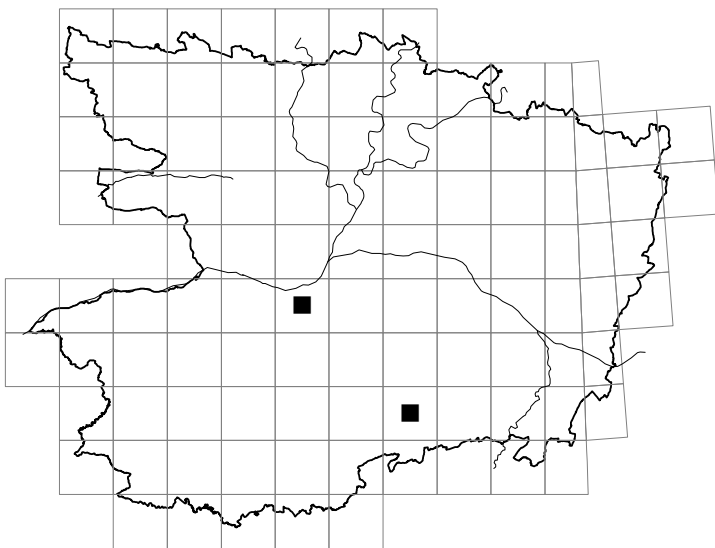

Setaria pumila

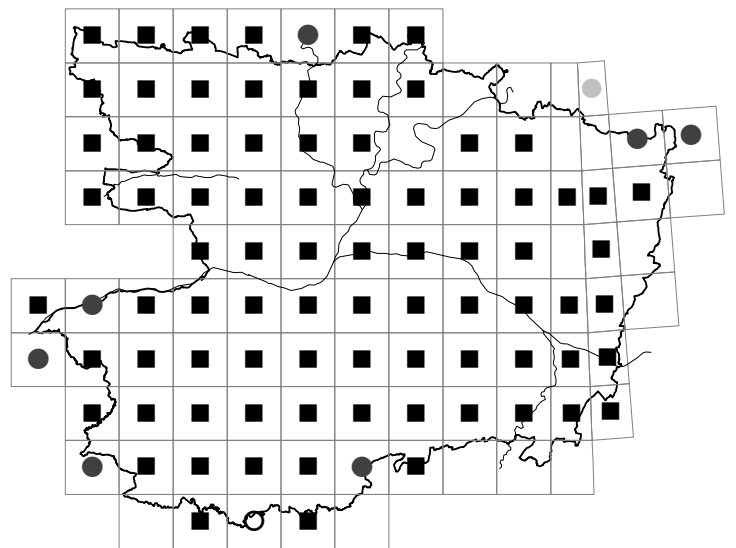

Setaria verticillata var. *ambigua*

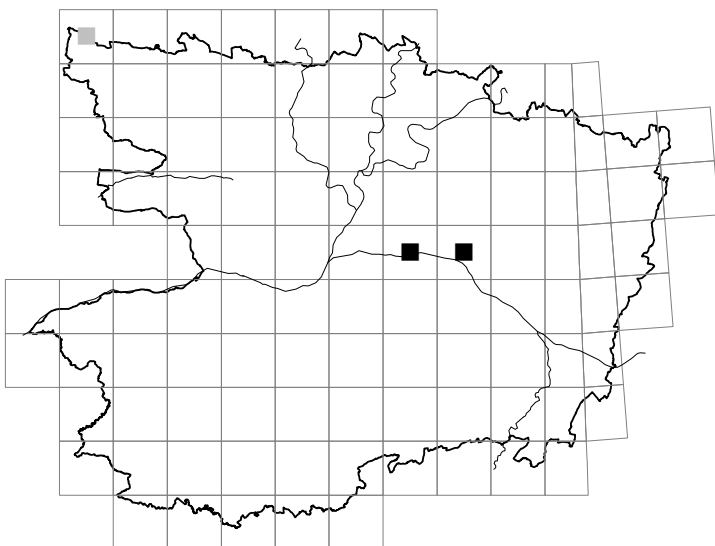

Setaria verticillata var. *verticillata*

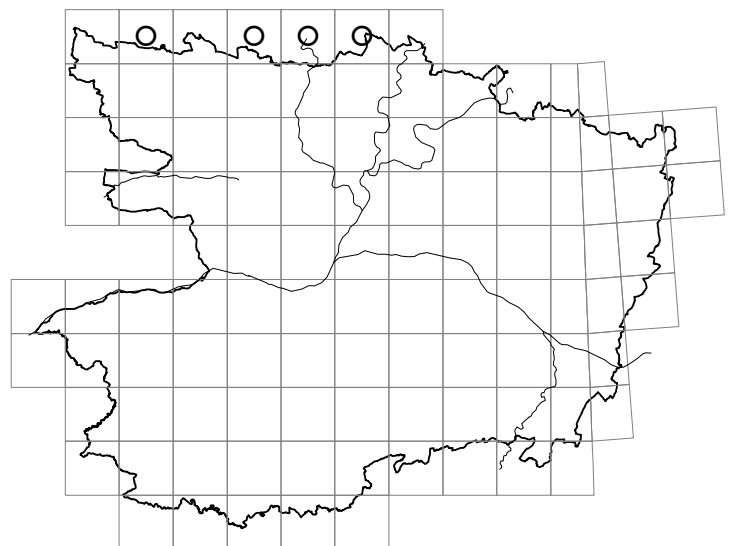

Setaria verticillata

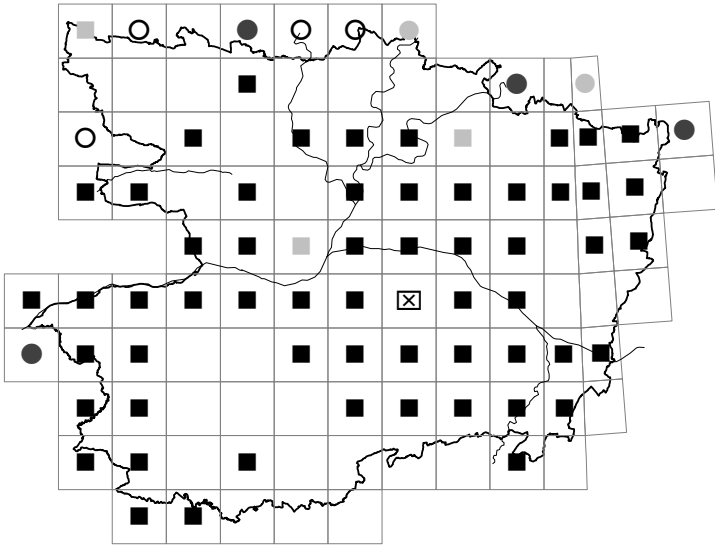

Setaria viridis subsp. *pycnocoma*

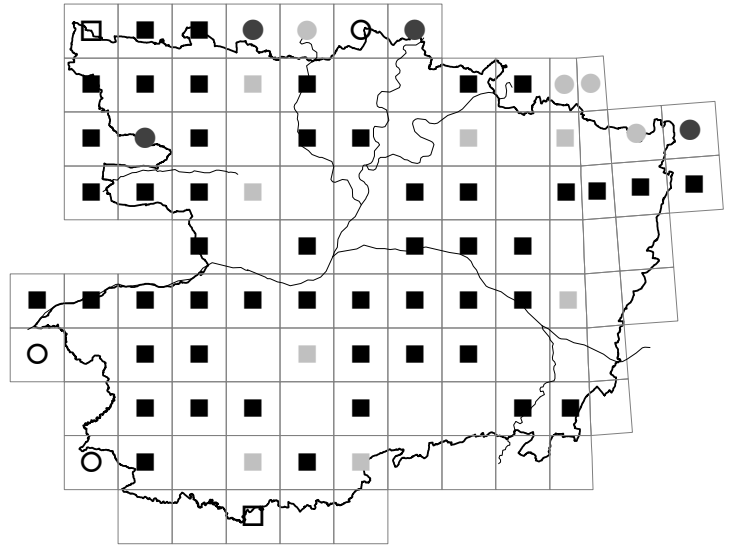

Setaria viridis subsp. *viridis*

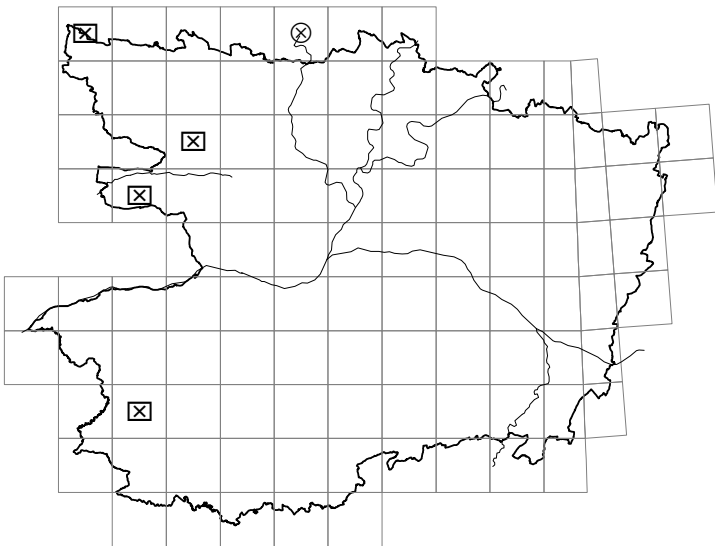

Setaria viridis

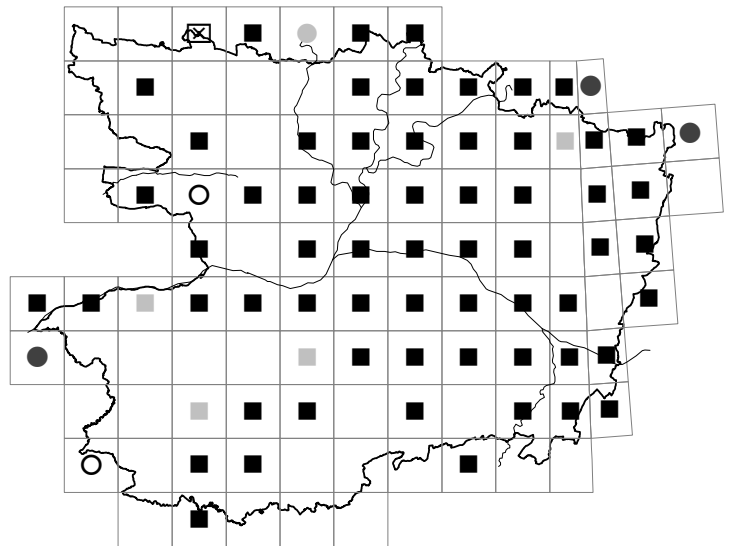

Sherardia arvensis

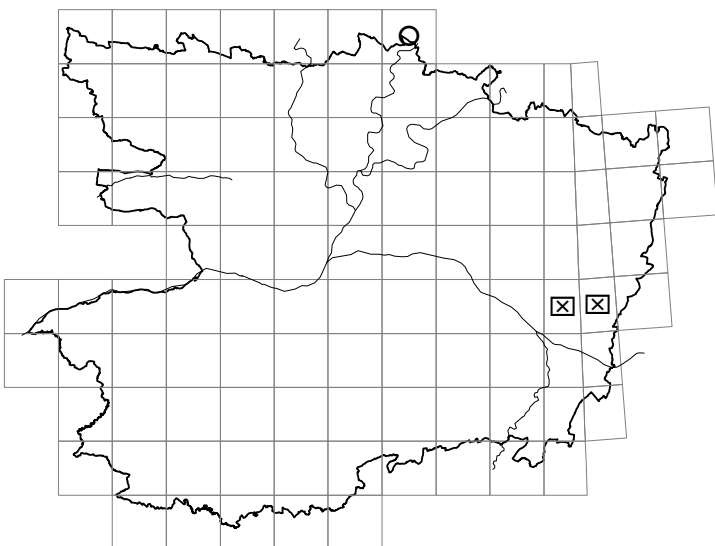

Sibthorpia europaea L. (#)

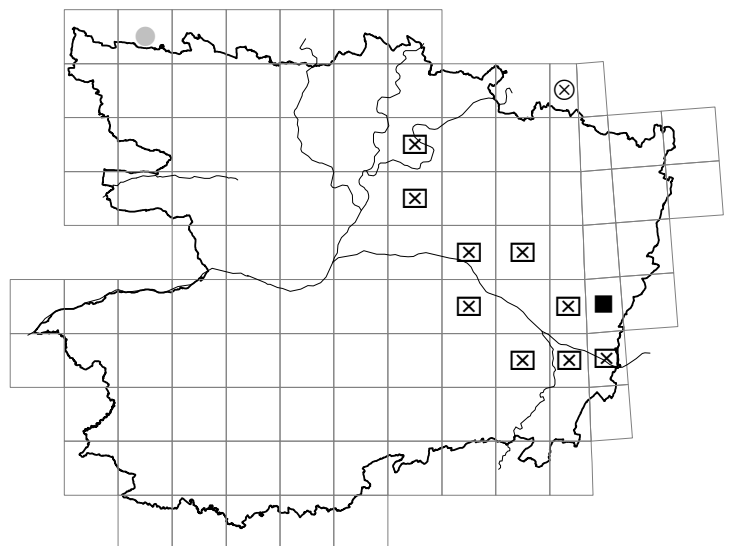

Silaum silaus

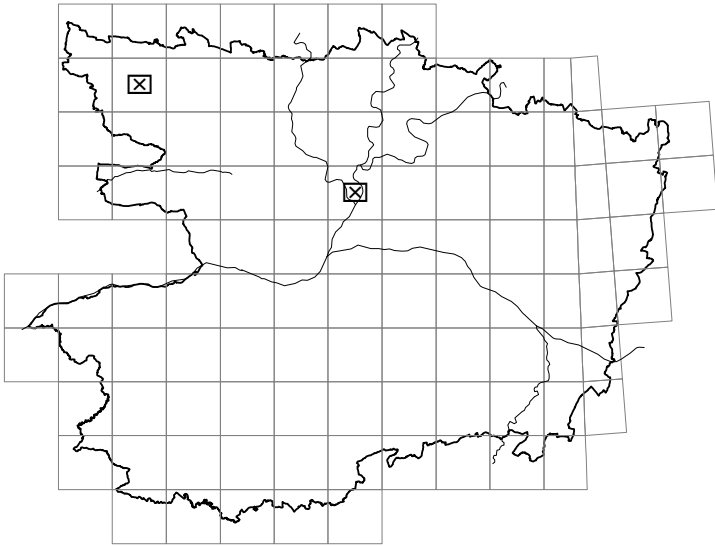

Silene armeria

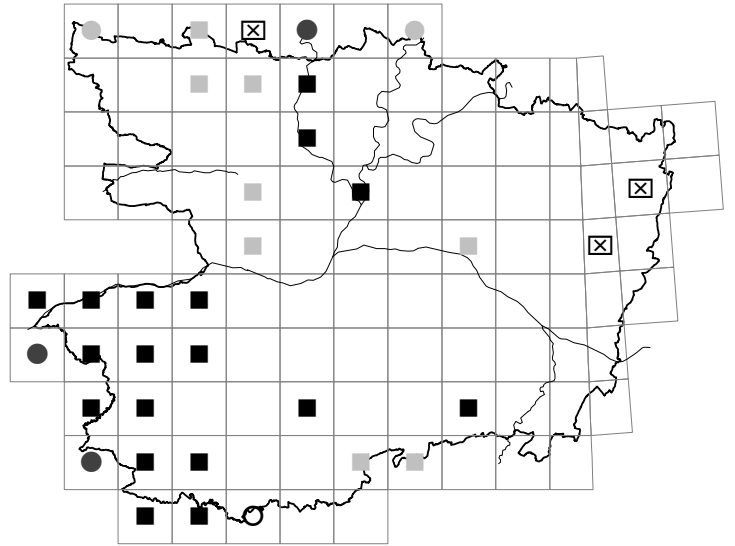

Silene conica subsp. *conica*

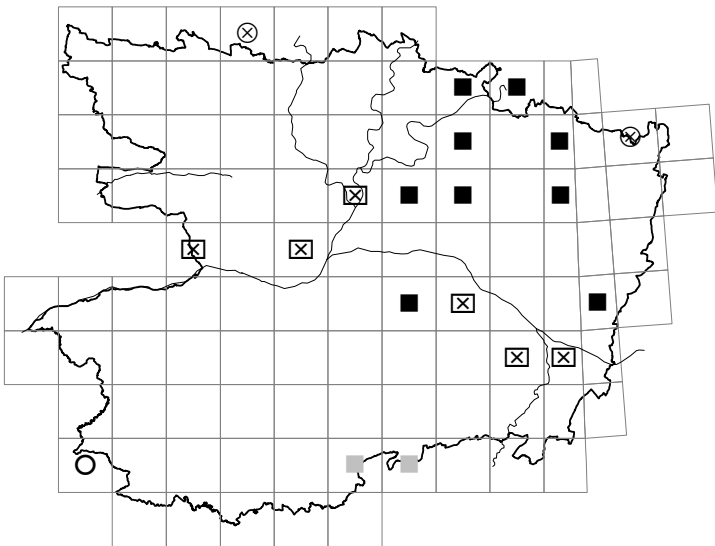

Silene cretica

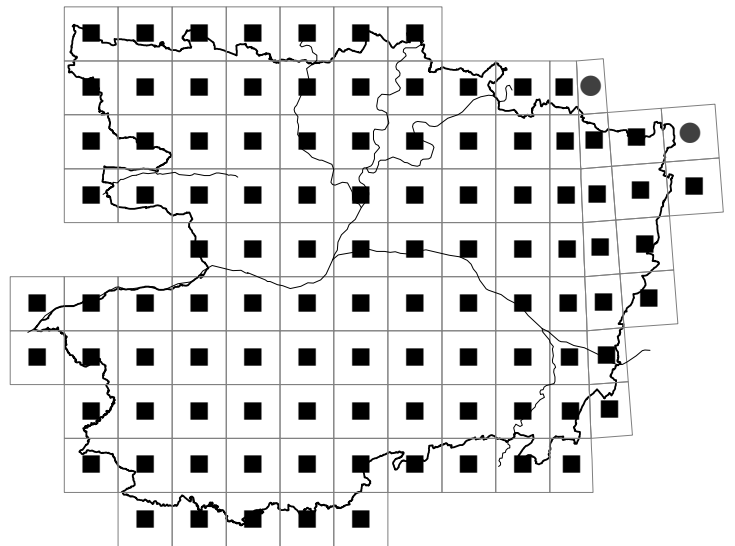

Silene dioica

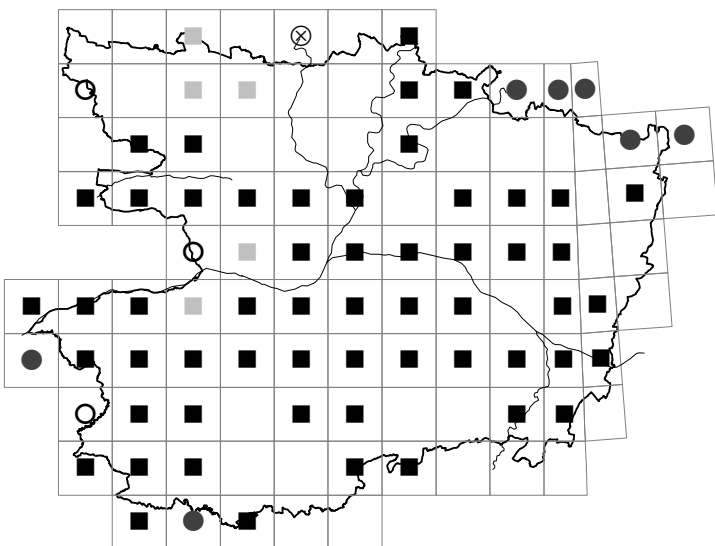

Silene gallica

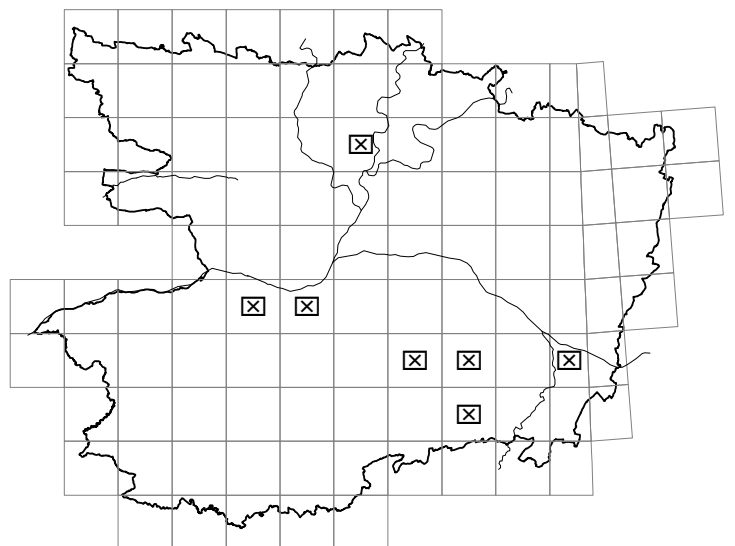

Silene latifolia subsp. alba

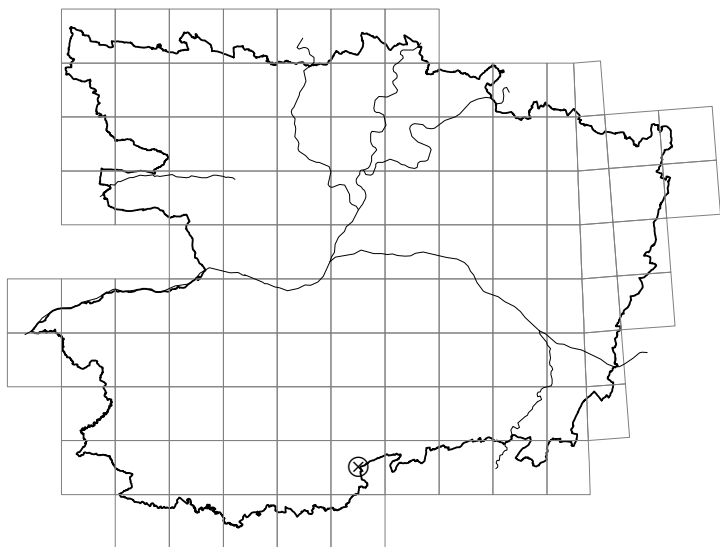

Silene nutans

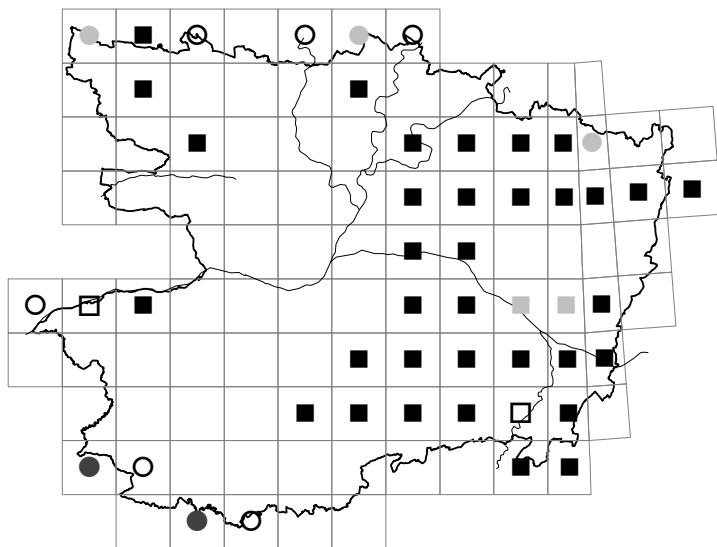

Silene otites subsp. otites

Silene vulgaris (Moench) Garcke subsp. *bastardii* Boreau
ex J.Lloyd (#)

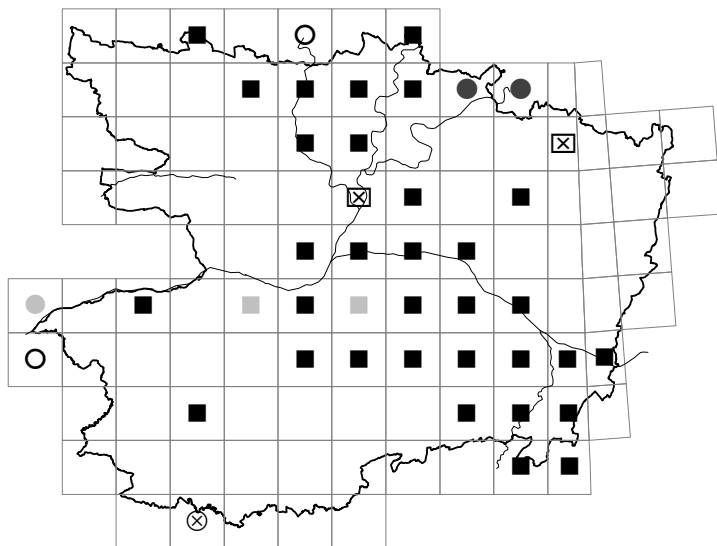

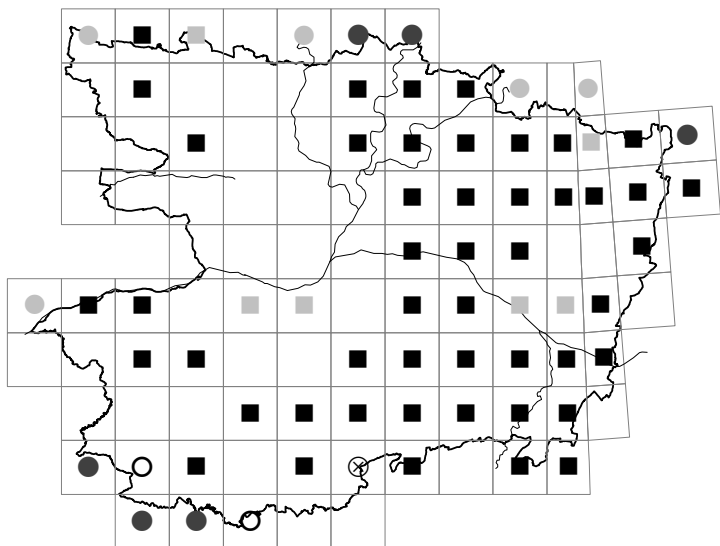

Silene vulgaris subsp. *vulgaris*

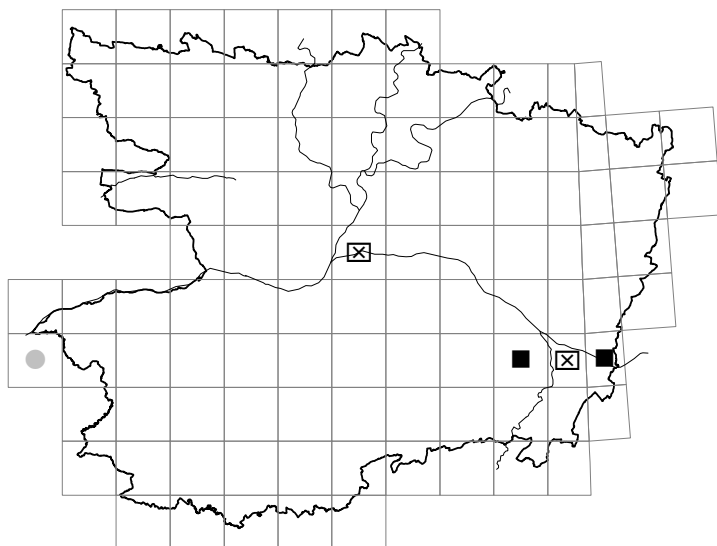

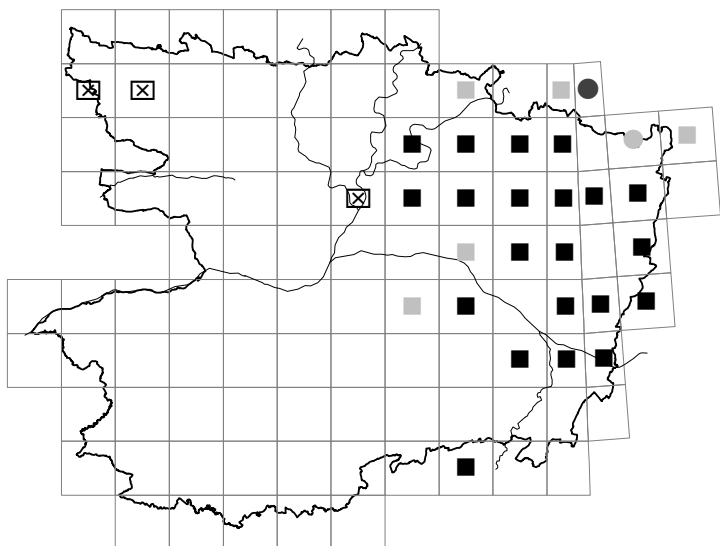

Silene vulgaris

Silybum marianum (L.) Gaertn. (#)

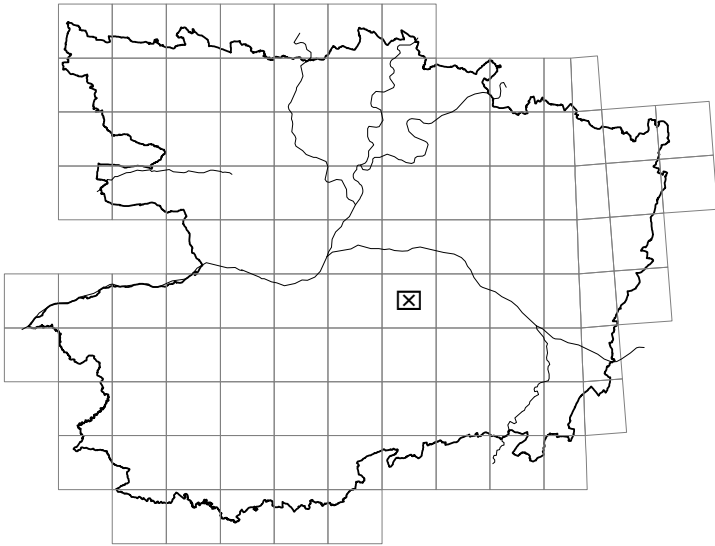

Simethis planifolia

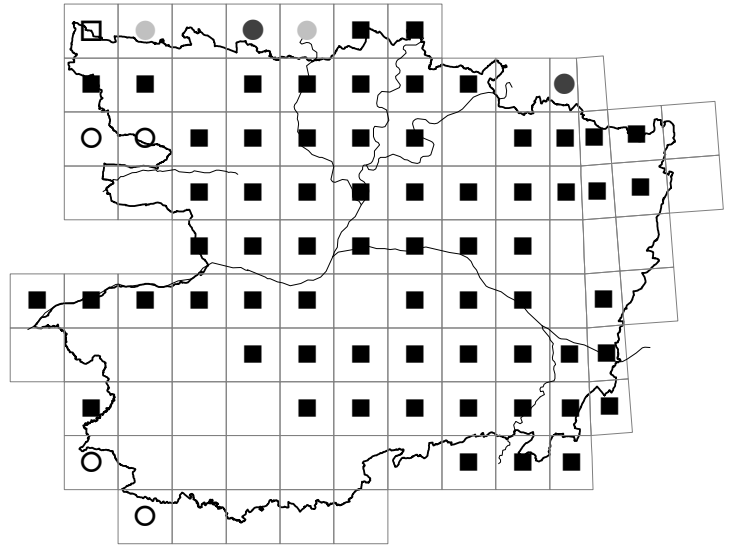

Sinapis alba subsp. *alba*

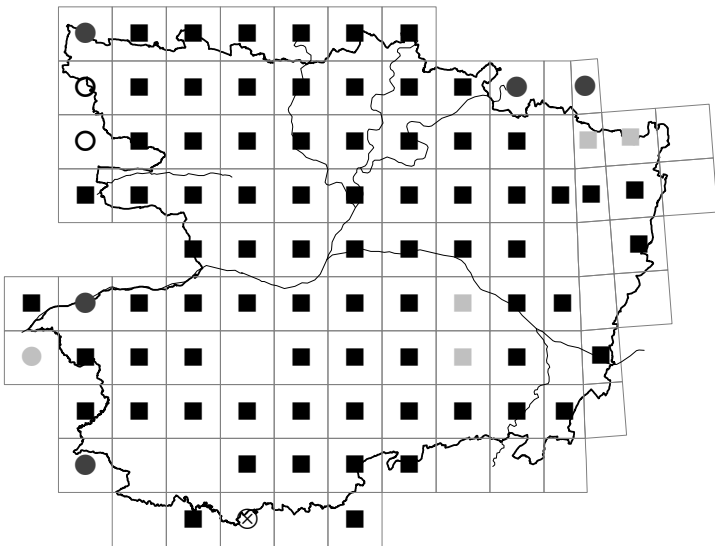

Sinapis arvensis var. *schkuhriana*

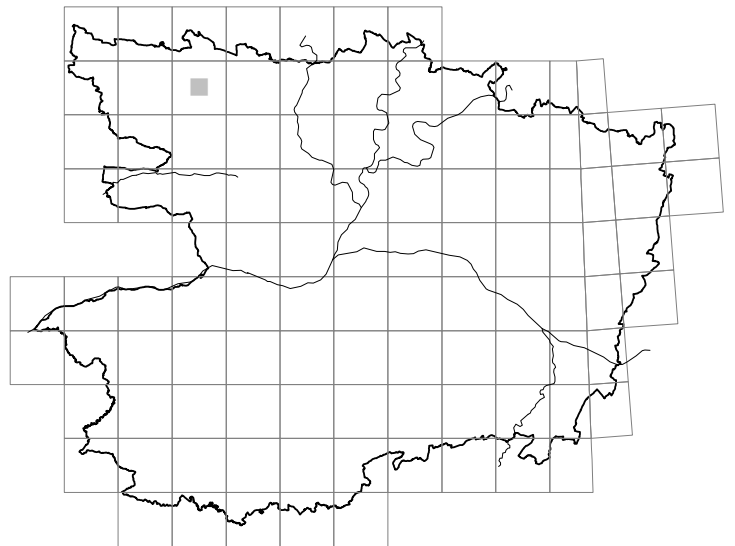

Sinapis arvensis

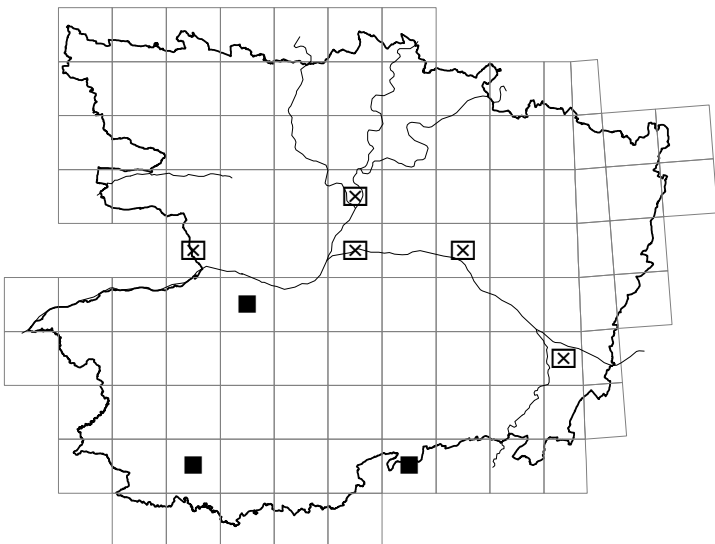

Sison amomum

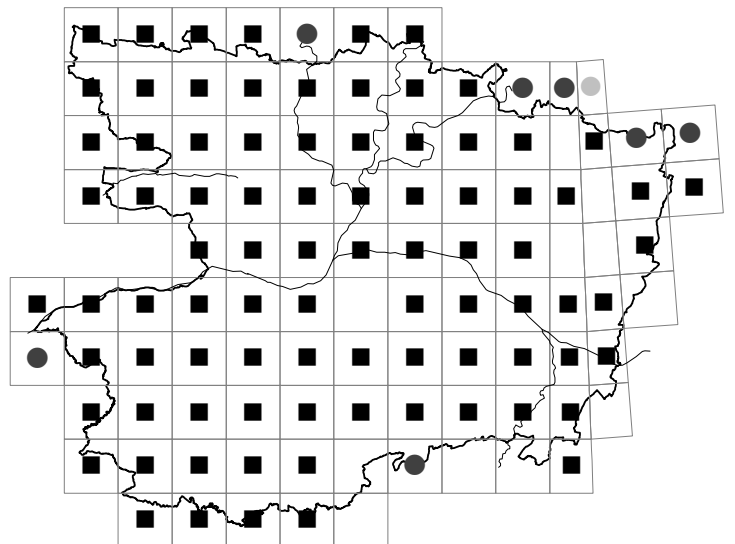

Sisymbrium altissimum

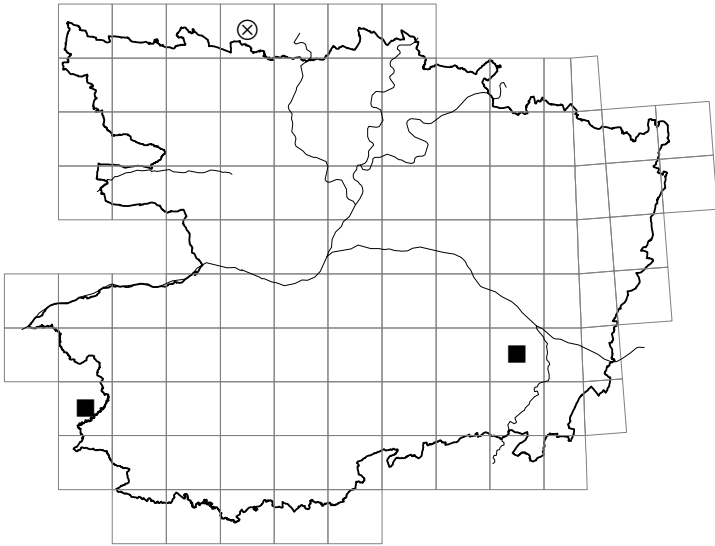

Sisymbrium irio

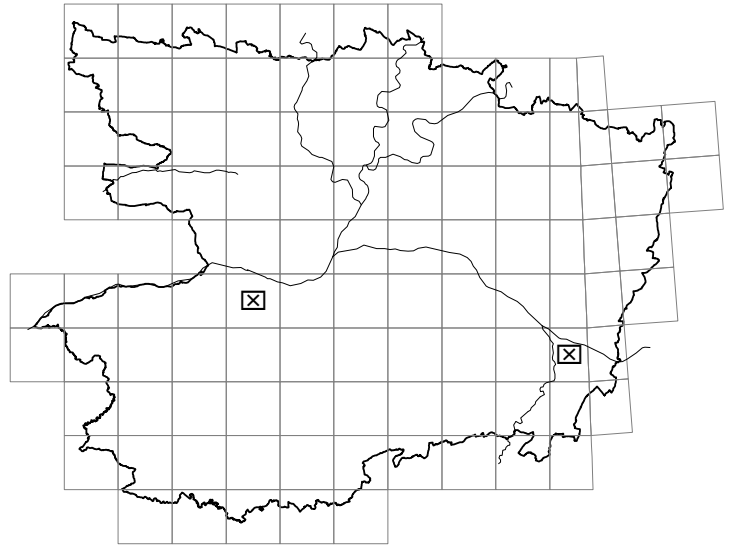

Sisymbrium officinale

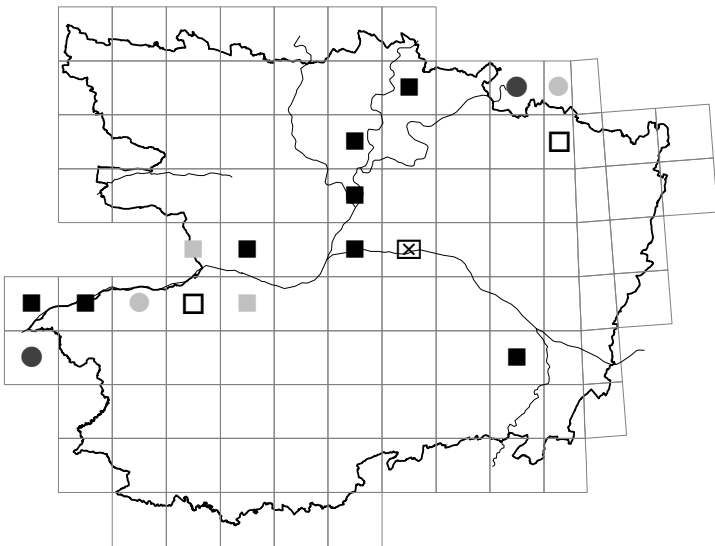

Sisymbrium orientale

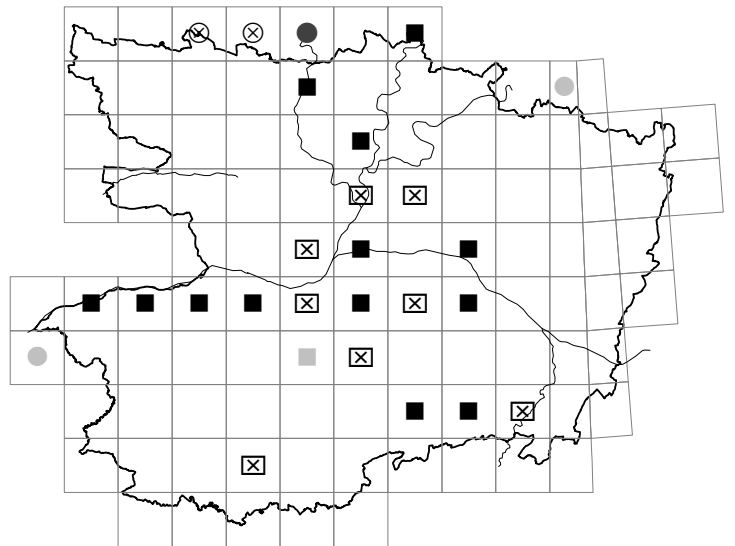

Sisymbrium supinum L. (#)

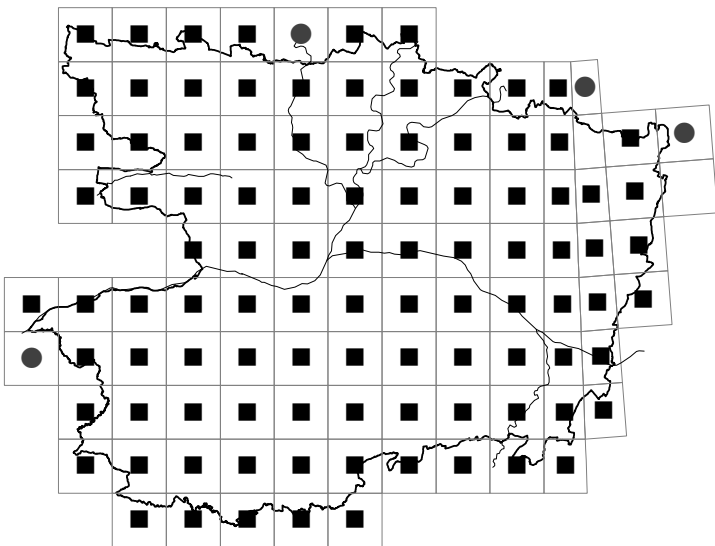

Sium latifolium

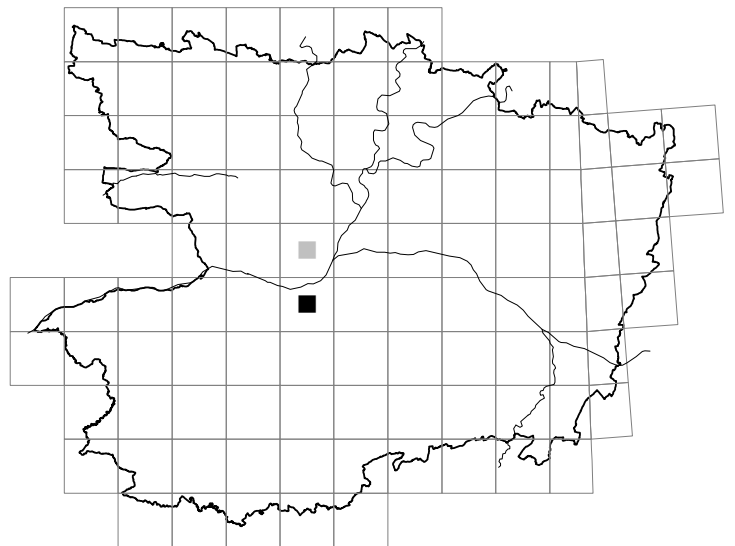

Smyrniolum olusatrum

Index alphabétique des noms latins

(*) La première colonne indique le nom latin du taxon suivant le référentiel nomenclatural de la flore de l'Ouest de la France (R.N.F.O.)

(*) La deuxième colonne indique la protection et menace du taxon :

- ✓ DH : **Directive Habitats-Faune-Flore**, Directive 92/43/CEE du 21 mai 1992 modifiée par la directive 97/62/CEE concernant la conservation des habitats naturels ainsi que de la faune et de la flore sauvages.
- ✓ PN : Arrêté du 20 janvier 1982 modifié relatif à la **liste des espèces végétales protégées sur l'ensemble du territoire national** (1) (JONC du 13 mai 1982) - (1) titre modifié par Arr. du 31 août 1995, art.1er.
- ✓ PR : Arrêté du 25 janvier 1993 relatif à la **liste des espèces végétales protégées en région Pays de la Loire** complétant la liste nationale. NOR: ENVN9320049A. Version consolidée au 06 mars 1993.
- ✓ LrrPDL : Lacroix P., Le Bail J., Hunault G., Brindejonc O., Thomassin G., Guitton H., Geslin J., Poncet L., 2008. **Liste « rouge » régionale des plantes vasculaires rares et/ou menacées en pays de la Loire**. Nantes, Conservatoire botanique national de Brest, antenne régionale des Pays de la Loire, Région des Pays de la Loire, 48 p., + annexes.

(*) La troisième colonne indique le numéro de planche de la carte du taxon
