## GUIDE DE DIVULGATION

### Paiements aux fournisseurs et subventions combinés

Cette liste comprend tous les fournisseurs et bénéficiaires de subventions qui ont reçu de tous les ministères et de certains organismes gouvernementaux des montants dont le total est supérieur à 25 000 \$ pour l'exercice. Ces paiements ne comprennent pas la TVH et ont trait à l'achat de biens et services ainsi qu'aux subventions ou contributions versées par le gouvernement provincial, et comprennent les paiements effectués par tous les ministères et par certains organismes gouvernementaux.

## Departments

### **SUPPLIER & GRANT PAYMENTS**

This list includes each supplier or grant recipient whose total payments by a Department exceeded \$25,000 during the fiscal year. These payments exclude HST and are for goods and services purchased as well as grants, subsidies or contributions.

### **PAYMENTS THROUGH PURCHASE CARDS**

This list includes each supplier whose total payments through purchase card by a Department exceeded \$25,000 during the fiscal year. These payments exclude HST and are for goods and services purchased by the Province.

### **LOAN DISBURSEMENTS**

This list includes each individual, company or organization whose total loan disbursements from a Department exceeded \$25,000 during the fiscal year.

### **OTHER PAYMENTS**

Certain types of small dollar individual payments are made to many vendors for a like purpose. These would not be disclosed individually because the dollar amounts are very low (e.g. Juror fees) or because of the sensitivity of the payment, for example legal settlements/damages or income assistance payments. However, the aggregate amounts of these types of payments are significant so they are disclosed in aggregate by type of payment.

## Ministères

### **PAIEMENTS AUX FOURNISSEURS ET SUBVENTIONS**

Cette liste comprend tous les fournisseurs et bénéficiaires de subventions dont le total des paiements d'un ministère est supérieur à 25 000 \$ pour l'exercice. Les paiements ne comprennent pas la TVH et ont trait à l'achat de biens et services ainsi qu'aux subventions ou contributions.

### **PAIEMENTS AU TITRE DES CARTES D'ACHAT**

Cette liste comprend tous les fournisseurs dont le total des paiements par carte d'achat d'un ministère est supérieur à 25 000 \$ pour l'exercice. Ces paiements ne comprennent pas la TVH et ont trait à l'achat de biens et services par le gouvernement provincial.

### **VERSEMENTS DE PRÊTS**

Cette liste comprend tous les particuliers, les entreprises ou les organisations dont le total des versements de prêts d'un ministère est supérieur à 25 000 \$ pour l'exercice.

### **AUTRES PAIEMENTS**

Certains genres de petits paiements individuels sont versés à une multitude de fournisseurs pour des raisons identiques. Ils ne seraient pas divulgués individuellement en raison de la faiblesse des montants (par exemple honoraires et indemnités de juré) ou en raison de la nature délicate du paiement, comme pour les règlements judiciaires/préjudices ou les versements d'aide au revenu. Toutefois, les sommes totales de ces genres de paiements sont importantes, elles sont donc divulguées globalement par genre de paiement.
