SURVIVING DISASTERS	<i>La Patrie</i>

EMERGENCY PLANNING DIGEST

Index 1975

January-February 1975

Combatting Disasters — A New Concept.....	Maj. Gen. Alan Stretton
Weather Services in Canada.....	R. A. Miller
Emergency!.....	W. M. Swann
Emergency Planning Seminar — Command and PI.....	E. Tyler
The Emergency Measures Process.....	G. H. Emerson

March-April 1975

Sydney Storm.....	Joe Scanlon
Marine Emergencies and Information.....	Hughes Lacombe
Disaster Operations.....	J. Rick Ponting

May-June 1975

Remote Sensing.....	Patrick MacKenzie
After the Storm.....	John E. Davis
Disaster Planning — EHS.....	Dr. W. J. Connelly
Exercise London.....	Stewart Sutherland
U.S. Agencies Ratify Agreement.....	Report

July-August 1975

Federal Flood Damage Reduction.....	Environment
Canadian Emergency Planning — 1975.....	J. F. Wallace
"Coordinator" or "Director".....	Article
U.K. Information in War.....	Memorandum

September-October 1975

Disaster Mitigation.....	Harold D. Foster
C.D. Training & Education.....	Sir Leslie Mavor
New Direction for U.S. Civil Defense.....	E. C. Ludwigsen
U.S. Civil Defense Programs.....	Hon. James Schlesinger

November-December 1975

The Sydney Simulation.....	J. Scanlon and J. Jefferson
Helicopter Rescue.....	B. E. Fisher
The Facts of LIFE.....	J. H. Duncan
Winter Emergency Planning.....	F. F. Holcombe

Index 1974

July-August 1974

Federal Emergency Planning.....	Concept
It Can't Happen Here.....	J. R. Ponting
Public Information Planning.....	Address
EMO National Digest Master Index 1961-1974.....	

September-October 1974

Information Planning for Air Disasters.....	Ken Parks
Now You See Us.....	A. F. Wigglesworth
Disaster and People.....	Katherine Bryn
D.C.P.A. (U.S.) and The Salvation Army.....	Report

November-December 1974

Earthquake Threat in Quebec.....	Civil Protection
Crisis Communications.....	T. J. Scanlon
U.S. Civil Preparedness 1975.....	D CPA
Flood Disaster Protection Act.....	Report
Circulation Notice.....

Emergency Preparedness Digest - INDEX

Author	Title	Issue	Keywords
Stirton, A.M.	Public information planning for disaster response	July-August 1974	Management, public relations
Anon.	EMO National Digest: Master index	July-August 1974	Emergency planning, international planning, emergency management, civil defense, multihazards
Anon.	Federal emergency planning	July-August 1974	Emergency planning, international planning, legislation-regulation
Ponting, J. Rick	It can't happen here! A pedagogical look at community coordination in response to a toxic gas leak	July-August 1974	Toxic chemicals, emergency response, international response, local response, sociology, emergency communications.
Anon.	Defense Civil Preparedness Agency (U.S.) and the Salvation Army	September-October 1974	Disaster assistance, emergency management, federal planning, voluntary agencies, interorganizational
Parks, Ken	Information planning for air disasters	September-October 1974	Transportation accident, public relations, emergency management
Wigglesworth, A.F.	Now you see us! Now you don't	September-October 1974	International planning, emergency management, public relations
Bryn, Katherine	Disaster brings out the best in people	September-October 1974	Disaster, sociology, multihazards, volunteers, emergency groups, disaster assistance, emergency management

Scanlon, T. Joseph	Crisis communication study	November-December 1974	Emergency communications, warning systems, warning responses, international response
U.S. Defense Civil Preparedness Agency	U.S. civil preparedness program 1975	November-December 1974	Emergency planning, civil defense, federal planning
Anon.	U.S. Flood Disaster Protection Act 1973	November-December 1974	Floodplain management, insurance, legislation-regulation, federal planning
Anon.	The earthquake threat in Quebec	November-December 1974	Earthquake, risk assessment, emergency planning, international planning, preparedness, historical survey
Swann, W.M.	Emergency! Is your municipality prepared?	January-February 1975	Emergency planning, local planning
Tyler, E.	Emergency planning seminar: Command post & public information	January-February 1975	Transportation accident, scenario, emergency planning, local planning, public relations, emergency operations center
Emerson, G.H.	The emergency measures process	January-February 1975	Emergency planning, local planning
Stretton, Alan	Combatting disasters: A new conception	January-February 1975	Emergency planning, international planning, volunteers, military
Miller, R.A.	Weather services in Canada	January-February 1975	Weather forecasting, emergency planning, international planning, warning systems, meteorological hazards
Fullerton, Claudette	Communications vital in dealing with disasters	March-April 1975	Emergency planning, international planning, emergency communications

Scanlon, Joe	Sydney storm	March-April 1975	Wind, emergency response, international response, local response, emergency communications, damage assessment, winter storm
Lacombe, Hugues	Marine emergencies and public information	March-April 1975	Transportation accident, emergency management, public relations
Ponting, J. Rick	Disaster operations: A new "ball game"	March-April 1975	Emergency planning, international planning, sociology, natural gas
Connelly, W.J.	Disaster planning	May-June 1975	Emergency planning, emergency medical services, foreign planning
Sutherland, Stewart	Exercise London: A community disaster plan	May-June 1975	Exercise, simulation, emergency planning, international planning, local planning, emergency medical services
Anon.	U.S. agencies ratify disaster agreement	May-June 1975	Civil defense, federal planning, legislation-regulation, intergovernmental, preparedness
MacKenzie, Patrick	Remote sensing: The watchdog of Canada's environment	May-June 1975	Remote sensing, international planning, environmental studies, emergency management
Davis, John E.	After the storm is too late	May-June 1975	Tornado, emergency response, local response, federal planning, emergency planning, preparedness, damage assessment, warning systems
Kellner, Esther, Gerald D. Klonglan and Charles L. Mulford	Coordinator or director: Confusing to the public; Growing acceptance by institutions	July-August 1975	Emergency planning, emergency management, local planning

Anon.	U.K. information services in war	July-August 1975	Management, international planning, public relations, war, civil defense, nuclear weapons, local planning
Anon.	Federal flood damage reduction	July-August 1975	Floodplain management, international planning, risk assessment
Wallace, J.F.	Canadian emergency planning--1975	July-August 1975	Emergency planning, international planning, civil defense, multihazards
Mavor, Leslie	C.D. training and education in the U.K.	September-October 1975	Civil defense, international planning, training, education, emergency planning
Ludwigsen, Eric C.	New directions for civil defense	September-October 1975	Civil defense, federal planning, emergency planning
Schlesinger, James	Civil defense programs: Roles and missions	September-October 1975	Civil defense, federal planning, emergency planning
Foster, Harold D.	Disaster mitigation: A geomorphological contribution	September-October 1975	Multihazards, risk assessment, microzonation, international planning, mapping, geomorphology.
Holcombe, F.F.	Extreme winter conditions emergency planning	November-December 1975	Winter storm, emergency planning, international planning, local planning.
Duncan, Jack H.	The facts of "LIFE"	November-December 1975	Emergency planning, local planning, emergency communications
Scanlon, Joseph and Jim Jefferson	The Sydney simulation	November-December 1975	Emergency planning, international planning, simulation, wind, emergency response, international response, local response, local planning

Fisher, B.E.	Emergency helicopter rescue scheme for high-rise buildings	November-December 1975	Search and rescue, emergency planning, local planning, international planning, urban areas
Fisher, B.E.	The London underground disaster	January-February 1976	Response, local response, international response, transportation accident, public safety, search and rescue
Wallace, J.F.	The emergency of a civil defence strategy in the United Kingdom from 1935 to 1945	January-February 1976	Civil defense, war, emergency planning, international planning, historical survey
Davis, John E.	Nuclear civil protection planning in the United States	January-February 1976	Nuclear weapons, civil defense, evacuation, federal planning, emergency planning, survival
Buttery, J.F.D.	United Kingdom civil emergency planning today	March-April 1976	Civil defense, emergency planning, international planning
Anon.	Canada and civil emergency planning in NATO	March-April 1976	Emergency planning, international planning, civil defense, NATO
Wallace, J.F.	Civil defence in the United Kingdom 1935-1945	March-April 1976	Civil defense, historical survey, war, emergency planning, international planning
Goure, Leon	Soviet civil defence in the Seventies	May-June 1976	Emergency planning, international planning, civil defense, nuclear weapons, politics
Lemieux, Fernande	Quebec Civil Protection: Helping municipalities help themselves	May-June 1976	Civil defense, emergency planning, international planning, local planning
Hannigan, John A. and Rodney Kueneman	Provincial emergency measures	May-June 1976	Emergency planning, international planning, case study, riverine flood

Hutchison, George	EMO defies oblivion	May-June 1976	Civil defense, international planning, emergency planning
Loftus, W.C.E.	Regional use of helicopters	July-August 1976	Search and rescue, emergency planning, public safety, local planning
Anon.	Use of sirens	July-August 1976	Warning systems, meteorological hazards, local planning, federal planning
Strope, Walmer	Brief history of U.S. civil defence	July-August 1976	Civil defense, historical survey, federal government
Nitze, Paul H.	Strategic stability (Part I)	July-August 1976	Civil defense, politics, international planning, nuclear weapons
Casault, Jean	Emergency information: Municipal	September-October 1976	Management, local planning, public relations, media
Strope, Walmer	Brief history of U.S. civil defence: Part II--1961 to 1976	September-October 1976	Civil defense, federal planning, historical survey
Wall, Peter and Mike Considine	Lost and found: British Columbia's Emergency Air Service	September-October 1976	Search and rescue, emergency planning, international planning
Nitze, Paul H.	Assuring strategic stability in an era of detente (Part II)	September-October 1976	Civil defense, international planning, politics, nuclear weapons
Anon.	Emergency operations plan: Fort Thomas, Kentucky	November-December 1976	Emergency planning, plan, local planning, preparedness
Anon.	Satellites in search and rescue	November-December 1976	Remote sensing, search and rescue, international planning, emergency planning
Steinbrugge, Karl V.	A predictable earthquake	November-December 1976	Earthquake, prediction, seismology, preparedness, emergency planning, induced seismicity

Wigglesworth, A.F.	Functions of an emergency planning officer	November-December 1976	Emergency planning, interorganizational, emergency management, international planning
Grassin, Jean	The ORSEC Plan-France	January-February 1977	Civil defense, emergency planning, international planning
de Ville de Goyet, C. and E. Jeannee	Earthquake in Guatemala: Epidemiological evaluation of the relief effort	January-February 1977	Earthquake, international response, emergency response, disaster assistance, epidemiology, emergency medical services, mortality, morbidity, sanitation, reconstruction.
Davis, John E.	Viewpoint	January-February 1977	Civil defense, federal planning, training.
Lindsey, George	Proliferation: Some types of nuclear proliferation are more dangerous than others	March-April 1977	Nuclear weapons, war, terrorism, risk assessment
Milne, W.G.	Earthquake studies of the seismic risk in British Columbia	March-April 1977	Earthquake, risk assessment, international planning, historical survey
Sargeson, William G.	New Brunswick emergency measures organization	March-April 1977	Riverine flood, international planning, emergency planning, emergency health services
Mulford, Charles L. and Gerald E. Klonglan	The local coordinator-predisaster planning	March-June 1977	Emergency planning, simulation, local planning.
Mitchell, Donald J.	United States C.D.: 1977	May-June 1977	Civil defense, emergency planning, federal planning
Garrett, Ralph L.	Swedish shelter symposium	May-June 1977	Civil defense, international planning, emergency planning, emergency shelter
Blake, John	Emergency planning guide for federal departments in B.C.	May-June 1977	Emergency planning, foreign planning

Anon.	U.K. warning and monitoring	May-June 1977	Civil defense, warning systems, international planning, emergency planning
Haaland, Carsten M., Conrad V. Chester and Eugene P. Wigner	Survival of the relocated U.S. population after a nuclear attack	July-August 1977	Survival, nuclear weapons, war, evacuation, federal planning, emergency planning, preparedness, recovery
Billheimer, John W.	Food for evacuees	July-August 1977	Civil defense, evacuation, nutrition, survival
Anon.	Newfoundland emergency assistance plan	July-August 1977	Emergency planning, international planning, disaster assistance, intergovernmental
Mumenthaler, Hans	Swiss civil defence: What have we achieved?	July-August 1977	Civil defense, international planning, emergency planning, military, preparedness
Fisher, Brian E.	Disasters and major incidents: The need for contingency planning	July-August 1977	Technological hazards, transportation accident, toxic chemicals, structural fire, emergency planning, international planning, preparedness
Radziyevskiy, A.I.	Provocative campaign: Western statements on Soviet civil defense	September-October 1977	International planning, civil defense, politics
Beaumont, Roger	Nuclear warfare: The illusion of accurate forecasting	September-October 1977	Nuclear weapons, war, civil defense, international planning, loss estimation, risk assessment
Hoffman, J.M.	Federal government activities related to floods	September-October 1977	Riverine flood, floodplain management, international planning, emergency planning, disaster assistance
Clanahan, Russell B.	Shielding the airwaves	September-October 1977	Electromagnetic radiation, emergency planning, emergency communications, federal planning, civil defense

Boileau, O.C.	Nuclear war: A Soviet option	September-October 1977	Nuclear weapons, war, foreign planning, loss estimation, risk assessment, civil defense, politics
Anon.	Swiss compulsory first aid	November-December 1977	Emergency planning, international planning, emergency medical services, emergency health services
Ulsamer, Edgar	Nuclear war: The life-and-death issues	November-December 1977	Nuclear weapons, war, loss estimation, survival, civil defense
Mavor, Leslie	Post-strike scene--U.K.	November-December 1977	Nuclear weapons, war, civil defense, international planning, emergency planning, recovery
Sisson, George N.	Beneath the surface: Cheaper, safer, more efficient structures	November-December 1977	Underground building, architecture, multihazards, land use management
Eichstadt, Ulrich	The basic principles of civil defence	November-December 1977	Civil defense, NATO, regional planning, foreign planning
Altunin, Aleksandr Terentyevich	The main direction	January-February 1978	Civil defense, international planning, emergency planning, emergency shelter
Langton, John G.P.	Emergency response: Spring flooding	January-February 1978	Riverine flood, international planning, emergency planning, preparedness, warning systems, emergency response, international response
Ray, Dean H.	Computers in civil preparedness	January-February 1978	Computer, civil defense, preparedness, federal planning
Anon.	Public shelters in the Hamburg region	January-February 1978	Civil defense, international planning, emergency planning, emergency shelter

Goure, Leon	The Soviet civil defense shelter program	January-February 1978	Civil defense, international planning, emergency planning, emergency shelter
Clayton, Bruce Douglas	Planning for the day after Doomsday	March-April 1978	Nuclear weapons, war, loss estimation, recovery
Menke-Gluckert, Peter	German civil emergency preparedness concept	March-April 1978	Civil defense, preparedness, international planning, emergency planning
Buchbinder, Goetz	Earthquakes in a Quebec hydro development	March-April 1978	Earthquake, structural design, dam safety, international planning, induced seismicity, risk assessment
Clanahan, Russell B.	American's electrical lifelines	March-April 1978	Civil defense, federal planning, lifelines, electromagnetic radiation, utility failure
Devegilia, M.	NATO civil emergency planning	July-September 1978	NATO, emergency planning, international planning, civil defense
Quarantelli, E.L. and Verta Taylor	The warning problem in disasters	July-September 1978	Warning systems, disaster studies, warning methods, warning responses, social impact, sociology
Schutz, Eric	Civil defence--Denmark: Cooperation in peacetime disaster relief	July-September 1978	International planning, emergency planning, civil defense, multihazards
Anon.	Weatheradio Canada	July-September 1978	Weather forecasting, emergency communications, international planning, emergency planning, warning systems
Oldham, E.J.	Nova Scotia emergency communications	July-September 1978	International planning, emergency planning, emergency communications

Hussain, Farooq	Unknown effects of neutron bombs	July-September 1978	Nuclear weapons, loss estimation, nuclear radiation, public health, international planning, emergency planning
Davis, Ian	Charity begins at homes	October-December 1978)." "	Disaster assistance, LDCs, international planning, reconstruction, housing, social impact, earthquake
Sage, Lee	Manitoba's multiple access telephone feed system	October-December 1978	Lifelines, emergency communications, international planning, emergency planning
Lotz, Jim	Flood forecasting in the Maritimes	October-December 1978	Riverine flood, international planning, emergency planning, mapping, risk assessment
Johnstone, Ann R.	Transportation of dangerous goods: Off to a good start	October-December 1978	Hazardous materials transportation, toxic chemicals, legislation-regulation, international planning, emergency planning
Lesage, G.H.	Alert at St-Eustache	October-December 1978	Explosions, international response, natural gas, local response, emergency planning, international planning, social impact
Wallace, John F.	Civil defense in pact, treaty and neutral nations	October-December 1978	Civil defense, international planning, emergency planning, preparedness, legislation-regulation, NATO
Page, Gillian	Cutting our flood losses	January-March 1979	Floodplain management, nonstructural measures, economic impact, land use management, mapping, international planning, risk assessment
Mansfield, Brian and Jim Hoffman	Government contingency plans for the Beaufort Sea	January-March 1979	International planning, emergency planning, oil spill, risk assessment, exercise

Anderson, William A.	Social science disaster research in the United States	January-March 1979	Disaster, sociology, federal planning
Cargill, Eric	Space and computer technology in forest fire control	January-March 1979	Wildfire, forest fire, remote sensing, computer application, international planning, emergency planning
Ansell, P.R.	Tagging explosives to counter crime	January-March 1979	Explosions, terrorism, emergency planning, international planning
O'Brien, Patricia E.	Smooth hospital evacuation in New Brunswick	January-March 1979	Hospitals, evacuation, international response, emergency response, emergency planning, local response, riverine flood, recovery
Carlson, Stan	External affairs prepares for emergencies abroad	April-June 1979	Emergency planning, emergency management, international government
Penning, J.A.	Canada's marine rescue auxiliary	April-June 1979	Search and rescue, international planning, transportation accident, marine facilities, emergency planning
Barnaby, Frank	Dig tunnels deep	April-June 1979	Civil defense, international planning, emergency planning
Assenheim, H.M.	The biological effects of microwave and radiofrequency radiation	April-June 1979	Electromagnetic radiation, physics, public health, biology, radiology, risk assessment
Kirby, John	The administrative process of a disaster exercise	April-June 1979	Exercise, emergency management, international planning
Repacholi, M.H.	Taking the heat out of microwaves	April-June 1979	Public health, electromagnetic radiation, risk assessment, legislation-regulation, international planning

Bell, Wilf	PCBs: A waste management challenge	July-September 1979	Hazardous wastes, toxic chemicals, pollution, public health, emergency planning, risk assessment
Hall, Hugh	Maritime LNG shipments: "Only a matter of time"	July-September 1979	Hazardous materials, natural gas, energy studies, risk assessment, oil spill
Anon.	Federal training program: An update	July-September 1979	Training, international planning, emergency planning
Manitoba EMO & Atmospheric Environment Service, Env. Canada	Manitobans watch the weather	July-September 1979	Weather forecasting, international planning, emergency planning, meteorological hazards, training
Huntington, Samuel P.	Civil defense for the 1980s	July-September 1979	Civil defense, federal planning, emergency planning, nuclear weapons, loss estimation
Randall, Nan	Charlottesville: A fictional account	October-December 1979	Risk assessment, war, nuclear weapons, scenario, damage assessment, recovery, social impact, economic impact
Science Council of Canada	Policies and poisons	October-December 1979	Hazardous materials, toxic chemicals, emergency planning, international planning, risk assessment, risk, public health
Spears, John	Skylab: They knew the risk	October-December 1979	Extraterrestrial objects, remote sensing, risk assessment, federal planning, NASA, risk
Lynn, Lesley	Skylab contingency planning in Canada	October-December 1979	Emergency planning, extraterrestrial objects, international planning, risk assessment

Ayers, J.E.	Exercise "Surefire."	January-March 1980	Exercise, local planning, emergency planning, oil spill, explosions, international planning
Warnke, Paul C.	Salt II and NATO security	January-March 1980	Politics, civil defense, NATO, international planning, nuclear weapons
Morrison, A.B.	Home preparation for long-term crises	January-March 1980	Emergency planning, family, nutrition, public health, survival
Taylor, A.C.	Canada's search for alternative fuels	January-March 1980	International planning, energy studies
Anon.	How one northern town faced the "cold" hard facts	January-March 1980	Response, local response, international response, cold
Amyot, Denis	The Mississauga "Saga"	January-March 1980	Toxic chemicals, transportation accident, international response, local response, evacuation, explosions, emergency response
Kearney, Cresson	The need for minimum light in shelters	April-June 1980	Civil defense, building design, survival
Anon.	Movement of people in buildings during emergencies	April-June 1980	Evacuation, emergency planning, occupant behavior, building design
Falls, R.H.	The most dangerous decade since the Thirties	April-June 1980	Civil defense, international planning, politics
Wright, Gordon	When disaster strikes: Protecting our libraries and their valued resources	April-June 1980	Emergency planning, emergency response, damage assessment, insurance, local planning, cultural preservation, structural fire
Carlson, Stan	International terrorism can be countered	July-September 1980	Terrorism, international planning, risk assessment, international planning

Glass, Roger I., et al.	Injuries from the Wichita Falls tornado: Implications for prevention	July-September 1980	Tornado, morbidity, damage assessment, local planning, emergency planning, mortality
Levenson, Milton and Frank J. Rahn	Is evacuation the best policy?	July-September 1980	Evacuation, emergency planning
Green, Robert F.	Developing a provincial nuclear contingency off-site plan	July-September 1980	Nuclear power, international planning, emergency planning, intergovernmental
Anon.	Survival during the first year after a nuclear attack	July-September 1980	War, nuclear weapons, survival, emergency planning, federal planning
Anon.	Surviving without doctors	July-September 1980	Nuclear weapons, war, survival, emergency medical services, civil defense, nuclear radiation
McNamara, A.G.	Geomagnetic storms: Their technological impact	October-December 1980	Geomagnetic storm, damage assessment, lifelines, emergency communications, risk assessment, electrical engineering, electromagnetic radiation
Coleman, Ralph	Firefighters	October-December 1980	Wildfire, emergency response, international response, evacuation, military
Anon.	B.C. plots lightning strikes to locate fires	October-December 1980	Lightning, wildfire, forest fire, remote sensing, emergency management, international planning
Buck, R.J.	Infrared heat detection in fire control operations in Manitoba forests	October-December 1980	Wildfire, forest fire, remote sensing, emergency management, international response
Elsdon, Ann.	Down under: How the modern troll beats energy costs	October-December 1980	Building design, energy studies, underground building, environmental studies

Hutchison-Benson, Elizabeth	A second look at the Canadian experience with Cosmos 954	January-March 1981	Extraterrestrial objects, emergency response, international response, nuclear radiation, politics, emergency planning, nuclear power, civil defense, international planning
Berck, Ben	Food, feed, and seed reserves in Canada's North	January-March 1981	Emergency planning, international planning, nutrition, preparedness
Gudmundson, Darrel	Long haul fibre optics systems: Survivability	January-March 1981	Emergency planning, emergency communications, lifelines, international planning
Strehlow, Roger A.	Accidental explosions	January-March 1981	Explosions, emergency planning, historical survey, chemistry, risk assessment, physics, damage assessment
McCarron, Patricia M. and Gerald H. Hunter	Disaster planning at a Friesen Concept hospital	April-June 1981	Emergency planning, hospitals, preparedness, emergency medical services, training
Squires, Lilly and Rod Stright	Exercise "Herbie"	April-June 1981	Exercise, emergency management, transportation accident, international planning, search and rescue, emergency medical services
Cripwell, F. James	Nuclear radiation: Warheads vis-a-vis power plants	April-June 1981	War, nuclear weapons, nuclear radiation, public health, scenario, nuclear power, physics
McQuade, Walter	How to manage killer smoke	April-June 1981	Structural fire, mortality, toxic chemicals, emergency response, local response, emergency planning
Clanahan, Russell B.	Can America's industry survive a nuclear attack?	April-June 1981	War, nuclear weapons, business, federal planning, preparedness, survival, risk assessment

Lovell, Don	Soviet civil defence and the strategic balance	July-September 1981	Civil defense, international planning, politics, nuclear weapons
Anon.	Conference of Federal and Provincial Ministers, and Representatives of Territorial Governments, Responsible for Emergency Planning	July-September 1981	Emergency planning, international planning, legislation-regulation, intergovernmental
Draper, Frank	Moose Jaw explosion and fire	October-December 1981	Explosions, structural fire, local response, emergency response, international response, oil spill.
James, Shelley L.	The Underground Research Laboratory at Whiteshell	October-December 1981	Radioactive waste, international planning
Yost, William J.	Is NATO civil emergency planning a military mystery?	October-December 1981	Civil defense, emergency planning, international planning, military, NATO
Raloff, Janet	EMP defensive strategies	October-December 1981	Nuclear radiation, nuclear weapons, civil defense, emergency communications, emergency planning
Baltz, Duane	How a disaster differs from an emergency...Counties should develop systems for deal with both	January-March 1982	Local planning, emergency planning
Canada House of Commons	Emergency Planning Order P.C. 1981-1305	January-March 1982	Emergency planning, international planning, legislation-regulation

Daly, Joe	Keeping the juice flowing: How Ontario kept cool in a heat wave	April-June 1990	Heat, lifelines, emergency response, international response

Theilmann, Mike	Emergency preparedness: Swedish style	April-June 1990	Emergency planning, international planning, education, training, civil defense, preparedness
Welch, Lynda	When disaster strikes--be prepared	April-June 1990	Structural fire, nursing homes, emergency response, international response, training, exercise, emergency planning, international planning, public safety
Cann, Mary	Hagersville!	April-June 1990	Hazardous waste fire, toxic chemicals, emergency response, international response, case study
Hector, Gary	How Safeway coped with the quake	April-June 1990	Earthquake, emergency response, local response, business, recovery, damage assessment
Steacie, Archie	Hazmats, earthquakes, and damage control	April-June 1990	Emergency planning, international planning, earthquake, structural fire, hazardous materials, local planning
Fryer, J.M.	Winning battles without bullets	April-June 1990	Wildfire, forest fire, military, emergency response, international response, pollution
Peters, J.D.W.	JEPP and DFA: The ladder and the net	July-September 1990	Emergency planning, international planning, preparedness, foreign funding, recovery
Theilmann, Mike	The little exercise that grew	July-September 1990	Exercise, international planning, emergency planning, legislation-regulation, preparedness, hurricane
Steers, Mike	Refugees: A global emergency?	July-September 1990	Refugees, social impact, economic impact, international response, emergency response
Davenport, Alan G.	Canada and the IDNDR	July-September 1990	Emergency planning, international planning, IDNDR

Rainer, Hans	The Vancouver quake of 199?	July-September 1990	Emergency planning, international planning, earthquake, damage assessment, loss estimation, risk assessment
Steers, Mike	The elevator's on fire!	July-September 1990	Structural fire, emergency response, international response, local response
Simpson, Alec	Planning: The formula for airport safety	October-December 1990	Emergency planning, international planning, transportation accident, preparedness
Mann, Brad	Dousing the flame	October-December 1990	Biological, insects, emergency response, international response, agriculture
Steers, Mike	Collegetown: A city under a cloud	October-December 1990	Emergency planning, international planning, training, preparedness, exercise, simulation
Mann, Brad	Road hazards	October-December 1990	Transportation accident, emergency planning, preparedness, international planning, urban areas, public safety, economic impact
Ross, Sheila	Manitoba Fire Eagles	October-December 1990	Ethnic groups, emergency planning, international planning, public safety, training
Robinson, John	Response to simulated mass casualty incidents	October-December 1990	Emergency planning, international planning, mass casualties, simulation, training, exercise, emergency medical services
Champion, Don	Communications after the earthquake	October-December 1990	Emergency planning, international planning, earthquake, emergency communications, lifelines.

Mann, Brett W.	What happens when the mainframe crashes?	July-September 1991	Emergency planning, computer application, emergency communications, lifelines, recovery
Steers, Mike	GEOCC: It stands on guard for thee	January-March 1991	Emergency planning, international planning, civil defense, emergency operations center, emergency communications
Mann, Brad	Setting the standard	January-March 1991	Emergency planning, international planning, preparedness, business
Mann, Brad	Alberta success story	January-March 1991	Emergency planning, international planning, preparedness
Filion, Louise	On the right track	January-March 1991	Transportation accident, emergency response, international response, toxic chemicals, local response
Mackasey, W.O.	The legacy of abandoned mines	January-March 1991	Subsidence, hazardous wastes, mining, emergency planning, international planning
Theilmann, Mike	Air safety: A refresher course	January-March 1991	Transportation accident, emergency planning, international planning, self-help, terrorism
Scott, Denis	Hoping for the best: Planning for the worst	January-March 1991	Emergency planning, international planning, legislation-regulation, preparedness
Ritz, Don and Terry Harrison	Syncrude's preparedness: Innovative answers to hard questions	January-March 1991	Emergency planning, international planning, training, preparedness
Charlebois, Lesley	Transportation accident: Is this for real?	April-June 1991	Transportation accident, emergency planning, international planning, exercise, training, hazardous materials

Mann, Brett W.	Modern problems: Highrise emergencies	April-June 1991	Structural fire, emergency planning, earthquake, international planning, survival
Hand, Heather	The Red Cross in emergencies: The "unsung heroes"	April-June 1991	Voluntary agencies, disaster assistance, social impact
Colby, Todd	Marine safety preparedness	April-June 1991	Marine facilities, transportation accident, emergency planning, search and rescue, international planning
Theilmann, Mike.	Emergency preparedness: Getting the message across	April-June 1991	Emergency planning, preparedness, international planning, local planning, media, public relations
Steers, Mike	New Brunswick fights floods with facts	April-June 1991	Riverine flood, emergency planning, international planning, historical survey, floodplain management, preparedness
Leonard, Warren L. and Michael J. Walker	Operation Siamese: Testing the worst case scenario	July-September 1991	Exercise, scenario, transportation accident, international planning, local planning, emergency planning
Mann, Brad	In the eye of the storm	July-September 1991	Response, war, international response, international response, emergency planning
Andrie, Marcel	Shedding new light on grid search efficiency	July-September 1991	Search and rescue, exercise, volunteers, international planning, emergency planning
Mann, Brett W.	Hot water. The risk and management of radioactivity in the water supply	July-September 1991	Water resources management, radioactive waste, nuclear radiation, risk assessment, risk management, international planning, pollution, nuclear power, emergency planning, preparedness, foreign planning

Daley, Wayne	Business resumption planning	July-September 1991	Business, recovery, emergency planning, structural fire, social violence
Hand, Heather	Ottawa's high-tech helpers battle oil slicks	July-September 1991	Oil spill, international planning, pollution, environmental impact, computer application, emergency planning, geographic information systems
Clappa, Mary	Supporting emergency social services volunteers	July-September 1991	Earthquake, emergency planning, foreign planning, volunteers, social impact, preparedness
Drew, Linda	Don't forget the children	October-December 1991	Children, psychological impact, wildfire, international response
Mann, Brad	Looking for trouble	October-December 1991	Weather forecasting, international planning, remote sensing, meteorological hazards, warning systems
Bradley, Susan	Disaster assistance pays off	October-December 1991	Disaster assistance, recovery, international response, international planning, urban areas, agriculture, economic impact
Lamontagne, Maurice, Reynald Du Berger and Anne E. Stevens	Reducing public aftershock: A role for seismologists	October-December 1991	Earthquake, seismology, awareness, international planning, risk perception, risk communication
Snyder, Janice	Special emergency circumstances: Helping those who can't help themselves	October-December 1991	Emergency planning, emergency management, disabled persons, scenario, international planning
Mann, Brett W.	Preventing bio-disasters	October-December 1991	Biological, public health, hazardous materials, risk assessment, preparedness, emergency planning, animals, international planning

Ayotte, Sylvain	Emergency preparedness in Quebec: Coordinated response among partners	October-December 1991	Emergency planning, international planning, tornado, emergency response, international response
Hand, Heather	Newfoundland program rescues the rescuers	April-June 1992	Emergency planning, psychological impact, response workers, training
Mann, Brett W.	Operation Redbird	April-June 1992	Emergency planning, preparedness, exercise, local planning, international planning, warning systems, toxic chemicals
Kuban, Ron	Signs to live by	April-June 1992	Emergency planning, warning methods, multihazards, emergency management
Mann, Brad	Preparing for the Olympic journey	April-June 1992	Emergency planning, preparedness, international planning, recreation
Mann, Brad	Green planning	April-June 1992	Emergency planning, preparedness, environmental impact, international planning, pollution, multihazards, toxic chemicals, technological hazards
Johnstone, Marnie	North American champs	April-June 1992	Emergency planning, preparedness, international planning, search and rescue, emergency communications
Drapeau, Jean-Claude	Ready in Valleyfield	April-June 1992	Transportation accident, emergency response, international response, local response, emergency medical services, example
Kuban, Ron	Disaster preparedness and crisis management: A school perspective	July-September 1992	Schools, preparedness, emergency planning, social impact, psychological impact

Mann, Brett W.	Trouble in paradise	July-September 1992	International planning, emergency planning, multihazards, preparedness, hurricane, international planning
Saint-Pierre, Paul	Evacuation planning	July-September 1992	Emergency planning, international planning, evacuation
Drapeau, Jean-Claude	Montreal's emergency status	July-September 1992	Emergency planning, international planning, local planning, maritime facilities
Snyder, Janice	Taking action on spills	July-September 1992	Transportation accident, toxic chemicals, emergency planning, international planning
Hand, Heather	Strategically placed supplies provide unique emergency service	July-September 1992	Emergency planning, evacuation, emergency management, international planning, disaster assistance, public health, preparedness, emergency medical services
Newton, John	Living on the edge of a disaster	October-December 1992	Icejam flood, emergency response, international response, local response
Blakely, R. Don	Briefing families in a search and rescue operation	October-December 1992	Family, search and rescue, public relations, psychological impact, emergency management
Pole, Kenneth	The MIACC commitment	October-December 1992	Toxic chemicals, emergency planning, preparedness, international planning, training
Mann, Brad	The Great Lakes' challenge	October-December 1992	Water resources management, regional planning, pollution, toxic chemicals, oil spill
Harwood, Gillian	Ready for a large-scale emergency: A hospital perspective	January-March 1993	Emergency planning, preparedness, hospitals, international planning

Mann, Brett W.	Computerized emergency response: But which system?	January-March 1993	Computer application, microcomputers, emergency management
Borsu, Joan	Canadian-sponsored seminar: Civil emergency preparedness for Central and Eastern European countries	January-March 1993	Civil defense, emergency planning, international planning, preparedness
Hand, Heather.	B.C. ready for the inevitable	January-March 1993	Emergency planning, international planning, earthquake
Mann, Brad	Investing in emergency preparedness	January-March 1993	Emergency planning, preparedness, private sector, business.
Snyder, Janice	Saskatchewan - Blessed with Volunterr Spirit / La Saskatchewan ou l'esprit d'entraide	April-June 1993 / Avril-juin 1993	Saskatchewan, rural areas, emergency planning, mutual aid, native, local planning
Oliver, Carole	Profiles in Training: Federal Emergency Preparedness / Profile de formation en protection civile	April-June 1993 / Avril-juin 1993	Training, interdepartmental, federal government, transportation, environment, emergency health services
Mann, Brad	The <i>Braer</i> Disaster: Is Canada Ready? / Les lendemains du Braer : le Canada est-il prêt?	April-June 1993 / Avril-juin 1993	Oil spill, transportation accident, pollution, environment, coast guard, prevention, analysis
Drapeau, Jean-Claude	Emergency Planning at the Taschereau Yard / Taschereau prête à toute éventualité	April-June 1993 / Avril-juin 1993	Transportation, emergency planning, Quebec, urban areas, hazardous materials, rail, interorganizational
Mann, Brad	Lessons Learned from <i>Hurricane Andrew</i> / Les leçons de l'ouragan Andrew	April-June 1993 / Avril-juin 1993	Hurricane, FEMA, international response, volunteers, analysis
Caldwell, Allan	The Brandon Plan / Le plan de Brandon	April-June 1993 / Avril-juin 1993	Local planning, Manitoba, local response, public relations, urban areas

Emergency Preparedness Digest

Bibliography and Index

Section A - Keyword listed alphabetically together with the page numbers in section B in which that keyword is mentioned.

Section B - *Emergency Preparedness Digest* bibliography. Entries include author, title, issue and keywords for each *Digest* article, ordered chronologically by issue. The ordering of titles within an issue is that of the issue's Table of Contents.

Emergency Preparedness Digest - INDEX

Author	Title	Issue	Keywords
Stirton, A.M.	Public information planning for disaster response	July-August 1974	Management, public relations
Anon.	EMO National Digest: Master index	July-August 1974	Emergency planning, international planning, emergency management, civil defense, multihazards
Anon.	Federal emergency planning	July-August 1974	Emergency planning, international planning, legislation-regulation
Ponting, J. Rick	It can't happen here! A pedagogical look at community coordination in response to a toxic gas leak	July-August 1974	Toxic chemicals, emergency response, international response, local response, sociology, emergency communications.
Anon.	Defense Civil Preparedness Agency (U.S.) and the Salvation Army	September-October 1974	Disaster assistance, emergency management, federal planning, voluntary agencies, interorganizational
Parks, Ken	Information planning for air disasters	September-October 1974	Transportation accident, public relations, emergency management
Wigglesworth, A.F.	Now you see us! Now you don't	September-October 1974	International planning, emergency management, public relations
Bryn, Katherine	Disaster brings out the best in people	September-October 1974	Sociology, multihazards, volunteers, disaster assistance, emergency management

Scanlon, T. Joseph	Crisis communication study	November-December 1974	Emergency communications, warning systems, warning responses, international response
U.S. Defense Civil Preparedness Agency	U.S. civil preparedness program 1975	November-December 1974	Emergency planning, civil defense, federal planning
Anon.	U.S. Flood Disaster Protection Act 1973	November-December 1974	Floodplain management, insurance, legislation-regulation, federal planning
Anon.	The earthquake threat in Quebec	November-December 1974	Earthquake, risk assessment, emergency planning, international planning, preparedness, historical survey
Swann, W.M.	Emergency! Is your municipality prepared?	January-February 1975	Emergency planning, local planning
Tyler, E.	Emergency planning seminar: Command post & public information	January-February 1975	Transportation accident, scenario, emergency planning, local planning, public relations, emergency operations center
Emerson, G.H.	The emergency measures process	January-February 1975	Emergency planning, local planning
Stretton, Alan	Combatting disasters: A new concept	January-February 1975	Emergency planning, international planning, volunteers, military
Miller, R.A.	Weather services in Canada	January-February 1975	Weather forecasting, emergency planning, international planning, warning systems, meteorological hazards
Fullerton, Claudette	Communications vital in dealing with disasters	March-April 1975	Emergency planning, international planning, emergency communications

Scanlon, Joe	Sydney storm	March-April 1975	Wind, emergency response, international response, local response, emergency communications, damage assessment, winter, storm
Lacombe, Hugues	Marine emergencies and public information	March-April 1975	Transportation accident, emergency management, public relations
Ponting, J. Rick	Disaster operations: A new "ball game"	March-April 1975	Emergency planning, international planning, sociology, natural gas
Connelly, W.J.	Disaster planning	May-June 1975	Emergency planning, emergency medical services, foreign planning
Sutherland, Stewart	Exercise London: A community disaster plan	May-June 1975	Exercise, simulation, emergency planning, international planning, local planning, emergency medical services
Anon.	U.S. agencies ratify disaster agreement	May-June 1975	Civil defense, federal planning, legislation-regulation, intergovernmental, preparedness
MacKenzie, Patrick	Remote sensing: The watchdog of Canada's environment	May-June 1975	Remote sensing, international planning, environmental studies, emergency management
Davis, John E.	After the storm is too late	May-June 1975	Tornado, emergency response, local response, federal planning, emergency planning, preparedness, damage assessment, warning systems
Kellner, Esther, Gerald D. Klonglan and Charles L. Mulford	Coordinator or director: Confusing to the public; Growing acceptance by institutions	July-August 1975	Emergency planning, emergency management, local planning

Anon.	U.K. information services in war	July-August 1975	Management, international planning, public relations, war, civil defense, nuclear weapons, local planning
Anon.	Federal flood damage reduction	July-August 1975	Floodplain management, international planning, risk assessment
Wallace, J.F.	Canadian emergency planning--1975	July-August 1975	Emergency planning, international planning, civil defense, multihazards
Mavor, Leslie	C.D. training and education in the U.K.	September-October 1975	Civil defense, international planning, training, education, emergency planning
Ludwigsen, Eric C.	New directions for civil defense	September-October 1975	Civil defense, federal planning, emergency planning
Schlesinger, James	Civil defense programs: Roles and missions	September-October 1975	Civil defense, federal planning, emergency planning
Foster, Harold D.	Disaster mitigation: A geomorphological contribution	September-October 1975	Multihazards, risk assessment, microzonation, international planning, mapping
Holcombe, F.F.	Extreme winter conditions emergency planning	November-December 1975	Winter, storm, emergency planning, international planning, local planning
Duncan, Jack H.	The facts of "LIFE"	November-December 1975	Emergency planning, local planning, emergency communications
Scanlon, Joseph and Jim Jefferson	The Sydney simulation	November-December 1975	Emergency planning, international planning, simulation, wind, emergency response, international response, local response, local planning

Fisher, B.E.	Emergency helicopter rescue scheme for high-rise buildings	November-December 1975	Search and rescue, emergency planning, local planning, international planning, urban areas
Fisher, B.E.	The London underground disaster	January-February 1976	Response, local response, international response, transportation accident, public safety, search and rescue
Wallace, J.F.	The emergency of a civil defence strategy in the United Kingdom from 1935 to 1945	January-February 1976	Civil defense, war, emergency planning, international planning, historical survey
Davis, John E.	Nuclear civil protection planning in the United States	January-February 1976	Nuclear weapons, civil defense, evacuation, federal planning, emergency planning, survival
Buttery, J.F.D.	United Kingdom civil emergency planning today	March-April 1976	Civil defense, emergency planning, international planning
Anon.	Canada and civil emergency planning in NATO	March-April 1976	Emergency planning, international planning, civil defense, NATO
Wallace, J.F.	Civil defence in the United Kingdom 1935-1945	March-April 1976	Civil defense, historical survey, war, emergency planning, international planning
Goure, Leon	Soviet civil defence in the Seventies	May-June 1976	Emergency planning, international planning, civil defense, nuclear weapons, politics
Lemieux, Fernande	Quebec Civil Protection: Helping municipalities help themselves	May-June 1976	Civil defense, emergency planning, international planning, local planning
Hannigan, John A. and Rodney Kueneman	Provincial emergency measures	May-June 1976	Emergency planning, international planning, flood

Hutchison, George	EMO defies oblivion	May-June 1976	Civil defense, international planning, emergency planning
Loftus, W.C.E.	Regional use of helicopters	July-August 1976	Search and rescue, emergency planning, public safety, local planning
Anon.	Use of sirens	July-August 1976	Warning systems, meteorological hazards, local planning, federal planning
Strope, Walmer	Brief history of U.S. civil defence	July-August 1976	Civil defense, historical survey, federal government
Nitze, Paul H.	Strategic stability (Part I)	July-August 1976	Civil defense, politics, international planning, nuclear weapons
Casault, Jean	Emergency information: Municipal	September-October 1976	Management, local planning, public relations, media
Strope, Walmer	Brief history of U.S. civil defence: Part II--1961 to 1976	September-October 1976	Civil defense, federal planning, historical survey
Wall, Peter and Mike Considine	Lost and found: British Columbia's Emergency Air Service	September-October 1976	Search and rescue, emergency planning, international planning, British Columbia
Nitze, Paul H.	Assuring strategic stability in an era of detente (Part II)	September-October 1976	Civil defense, international planning, politics, nuclear weapons
Anon.	Emergency operations plan: Fort Thomas, Kentucky	November-December 1976	Emergency planning, United States, local planning, preparedness
Anon.	Satellites in search and rescue	November-December 1976	Remote sensing, search and rescue, international planning, emergency planning

Steinbrugge, Karl V.	A predictable earthquake	November- December 1976	Earthquake, prediction, seismology, preparedness, emergency planning, induced seismicity
Wigglesworth, A.F.	Functions of an emergency planning officer	November- December 1976	Emergency planning, interorganizational, emergency management, international planning
Grassin, Jean	The ORSEC Plan-France	January-February 1977	Civil defense, emergency planning, international planning
de Ville de Goyet, C. and E. Jeannee	Earthquake in Guatemala: Epidemiological evaluation of the relief effort	January-February 1977	Earthquake, international response, emergency response, disaster assistance, epidemiology, emergency medical services, mortality, morbidity, sanitation, reconstruction
Davis, John E.	Viewpoint	January-February 1977	Civil defense, federal planning, training
Lindsey, George	Proliferation: Some types of nuclear proliferation are more dangerous than others	March-April 1977	Nuclear weapons, war, terrorism, risk assessment
Milne, W.G.	Earthquake studies of the seismic risk in British Columbia	March-April 1977	Earthquake, risk assessment, international planning, historical survey
Sargeson, William G.	New Brunswick emergency measures organization	March-April 1977	Flood, international planning, emergency planning, emergency health services
Mulford, Charles L. and Gerald E. Klonglan	The local coordinator-predisaster planning	March-April 1977	Emergency planning, simulation, local planning.
Mitchell, Donald J.	United States C.D.: 1977	May-June 1977	Civil defense, emergency planning, federal planning

Garrett, Ralph L.	Swedish shelter symposium	May-June 1977	Civil defense, international planning, emergency planning; emergency shelter
Blake, John	Emergency planning guide for federal departments in B.C.	May-June 1977	Emergency planning, foreign planning
Anon.	U.K. warning and monitoring	May-June 1977	Civil defense, warning systems, international planning, emergency planning
Haaland, Carsten M., Conrad V. Chester and Eugene P. Wigner	Survival of the relocated U.S. population after a nuclear attack	July-August 1977	Survival, nuclear weapons, war, evacuation, federal planning, emergency planning, preparedness, recovery
Billheimer, John W.	Food for evacuees	July-August 1977	Civil defense, evacuation, nutrition, survival
Anon.	Newfoundland emergency assistance plan	July-August 1977	Emergency planning, international planning, disaster assistance, intergovernmental
Mumenthaler, Hans	Swiss civil defence: What have we achieved?	July-August 1977	Civil defense, international planning, emergency planning, military, preparedness
Fisher, Brian E.	Disasters and major incidents: The need for contingency planning	July-August 1977	Technological hazards, transportation accident, toxic chemicals, structural fire, emergency planning, international planning, preparedness
Radziyevskiy, A.I.	Provocative campaign: Western statements on Soviet civil defense	September-October 1977	International planning, civil defense, politics
Beaumont, Roger	Nuclear warfare: The illusion of accurate forecasting	September-October 1977	Nuclear weapons, war, civil defense, international planning, loss estimation, risk assessment

Hoffman, J.M.	Federal government activities related to floods	September-October 1977	Flood, floodplain management, international planning, emergency planning, disaster assistance
Clanahan, Russell B.	Shielding the airwaves	September-October 1977	Electromagnetic radiation, emergency planning, emergency communications, federal planning, civil defense
Boileau, O.C.	Nuclear war: A Soviet option	September-October 1977	Nuclear weapons, war, foreign planning, loss estimation, risk assessment, civil defense, politics
Anon.	Swiss compulsory first aid	November-December 1977	Emergency planning, international planning, emergency medical services, emergency health services
Ulsamer, Edgar	Nuclear war: The life-and-death issues	November-December 1977	Nuclear weapons, war, loss estimation, survival, civil defense
Mavor, Leslie	Post-strike scene--U.K.	November-December 1977	Nuclear weapons, war, civil defense, international planning, emergency planning, recovery
Sisson, George N.	Beneath the surface: Cheaper, safer, more efficient structures	November-December 1977	Underground building, building design, multihazards, land use management
Eichstadt, Ulrich	The basic principles of civil defence	November-December 1977	Civil defense, NATO, regional planning, foreign planning
Altunin, Aleksandr Terentyevich	The main direction	January-February 1978	Civil defense, international planning, emergency planning, emergency shelter
Langton, John G.P.	Emergency response: Spring flooding	January-February 1978	Flood, international planning, emergency planning, preparedness, warning systems, emergency response, international response

Ray, Dean H.	Computers in civil preparedness	January-February 1978	Computer, civil defense, preparedness, federal planning
Anon.	Public shelters in the Hamburg region	January-February 1978	Civil defense, international planning, emergency planning, emergency shelter
Goure, Leon	The Soviet civil defense shelter program	January-February 1978	Civil defense, international planning, emergency planning, emergency shelter
