La Lettre d'Hiver de la SFSM
Janvier 2010 - n°69

Le Mot du Président

Chères et chers collègues,

Au nom du Conseil d'Administration de la SFSM, je vous présente mes meilleurs vœux pour l'année 2010, à tous les niveaux, aussi bien professionnel que personnel.

Souhaitons aussi que la SFSM, en association avec d'autres Sociétés française et européennes, continue à contribuer à l'essor de la spectrométrie de masse, aidant ainsi nos Jeunes à réaliser leurs projets, aussi bien dans le secteur public que privé.

Comme chaque année, la SFSM va renouveler une partie de son Conseil d'Administration. Pascale Richardin, Jocelyn Dupuis et moi-même ayant été élus en 2007, notre mandat va arriver à son terme cette année. Vous trouverez dans cette lettre le formulaire d'appel à candidature. Les quatre thématiques définies lors de l'Assemblée Générale de septembre 2008 étant encore représentées par au moins un membre restant au CA, nous gardons à nouveau cette année une grande souplesse pour les thématiques des candidats. J'espère ainsi que vous serez nombreux à proposer votre candidature à l'implication active dans notre Société, comme vous l'avez été l'année dernière.

Au cours de l'année 2009, la SFSM s'est impliquée dans un certain nombre de manifestations qui ont été des succès, en association avec la SFEAP : la Journée Scientifique du 9 mars à Paris sur l'analyse de complexes protéiques et le congrès SMAP à Dijon, du 14 au 17 septembre. Merci encore aux organisateurs qui ont largement contribué à ces succès.

Cette année, la Journée Scientifique commune avec la SFEAP aura lieu le 5 mars, toujours à l'ESPCI à Paris et aura pour thème « Apports de la FT en protéomique ». Notre congrès annuel (27èmes JFSM) aura lieu à Clermont-Ferrand. Nous espérons vous voir nombreux à ces manifestations pour lesquelles vous recevrez des détails très prochainement.

Les Jeunes ne sont pas en reste, avec l'organisation des XIVèmes Journées du CJSJ couplées à l'École de Printemps qui ont eu lieu à Borzee, en Belgique. Nous sommes persuadés que le succès qu'ils ont rencontré se renouvellera pour les XVèmes Journées qui auront lieu cette année à Gap (Hautes-Alpes) du 26 au 30 avril.

Outre les possibilités de bourses offertes aux Jeunes pour participer à des congrès, que les jeunes docteurs n'oublient pas aussi de postuler au prix de la SFSM. Les modalités et la date limite sont indiquées dans cette lettre.

Au nom de la SFSM, je vous adresse à nouveau tous mes vœux pour cette année 2010, en espérant que vous profiterez pleinement des rendez-vous scientifiques préparés par notre Société.

Amicalement,

Eric Forest

Le prix de la SFSM est d'un montant de 1 250 €. Il est destiné à récompenser annuellement un jeune chercheur de moins de 35 ans, ayant au moins trois ans d'expérience dans un laboratoire industriel ou universitaire francophone et dont les travaux en recherche fondamentale ou appliquée ont favorisé le développement de la spectrométrie de masse (travaux de thèse ou ensemble de travaux post-doctoraux).

Prix 2010

Le prix 2010 de la SFSM sera remis au cours de l'Assemblée Générale de la Société qui se tiendra dans le cadre des 27^{èmes} JFSM à Clermont-Ferrand (14-16 septembre 2010).

Les dossiers doivent être envoyés avant le **1^{er} mars 2010** au secrétariat de la SFSM.

Chaque dossier doit comprendre, en deux exemplaires, un rapide curriculum vitae, un résumé de deux pages expliquant l'enchaînement des idées ayant guidé les recherches du candidat et l'avenir qu'il souhaite donner à ses travaux. Le dossier sera obligatoirement accompagné de la thèse et/ou des tirés à part des articles auxquels auront donné lieu les recherches du candidat. Le lauréat devra présenter une communication orale à notre Congrès de septembre prochain.

Comme les années précédentes, la SFSM souhaite accorder des aides financières :

↳ aux doctorants (2^{ème} et 3^{ème} année de thèse) et étudiants en stage post-doctoral souhaitant assister à une manifestation internationale telle que :
58th ASMSC, Salt Lake City (Utah) 23-27 Mai 2010

↳ aux étudiants en stage post-doctoral à l'étranger qui souhaitent présenter une communication orale aux 27^{èmes} JFSM, Clermont-Ferrand (14-16 septembre 2010)

Modalités d'attribution

Les dossiers (2 exemplaires) sont à adresser, avant le **1^{er} mars 2010**, au :

Secrétariat de la SFSM
Université Pierre et Marie Curie
LOCEAN - case courrier 100
4 place Jussieu
75252 PARIS CEDEX 05

Chaque dossier devra comprendre :

- un curriculum vitae
- la liste des publications et communications
- un résumé des travaux (une page)
- une copie du(es) résumé(s) de proposition de communication au congrès choisi (les projets proposant des communications orales seront particulièrement appréciés)

DE PLUS,

Les bénéficiaires des aides seront tenus de faire un compte-rendu d'une page relatant leurs impressions scientifiques, touristiques, sur le congrès auquel ils ont assisté.

Aide spécifique pour les membres du CJSM.

Les membres du CJSM, **n'ayant pas encore trouvé d'emploi**, peuvent solliciter une aide de la SFSM pour assister aux Rencontres du CJSM. Cette aide, d'un montant maximum de 200 €, est destinée à couvrir les frais d'inscription et de transport. La demande doit être faite par lettre adressée au secrétariat de la SFSM et le remboursement sera effectué sur présentation des justificatifs.

Renouvellement du Conseil d'Administration

Appel à candidature

Conformément à nos statuts et à notre règlement intérieur, nous devons renouveler une partie de notre CA. Trois membres du Conseil, Jocelyn Dupuy, Éric Forest et Pascale Richardin, arrivent au terme de leur mandat en juin 2010. Il conviendrait par conséquent de procéder à l'élection de trois nouveaux membres.

Le calendrier suivant vous est proposé :

- appel de candidature : présente lettre
- clôture du dépôt des candidatures : 24 avril 2010
- clôture du vote par correspondance : 24 mai 2010

La première réunion du CA à laquelle les nouveaux élus seront conviés aura lieu en juin-juillet 2010.

APPEL À CANDIDATURE

Renouvellement du Conseil d'Administration de la SFSM pour 2010

La SFSM recherche des candidats à l'élection de trois membres de son Conseil d'Administration.
Les candidats sont invités à joindre une courte note contenant un CV et un bref résumé de leurs activités, cette note sera jointe aux bulletins de vote.
