GUIDE to DISCLOSURE

SALARY

Ministers

The total actual salary, allowances and expenses for ministers are shown in the department they were responsible for on December 31. Salary, indemnity and expense allowance are repeated under the Legislative Assembly for all Ministers for transparency purposes. When a minister held more than one position throughout the year, their entire actual salary is shown in the portfolio they held at 31 December with disclosure of the amounts earned under all positions. In addition, disclosure in the original department is made indicating where the Minister's salary is displayed.

Listes d'employés supplémentaires non vérifiées

1. Traitements des employés, y compris la rémunération des ministres, les allocations de retraite / forfaits de départ, les frais de déplacement et autres dépenses pour chacun des ministères.
2. Traitements des employés et allocations de retraite / forfaits de départs des sociétés de la Couronne et autres organisations.
3. Paiements aux fournisseurs et subventions, combinés pour les ministères.
4. Paiements aux fournisseurs et paiements des subventions, versements de prêts et paiements au titre des cartes d'achat pour chacun des ministères .

GUIDE de DIVULGATION

TRAITEMENTS

Ministres

La rémunération réelle totale, les indemnités et les frais relatifs aux ministres sont présentés sous le ministère dont ils étaient chargés au 31 décembre. Les traitements, indemnités et frais sont répétés sous l'Assemblée législative pour tous les ministres aux fins de transparence. Si un ministre a occupé plus d'un poste durant l'année, sa rémunération réelle totale est présentée sous le portefeuille qu'il détenait au 31 décembre, et les montants reçus dans tous les postes sont divulgués. Les montants sont aussi présentés sous le ministère original, qui renvoie au ministère sous lequel est communiqué le traitement du ministre.

Deputy Ministers

Deputy Ministers are listed in the range in which their total salary for the year falls and in the department they were employed on 31 December. If the deputy held more than one position throughout the year, their total salary is shown in the last department in which they were employed.

Employees

Employees are listed in the range in which their total salary for the year falls and in the department they were employed on 31 December. This list includes all employees whose total actual salary exceeded \$60,000 during the calendar year. Employees paid below that threshold are not included. The salary reported includes regular earnings, overtime, personal service contracts and any other employee remuneration, except retirement allowance and severance payouts.

RETIREMENT ALLOWANCE / SEVERANCE PAY

This list shows employees who received retirement allowances or severance payments in excess of \$10,000 during the calendar year, in ranges commencing with \$10,000. Employees with payments below that threshold are not included.

PAYMENTS FOR TRAVEL AND OTHER EMPLOYEE EXPENSES

This list includes payments totaling \$12,000 or more made to employees for travel and other employee expenses. Employees are shown with the actual expense amount paid (not in ranges). Amounts paid to employees below the \$12,000 threshold are not shown, with the exception of Ministers who are shown regardless of thresholds. For Ministers and Deputy Ministers who held more than one position throughout the year, their entire expense amount is shown in the last department held with disclosure indicating the amount incurred in the previous department. Car allowances paid are shown separately, regardless of the amount.

Sous-ministres

Les sous-ministres sont présentés dans la fourchette de leur rémunération totale pour l'année et sous le ministère où ils travaillaient au 31 décembre. Dans le cas où un sous-ministre a occupé plus d'un poste durant l'année, sa rémunération totale est présentée sous le ministère le plus récent.

Employés

Les employés sont présentés dans la fourchette de leur rémunération totale pour l'année et sous le ministère où ils travaillaient au 31 décembre. Cette liste comprend tous les employés dont la rémunération totale a été supérieure à 60 000 \$ durant l'année civile. Les employés dont le salaire est inférieur à ce seuil ne sont pas présentés. Le traitement présenté comprend le salaire fixe, les heures supplémentaires, les contrats de service personnels et toute autre rétribution, à l'exception de l'allocation de retraite ou forfaits de départ.

ALLOCATIONS DE RETRAITE / FORFAITS DE DÉPART

Cette liste montre les employés qui ont reçu une allocation de retraite ou un forfait de départ supérieur à 10 000 \$ durant l'année civile, par fourchette à partir de 10 000 \$. Les employés qui ont reçu des paiements inférieurs à ce seuil ne sont pas présentés.

PAIEMENTS AUX FINS DES FRAIS DE DÉPLACEMENT ET AUTRES DÉPENSES

Cette liste comprend les paiements dont le total s'élève à 12 000 \$ ou plus qui ont été versés aux employés pour rembourser des frais de déplacement et autres dépenses. Les employés sont présentés avec le montant réel versé des dépenses (plutôt que par fourchette). Les montants versés aux employés qui sont inférieurs au seuil de 12 000 \$ ne sont pas présentés, à l'exception des montants versés aux ministres, qui sont présentés peu importe le montant. Dans le cas des ministres et des sous-ministres qui ont occupé plus d'un poste durant l'année, le total des montants de leurs dépenses est affiché sous le dernier ministère dont ils étaient chargés, et le montant payé sous le ministère précédent est indiqué. Les allocations d'automobile versées sont présentées séparément, peu importe le montant.
