Like many others, Laurie and I have watched with deep concern the sobering situation unfold in Ukraine over the past months, along with similar upheavals across the earth and domestic issues facing our own nation. From military aggression and saber-rattling by Russia, China, Iran, North Korea, and other nations, to issues like COVID, cultural confusion, Christian persecution, and a growing animosity toward faith and

world events unfolding on a daily basis. And that is why on March 28th we launched our nightly current affairs program, *Centerpoint*, hosted by veteran television journalist Doug McKelway, along with co-host Blynda Lane and contributor Erick Stakelbeck. With a nightly lineup of seasoned investigative professionals and respected Christian leaders, *Centerpoint* will equip you with understanding on the issues of the day and how

We're at a pivotal time in history, where people are starving—not for 'your truth' or 'my truth'—but for 'THE truth.' That's what we plan to offer. —DOUG MCKELWAY, host of *Centerpoint*

morality — many individuals are increasingly concerned about what lies ahead and how we should respond as Christ followers.

With situations heating up rapidly on so many levels, here at TBN we've recognized an increasing need for Christians to have access to solid biblical perspectives and analysis of both domestic and

they impact you, your faith, and your world.

In this edition of your *Behind the Scenes at TBN* quarterly report, we're giving special focus to our new *Centerpoint* program (page 2), along with some other important TBN current affairs specials that have aired over the past several weeks.

That includes our ongoing coverage of the crisis in Ukraine, hosted by Doug McKelway and Mike Huckabee (page 4); a special "State of the Nation" report from TBN's own investigative journalist Erick Stakelbeck (page 5); and a close look at the increasing

gender crisis, hosted by noted conservative voice Charlie Kirk.

In this interactive report we're also highlighting some of the other faith-building content TBN viewers have come to expect, featuring Christian leaders like Joyce Meyer, Bobby Schuller, Shawn Bolz, and Bishop T.D. Jakes, along with a look at the latest addition to our TBN family of networks, TBN Inspire. See pages 6-7 for this great coverage.

Of course, every exclusive TBN program and life-giving network is only possible because of the committed prayer and partnership of individuals like you.

Thank you for standing with us as we broadcast the good news of Jesus to every inhabited continent. Together we are reaching the nations with the message of God's hope and grace.

Our love and prayers for you,

Matt and Laurie
